9 vote, be deemed to be a member of the city council.

10 (2) Ordinances of a general or permanent nature in a city of the

8 statutory changes made by the Legislature which are specific and
9 mandatory and bring the ordinances or code sections into conformance with
10 state law, the title need only state that the ordinance revises those
11 ordinances or code sections affected by or enacts ordinances or code
12 sections generated by legislative changes. Under such title, all such
13 ordinances or code sections may be revised, repealed, or enacted in
14 sections and chapters or otherwise by a single ordinance without other
15 title.

16 Sec. 12. Section 17-405.01, Revised Statutes Cumulative Supplement,
17 2020, is amended to read:

18 17-405.01 (1) Except as provided in subsections (2) and (3) of this
19 section and section 17-407, the mayor and city council of any city of the
20 second class or the chairperson and members of the village board of
21 trustees may by ordinance, except as provided in sections 13-1111 to
22 13-1118, at any time, include within the corporate limits of such city or
23 village any contiguous or adjacent lands, lots, tracts, streets, or
24 highways as are urban or suburban in character, and in such direction as
25 may be deemed proper. Such grant of power shall not be construed as
26 conferring power to extend the limits of any city of the second class or
27 village over any agricultural lands which are rural in character.

28 (2) The mayor and city council of any city of the second class or
29 the chairperson and members of the village board of trustees may, by
30 ordinance, annex any lands, lots, tracts, streets, or highways which
31 constitute a redevelopment project area so designated by the city or

1 village or its community redevelopment authority in accordance with the
2 provisions of the Community Development Law when such annexation is for
3 the purpose of implementing a lawfully adopted redevelopment plan
4 containing a provision dividing ad valorem taxes as provided in
5 subsection (1) of section 18-2147 and which will involve the construction
6 or development of an agricultural processing facility, notwithstanding
7 that such lands, lots, tracts, streets, or highways are not contiguous or
8 adjacent or are not urban or suburban in character. Such annexation shall
9 comply with all other provisions of law relating to annexation generally
10 for cities of the second class and villages. The city or village shall
11 not, in consequence of the annexation under this subsection of any
12 noncontiguous land, exercise the authority granted to it by law to extend
13 its extraterritorial zoning jurisdiction beyond its corporate boundaries
14 for purposes of planning, zoning, or subdivision development without the
15 agreement of any other city, village, or county currently exercising
16 zoning jurisdiction over the area surrounding the annexed redevelopment
17 project area. The annexation of any noncontiguous land undertaken
18 pursuant to this subsection shall not result in any change in the service
19 area of any electric utility without the express agreement of the
20 electric utility serving the annexed noncontiguous area at the time of
21 annexation, except that at such time following the annexation of the
22 noncontiguous area as the city or village lawfully annexes sufficient
23 intervening territory so as to directly connect the noncontiguous area to
24 the main body of the city or village, such noncontiguous area shall,
25 solely for the purposes of section 70-1008, be treated as if it had been
26 annexed by the city or village on the date upon which the connecting
27 intervening territory had been formally annexed. For purposes of this
28 subsection, agricultural processing facility means a plant or
29 establishment where value is added to agricultural commodities through
30 processing, fabrication, or other means and where eighty percent or more
31 of the direct sales from the facility are to other than the ultimate

1 consumer of the processed commodities. A facility shall not qualify as an
2 agricultural processing facility unless its construction or development
3 involves the investment of more than one million dollars derived from
4 nongovernmental sources.

5 (3) The mayor and two-thirds of the city council of any city of the
6 second class or the chairperson and two-thirds of the members of the
7 village board of trustees may, by ordinance, annex any lands, lots,
8 tracts, streets, or highways when such annexation is for the purpose of
9 relocating part or all of such city or village due to catastrophic
10 flooding, notwithstanding that such lands, lots, tracts, streets, or
11 highways are not contiguous or adjacent or are not urban or suburban in
12 character. Such annexation shall comply with all other provisions of law
13 relating to annexation generally for cities of the second class and
14 villages. The city or village shall not, in consequence of the annexation
15 under this subsection of any noncontiguous land, exercise the authority
16 granted to it by law to extend its extraterritorial zoning jurisdiction
17 beyond its corporate boundaries for purposes of planning, zoning, or
18 subdivision development without the agreement of any other city, village,
19 or county currently exercising zoning jurisdiction over the area
20 surrounding the annexed area. The annexation of any noncontiguous land
21 undertaken pursuant to this subsection shall not result in any change in
22 the service area of any electric utility without the express agreement of
23 the electric utility serving the annexed noncontiguous area at the time
24 of annexation, except that at such time following the annexation of the
25 noncontiguous area as the city or village lawfully annexes sufficient
26 intervening territory so as to directly connect the noncontiguous area to
27 the main body of the city or village, such noncontiguous area shall,
28 solely for the purposes of section 70-1008, be treated as if it had been
29 annexed by the city or village on the date upon which the connecting
30 intervening territory had been formally annexed. If, within five years
31 following an annexation undertaken pursuant to this subsection, part or

1 all of the city or village has not been relocated to the annexed area,
2 the city or village shall initiate detachment ~~disconnection~~ of such
3 annexed area pursuant to subsection (2) of section 14 of this act ~~17-414~~.

4 For purposes of this subsection, catastrophic flooding means a flooding
5 event that (a) results in total property damage within the city or
6 village which exceeds forty-five percent of the total assessed value of
7 the improvements within the city or village and (b) is declared to be a
8 major disaster by the President of the United States or the Governor.

9 Sec. 13. Section 17-614, Revised Statutes Cumulative Supplement,
10 2020, is amended to read:

11 17-614 (1) All ordinances and resolutions or orders for the
12 appropriation or payment of money shall require for their passage or
13 adoption the concurrence of a majority of all members elected to the city
14 council in a city of the second class or village board of trustees. The
15 mayor of a city of the second class may vote when his or her vote would
16 provide the additional vote required to attain the number of votes equal
17 to a majority of the number of members elected to the city council, and
18 the mayor shall, for the purpose of such vote, be deemed to be a member
19 of the city council. Ordinances of a general or permanent nature shall be
20 read by title on three different days unless three-fourths of the city
21 council or village board of trustees vote to suspend this requirement,
22 except that such requirement shall not be suspended (a) for any ordinance
23 for the annexation of territory or the redrawing of boundaries for city
24 council or village board of trustees election districts or wards or (b)
25 as otherwise provided by law. In case such requirement is suspended, the
26 ordinances shall be read by title and then moved for final passage.
27 Three-fourths of the city council or village board of trustees may
28 require a reading of any such ordinance in full before enactment under
29 either procedure set out in this section.

30 (2) Ordinances shall contain no subject which is not clearly
31 expressed in the title, and, except as provided in section 19-915, no

1 ordinance or section of such ordinance shall be revised or amended unless
2 the new ordinance contains the entire ordinance or section as revised or
3 amended and the ordinance or section so amended is repealed, except that:

4 (a) For an ordinance revising all the ordinances of the city of the
5 second class or village, the title need only state that the ordinance
6 revises all the ordinances of the city or village. Under such title all
7 the ordinances may be revised in sections and chapters or otherwise, may
8 be corrected, added to, and any part suppressed, and may be repealed with
9 or without a saving clause as to the whole or any part without other
10 title; and

11 (b) For an ordinance used solely to revise ordinances or code
12 sections or to enact new ordinances or code sections in order to adopt
13 statutory changes made by the Legislature which are specific and
14 mandatory and bring the ordinances or code sections into conformance with
15 state law, the title need only state that the ordinance revises those
16 ordinances or code sections affected by or enacts ordinances or code
17 sections generated by legislative changes. Under such title, all such
18 ordinances or code sections may be revised, repealed, or enacted in
19 sections and chapters or otherwise by a single ordinance without other
20 title.

21 Sec. 14. (1) Any person owning real property located within and
22 adjacent to the corporate limits of a city of the first class, city of
23 the second class, or village seeking to have such property detached from
24 the corporate limits of such city or village may file a request with the
25 city council or village board of trustees asking that such property be
26 detached. The request shall contain the legal description of the property
27 sought to be detached. If the city council or village board of trustees
28 determines that the property meets the requirements of this section and
29 that all or a part of such property ought to be detached, the city
30 council or village board of trustees shall adopt an ordinance by a
31 majority vote of its members to order such property detached from the

1 corporate limits of the city or village. The city clerk or village clerk
2 shall file a certified copy of such ordinance in the office of the
3 register of deeds and of the election commissioner or county clerk of the
4 county in which such property is located.

5 (2) A city of any class or village may initiate detachment of any
6 real property located within and adjacent to the corporate limits of such
7 city or village by first publishing notice in a legal newspaper in or of
8 general circulation in the city or village of the intention of the city
9 or village to detach such property. Such notice shall include a legal
10 description of the property to be detached and shall provide the date,
11 time, and place of the meeting at which the ordinance ordering such
12 property to be detached will be voted on by the city council or village
13 board of trustees. If, by a majority vote of its members, the city
14 council or village board of trustees adopts the ordinance ordering such
15 property detached from the corporate limits of the city or village, the
16 city clerk or village clerk shall file a certified copy of such ordinance
17 in the office of the register of deeds and of the election commissioner
18 or county clerk of the county in which such property is located.

19 Sec. 15. Section 18-132, Revised Statutes Cumulative Supplement,
20 2020, is amended to read:

24 a building or construction code, and any other standard code which
25 contains rules and regulations printed as a code in book or pamphlet
26 form, by reference to such code, or portions thereof, alone, without
27 setting forth in the ordinance the conditions, provisions, limitations,
28 and terms of such code. When any such code, or portion thereof, has been
29 incorporated by reference into such ordinance, as provided in this
30 section, it shall have the same force and effect as though it had been
31 written in its entirety in such ordinance without further or additional

1 publication thereof.

2 (2) Not less than one copy of such standard code, or portion
3 thereof, shall be kept for use and examination by the public in the

13 shall be interpreted as creating an obligation for the city or village to
14 inspect plumbing work done within its jurisdiction to determine
15 compliance with the plumbing code.

16 Sec. 16. Section 18-1915, Reissue Revised Statutes of Nebraska, is
17 amended to read:

18 18-1915 The State of Nebraska shall permit cities and villages to
19 collect permit fees and inspect all sanitary plumbing installed or
20 repaired, except for a single-family dwelling or a farm or ranch
21 structure, within the State of Nebraska outside of the zoning
22 jurisdiction of cities and villages. The city or village nearest the
23 construction site shall have jurisdiction to collect such permit fees and
24 conduct the inspection of the sanitary plumbing. If the city or village
25 has a plumbing ordinance in force and effect, such ordinance will govern
26 the installation of the sanitary plumbing. If there is no city ordinance
27 in effect for such city or village, the 2018 ~~2009~~ Uniform Plumbing Code
28 designated ~~accredited~~ by the American National Standards Institute as an
29 American National Standard shall apply to all buildings except single-
30 family dwellings and farm and ranch structures.

31 ~~Any code or ordinance enacted by a city or village which is at least~~
