

E AND R AMENDMENTS TO LB 649

Introduced by McKinney, 11, Chairman Enrollment and Review

1 1. Strike the original sections and all amendments thereto and
2 insert the following new sections:

3 Section 1. Sections 1 to 31 of this act shall be known and may be
4 cited as the Nebraska Financial Innovation Act.

5 Sec. 2. The Legislature finds and declares that:

6 (1) Economic development initiatives demand buy-in and input from
7 community stakeholders across multiple industries. The Legislature should
8 send a strong message that Nebraska wants to bring high-tech jobs and
9 digital asset operations to our state. Nebraska has an incredible
10 opportunity to be a leader in this emerging technology;

11 (2) Nebraska desires to create an entrepreneurial ecosystem where
12 young talent can be paired with private investors in order to create
13 jobs, enhance our quality of life, and prevent the brain drain that is
14 particularly acute in rural Nebraska. If Nebraska does not make
15 intentional and meaningful changes to how it recruits and retains young
16 people, Nebraska will be left behind;

17 (3) The rapid innovation of blockchain and digital ledger
18 technology, including the growing use of virtual currency, digital
19 assets, and other controllable electronic records has complicated the
20 development of blockchain services and products in the marketplace;

21 (4) Blockchain innovators are able and willing to address banking
22 compliance challenges such as federal customer identification, anti-money
23 laundering, and beneficial ownership requirements to comply with
24 regulators' concerns;

25 (5) Compliance with federal and state laws, including, but not
26 limited to, know-your-customer and anti-money-laundering rules and the
27 federal Bank Secrecy Act, is critical to ensuring the future growth and

1 reputation of the blockchain and technology industries as a whole; and
2 (6) Authorizing digital asset depositories in Nebraska will provide
3 a necessary and valuable service to blockchain innovators and customers,
4 emphasize Nebraska's partnership with the technology and financial
5 industry, safely grow this state's ever-evolving financial sector, and
6 afford more opportunities for Nebraska residents.

7 Sec. 3. For purposes of the Nebraska Financial Innovation Act:

8 (1) Blockchain means a distributed digital record of controllable
9 electronic record transactions;

10 (2) Centralized finance means centralized digital asset exchanges,
11 businesses, or organizations with a valid physical address;

12 (3) Control has the following meaning:

13 (a) A person has control of a controllable electronic record if:

16 recorded, if any, gives the person:

18 controllable electronic record;

19 (II) Subject to subdivision (b) of this subdivision, the exclusive
20 power to prevent others from deriving substantially all the benefit from

23 power to transfer control of the controllable electronic record to
24 another person or cause another person to obtain control of a
25 controllable electronic record that derives from the controllable
26 electronic record; and

27 (B) The controllable electronic record, a record attached to or
28 logically associated with the controllable electronic record, or the
29 system in which the controllable electronic record is recorded, if any,
30 enables the person to readily identify itself as having the powers
31 specified in subdivision (a)(i) of this subdivision; or

1 (ii) Another person obtains control of the controllable electronic
2 record on behalf of the person, or having previously obtained control of
3 the controllable electronic record, acknowledges that it has control on
4 behalf of the person.

5 (b) A power specified in subdivisions (3)(a)(i)(A)(II) or (III) of
6 this section can be exclusive, even if:

7 (i) The controllable electronic record or the system in which it is
8 recorded, if any, limits the use to which the controllable electronic
9 record may be put or has protocols that are programmed to result in a
10 transfer of control; and

11 (ii) The person has agreed to share the power with another person.

23 unencumbered liquid assets denominated in United States dollars valued at
24 not less than one hundred percent of the digital assets in custody.

18 assurance that any digital asset will be viable, liquid, or solvent.
19 Nothing in this communication is intended to imply that any digital asset
20 held in custody by a digital asset depository is low-risk or risk-free.
21 Digital assets held in custody are not guaranteed by a digital asset
22 depository and are not FDIC insured.

23 (2) Upon opening a digital asset depository account, and if
24 applicable, a digital asset depository shall require each customer to
25 execute a statement acknowledging that all digital asset deposits at the
26 digital asset depository are not insured by the Federal Deposit Insurance

9 director. The application shall include a comprehensive plan for
10 dissolution setting forth the proposed disposition of all assets and

17 the director may require, including demonstration of how assets and
18 liabilities will be disposed, the timetable for effecting disposition of
19 the assets and liabilities, and a proposal of the digital asset
20 depository institution for addressing any claims that are asserted after
21 dissolution has been completed. The director shall examine the
22 application for compliance with this section, the business entity laws
23 applicable to the required type of dissolution, and applicable orders and
24 rules and regulations. The director may conduct a special examination of
25 the digital asset depository institution, consistent with subsection (3)

28 director shall return it for completion not later than sixty days after
29 it is filed. If the application is found to be complete by the director,
30 the director shall approve or disapprove the application not later than
31 thirty days after it is filed. If the director approves the application,

4 institution subsequently determines that the plan of dissolution needs to
5 be amended to complete the dissolution, it shall file an amended plan
6 with the director and obtain approval to proceed under the amended plan.
7 If the director does not approve the application or amended plan, the
8 digital asset depository institution may appeal the decision to the
9 director pursuant to the Administrative Procedure Act.

10 (4) Upon completion of all actions required under the plan of
11 dissolution and satisfaction of all conditions prescribed by the
12 director, the digital asset depository institution shall submit a written
13 report of its actions to the director. The report shall contain a

16 after the filing of the report, shall examine the digital asset
17 depository institution to determine whether the director is satisfied
18 that all required actions have been taken in accordance with the plan of
19 dissolution and any conditions prescribed by the director. If all
20 requirements and conditions have been met, the director shall, within
21 thirty days of the examination, notify the digital asset depository
22 institution in writing that the dissolution has been completed and issue
23 an order of dissolution.

24 (5) Upon receiving an order of dissolution, the digital asset
25 depository institution shall surrender its charter to the director. The
26 digital asset depository institution shall then file articles of
27 dissolution and other documents required by sections 21-2,184 to 21-2,201

29 reorganization, the digital asset depository institution shall file the
30 documents required by the Secretary of State to finalize the
31 reorganization.

1 (6) If the director determines that all required actions under the
2 plan for dissolution, or as otherwise required by the director, have not
3 been completed, the director shall notify the digital asset depository
4 institution, not later than thirty days after this determination, in
5 writing, of what additional actions shall be taken in order for the
6 institution to be eligible for a certificate of dissolution. The director
7 shall establish a reasonable deadline of up to thirty days for the
8 submission of evidence that additional actions have been taken and the
9 director may extend any deadline upon good cause. If the digital asset
10 depository institution fails to file a supplemental report showing that
11 the additional actions have been taken before the deadline, or submits a
12 report that is found not to be satisfactory by the director, the director
13 shall notify the digital asset depository institution in writing that its
14 voluntary dissolution is not approved, and the institution may appeal the
15 decision to the director pursuant to the Administrative Procedure Act.

20 day the report is overdue, as established by order of the director. The
21 fee shall be remitted to the State Treasurer for credit to the Department
22 of Banking and Finance Settlement Cash Fund.

25 2020, is amended to read:

26 8-1,140 Notwithstanding any of the other provisions of the Nebraska
27 Banking Act or any other Nebraska statute, any bank incorporated under
28 the laws of this state and organized under the provisions of the act, or
29 under the laws of this state as they existed prior to May 9, 1933, shall
30 directly, or indirectly through a department, a subsidiary, or
31 subsidiaries, have all the rights, powers, privileges, benefits, and

1 immunities which may be exercised as of January 1, 2021 ~~2020~~, by a
2 federally chartered bank doing business in Nebraska, including the
3 exercise of all powers and activities that are permitted for a financial
4 subsidiary of a federally chartered bank. Such rights, powers,
5 privileges, benefits, and immunities shall not relieve such bank from
6 payment of state taxes assessed under any applicable laws of this state.

7 Sec. 39. Any financial institution as defined in section 3 of this
8 act other than a digital asset depository institution as defined in
9 section 3 of this act may invest not more than ten percent of its capital
10 and surplus either in stock of a corporation operating a digital asset
11 depository institution or directly, alone, or with others, in a digital
12 asset depository institution. With written approval of the director, such
13 additional percentage of its capital and surplus may be so invested as
14 the director shall approve. Such investment is not subject to sections
15 8-148, 8-149, and 8-150.

16 Sec. 40. (1) The provisions of this section are cumulative and not
17 exclusive as an optional framework for enhanced supervision of
18 controllable electronic record custody.

19 (2) If a financial institution is authorized to provide digital
20 asset services under this section, it shall comply with all provisions of
21 this section.

22 (3) A financial institution may serve as a qualified custodian, as
23 specified by the United States Securities and Exchange Commission in 17
24 C.F.R. 275.206(4)-2 or any other federal rule or regulation. In
25 performing custodial services under this section, a financial institution
26 shall:

27 (a) Implement all accounting, account statement, internal control,
28 notice, and other standards specified by applicable state or federal law
29 and rules for custodial services;

30 (b) Maintain information technology best practices relating to
31 controllable electronic records held in custody. The director may specify

1 required best practices by rule and regulation;

2 (c) Fully comply with applicable federal anti-money laundering,
3 customer identification, and beneficial ownership requirements; and

4 (d) Take other actions necessary to carry out this section, which
5 may include exercising fiduciary powers similar to those permitted to
6 national banks and ensuring compliance with federal law governing
7 controllable electronic records classified as commodities.

8 (4) A financial institution providing custodial services shall enter
9 into an agreement with an independent public accountant to conduct an
10 examination conforming to the requirements of 17 C.F.R. 275.206(4)-2(a)
11 (4) and (6), at the cost of the financial institution. The accountant
12 shall transmit the results of the examination to the director within
13 ninety days of the examination and may file the results with the United
14 States Securities and Exchange Commission as its rules may provide.
15 Material discrepancies in an examination shall be reported to the
16 director within one day. The director shall review examination results
17 upon receipt within a reasonable time and during any regular examination
18 conducted under section 8-108.

19 (5) Controllable electronic records held in custody under this
20 section are not depository liabilities or assets of the financial
21 institution. A financial institution or a subsidiary may register as an
22 investment adviser, investment company, or broker dealer as necessary. A
23 financial institution shall maintain control over a controllable
24 electronic record while in custody. A customer shall elect, pursuant to a
25 written agreement with the financial institution, one of the following
26 relationships for each controllable electronic record held in custody:

27 (a) Custody under a bailment as a nonfungible or fungible asset.
28 Assets held under this subdivision shall be strictly segregated from
29 other assets; or

30 (b) Custody under a bailment pursuant to subsection (6) of this
31 section.

1 (6) If a customer makes an election under subdivision (5)(b) of this
2 section, the financial institution may, based only on customer
3 instructions, undertake transactions with the controllable electronic
4 record. A financial institution maintains control pursuant to subsection
5 (5) of this section by entering into an agreement with the counterparty
6 to a transaction which contains a time for return of the asset. The
7 financial institution shall not be liable for any loss suffered with
8 respect to a transaction under this subsection, except for liability
9 consistent with fiduciary and trust powers as a custodian under this
10 section.

11 (7) A financial institution and a customer shall agree in writing
12 regarding the source code version the financial institution will use for
13 each controllable electronic record and the treatment of each record
14 under the Uniform Commercial Code, if necessary. Any ambiguity under this
15 subsection shall be resolved in favor of the customer.

16 (8) A financial institution shall provide clear, written notice to
17 each customer and require written acknowledgement of the following:

18 (a) Prior to the implementation of any updates, material source code
19 updates relating to controllable electronic records held in custody,
20 except in emergencies which may include security vulnerabilities;

21 (b) The heightened risk of loss from transactions under subsection
22 (6) of this section;

23 (c) That some risk of loss as a pro rata creditor exists as the
24 result of custody as a fungible asset or custody under subdivision (5)(b)
25 of this section;

26 (d) That custody under subdivision (5)(b) of this section may not
27 result in the controllable electronic records of the customer being
28 strictly segregated from other customer assets; and

29 (e) That the financial institution is not liable for losses suffered
30 under subsection (6) of this section, except for liability consistent
31 with fiduciary and trust powers as a custodian under this section.

1 (9) A financial institution and a customer shall agree in writing to
2 a time period within which the financial institution must return a
3 controllable electronic record held in custody under this section. If a
4 customer makes an election under subdivision (5)(b) of this section, the
5 financial institution and the customer may also agree in writing to the
6 form in which the controllable electronic record shall be returned.

7 (10) All ancillary or subsidiary proceeds relating to controllable
8 electronic records held in custody under this section shall accrue to the
9 benefit of the customer, except as specified by a written agreement with
10 the customer. The financial institution may elect not to collect certain
11 ancillary or subsidiary proceeds, as long as the election is disclosed in
12 writing. A customer who makes an election under subdivision (5)(a) of
13 this section may withdraw the controllable electronic record in a form
14 that permits the collection of the ancillary or subsidiary proceeds.

15 (11) A financial institution shall not authorize or permit
16 rehypothecation of controllable electronic records under this section and
17 shall not engage in any activity to use or exercise discretionary
18 authority relating to a controllable electronic record except based on
19 customer instructions.

20 (12) A financial institution shall not take any action under this
21 section which would likely impair the solvency or the safety and
22 soundness of the financial institution, as determined by the director
23 after considering the nature of custodial services customary in the
24 banking industry.

25 (13) To offset the costs of supervision and administration of this
26 section, a financial institution which provides custodial services under
27 this section shall pay the assessment as provided for in sections 8-601
28 and 8-605, which assessment shall not be less than two thousand dollars,
29 and the costs of any examination or investigation as provided in sections
30 8-108 and 8-606.

31 (14) For purposes of this section, financial institution means a

1 bank, savings bank, building and loan association, savings and loan
2 association, whether chartered by the United States, the department, or a
3 foreign state agency; or a trust company.

4 Sec. 41. The director may adopt and promulgate rules and
5 regulations to implement sections 40 to 42 of this act.

6 Sec. 42. The courts of Nebraska shall have jurisdiction to hear
7 claims in both law and equity relating to controllable electronic
8 records, including those arising under sections 40 to 42 of this act and
9 the Uniform Commercial Code.

10 Sec. 43. Section 8-601, Revised Statutes Cumulative Supplement,
11 2020, is amended to read:

12 8-601 The Director of Banking and Finance may employ deputies,
13 examiners, attorneys, and other assistants as may be necessary for the

27 financial institution, except that in determining the asset size of a
28 holding company or digital asset depository, the assets of any financial
29 institution or holding company otherwise assessed pursuant to this
30 section and the assets of any nationally chartered financial institution
31 shall be excluded. The assessment for digital asset depositories under

1 the Nebraska Financial Innovation Act shall be in an amount to offset the
2 costs of supervision and administration of the Nebraska Financial
3 Innovation Act. The assessment shall be a sum determined by the director
4 in accordance with section 8-606 and approved by the Governor.

27 information except among themselves, when necessary or appropriate in a
28 proceeding, examination, or investigation under the act, or as authorized
29 in subdivision (3)(b) of this subsection. No provision of the act shall

19 adopted and promulgated or form may be prescribed unless the director
20 finds that the action is necessary or appropriate in the public interest
21 or for the protection of investors and consistent with the purposes

5 unless the director in his or her discretion grants a request joined in
6 by all the respondents that the hearing be conducted privately.

9 to the director under any of the provisions of the act shall be remitted
10 to the State Treasurer for credit to the fund, except that registration
11 fees collected by or paid to the Director of Insurance pursuant to the
12 provisions of the act shall be credited to the Department of Insurance

14 administering and enforcing the provisions of the act, except that
15 transfers may be made to the General Fund at the direction of the
16 Legislature. Any money in the Securities Act Cash Fund available for
17 investment shall be invested by the state investment officer pursuant to
18 the Nebraska Capital Expansion Act and the Nebraska State Funds
19 Investment Act.

20 (b) The State Treasurer shall transfer seven hundred twelve thousand
21 four hundred eighty-nine dollars from the Securities Act Cash Fund to the

11 prescribe, the director shall furnish to any person photostatic or other
12 copies, certified under his or her seal of office if requested, of any
13 entry in the register or any document which is a matter of public record.
14 In any proceeding or prosecution under the act, any copy so certified
15 shall be prima facie evidence of the contents of the entry or document
16 certified.

17 (11) The director in his or her discretion may honor requests from

10 Intent.

11 (a) The Joint Committee on the Uniform Commercial Code and Emerging
12 Technologies of the Uniform Law Commissioners has developed draft uniform
13 Commercial Code provisions governing certain digital assets, specifically
14 those that fall within the definition of "controllable electronic
15 records". The current draft has been extensively vetted by those who
16 understand and participate in digital transactions.

17 (b) Adoption of the Uniform Law Commissioners' draft by the 2021
18 Nebraska Legislature will create a considerable and necessary advantage
19 for Nebraska to lead in emerging industries utilizing blockchain, digital
20 ledger technology, virtual currencies, and other digital assets and would
21 provide a sensible framework and legal certainty for transactions of
22 controllable electronic records. In subsequent sessions, if necessary,
23 the Nebraska Legislature will review and adopt conforming amendments to
24 the provisions of the Uniform Commercial Code on controllable electronic
25 records to remain consistent with the language and intent of the final
26 proposal of the Joint Committee on the Uniform Commercial Code and
27 Emerging Technologies of the Uniform Law Commissioners.

18 payment intangibles.

19 (a) In this section:

20 (1) "Adverse claim" means a claim that a claimant has a property
21 interest in a controllable electronic record and that it is a violation
22 of the rights of the claimant for another person to hold, transfer, or
23 deal with the controllable electronic record.

24 (2) "Qualified purchaser" means a purchaser of a controllable
25 electronic record or an interest therein that obtains control of a
26 controllable electronic record for value and without notice of any
27 adverse claim. The term includes a person that acquires rights in a
28 controllable electronic record by a transfer of control under subsection
29 (d).

30 (b) Subject to subsections (c) through (i), law other than this
31 article 12 determines whether a person acquires rights in a controllable

1 electronic record and the rights that the person acquires.

2 (c) A purchaser of a controllable electronic record acquires all
3 rights in the controllable electronic record that the transferor had or
4 had power to transfer.

5 (d) A person having control of, but no rights in, a controllable
6 electronic record has power to transfer rights in the controllable
7 electronic record by voluntarily transferring control to a person that
8 obtains control for value and without notice of any adverse claim.

10 extent of the interest purchased.

11 (f) In addition to acquiring the rights of a purchaser, a qualified

14 can be derived from the controllable electronic record free of any
15 adverse claim.

16 (g) An action based on an adverse claim to a controllable electronic
17 record or an account or payment intangible that is included in the

21 that acquires its interest in, and obtains control of, a controllable
22 electronic record for value and without notice of the adverse claim.

23 (h) A person has notice of an adverse claim if:

24 (1) the person knows of the adverse claim; or

25 (2) the person is aware of facts sufficient to indicate that there
26 is a significant probability that the adverse claim exists and
27 deliberately avoids information that would establish the existence of the
28 adverse claim.

29 (i) Filing of a financing statement under article 9 is not notice of
30 an adverse claim to a controllable electronic record.

31 Sec. 63. The Uniform Commercial Code is amended by adding new

1 section:

2 12-105

3 Control of controllable electronic record.

4 (a) A person has "control" of a controllable electronic record if:

5 (1) the following conditions are met:

6 (A) the controllable electronic record or the system in which it is
7 recorded, if any, gives the person:

8 (i) the power to derive substantially all the benefit from the
9 controllable electronic record;

10 (ii) subject to subsection (b), the exclusive power to prevent
11 others from deriving substantially all the benefit from the controllable
12 electronic record; and

13 (iii) subject to subsection (b), the exclusive power to transfer
14 control of the controllable electronic record to another person or cause
15 another person to obtain control of a controllable electronic record that
16 derives from the controllable electronic record; and

17 (B) the controllable electronic record, a record attached to or
18 logically associated with the controllable electronic record, or the
19 system in which the controllable electronic record is recorded, if any,
20 enables the person to readily identify itself as having the powers
21 specified in subparagraph (A); or

22 (2) another person obtains control of the controllable electronic
23 record on behalf of the person, or having previously obtained control of
24 the controllable electronic record, acknowledges that it has control on
25 behalf of the person.

26 (b) A power specified in subparagraph (a)(1)(A)(ii) or (a)(1)(A)
27 (iii) can be "exclusive," even if:

28 (1) the controllable electronic record or the system in which it is
29 recorded, if any, limits the use to which the controllable electronic
30 record may be put or has protocols that are programmed to result in a
31 transfer of control; and

1 (2) the person has agreed to share the power with another person.

2 (c) For the purposes of subparagraph (a)(1)(B), a person may be
3 identified in any way, including by name, identifying number,
4 cryptographic key, office, or account number.

5 Sec. 64. The Uniform Commercial Code is amended by adding new
6 section:

7 12-106

8 Discharge of account debtor on account or payment intangible
9 included in controllable electronic record.

10 (a) Subject to subsections (b) through (f), if an account or payment
11 intangible is included in the benefit that can be derived from a
12 controllable electronic record, the account debtor may discharge its
13 obligation on the account or payment intangible:

14 (1) by paying the person having control of the controllable
15 electronic record; or

16 (2) by paying a person that formerly had control of the controllable
17 electronic record.

18 (b) Subject to subsection (f), an account debtor may not discharge
19 its obligation by paying a person that formerly had control if, before
20 the payment, the account debtor receives a notification, authenticated by
21 the person having control, that notifies the account debtor that the
22 person has control of the controllable electronic record, reasonably
23 identifies the controllable electronic record, and provides a reasonable
24 method by which the account debtor is to make payments. After receipt of
25 the notification, the account debtor may discharge its obligation by
26 paying in accordance with the notification and may not discharge the
27 obligation by paying a person that formerly had control.

28 (c) Subject to subsection (f), notification is ineffective under
29 subsection (b):

30 (1) to the extent that an agreement between an account debtor and a
31 seller of a payment intangible limits the account debtor's duty to pay a

1 person other than the seller and the limitation is effective under law
2 other than this article; or

3 (2) at the option of the account debtor, if the notification
4 notifies the account debtor to divide a payment and send portions by more
5 than one method.

6 (d) Subject to subsection (f), if requested by the account debtor,
7 the person giving the notification shall seasonably furnish reasonable
8 proof that the person has control of the controllable electronic record.
9 Unless the person complies, the account debtor may discharge its
10 obligation by paying a person that formerly had control, even if the
11 account debtor has received a notification under subsection (b).

12 (e) Subject to subsection (f), an account debtor may not waive or
13 vary its option under subsection (c)(2).

14 (f) This section is subject to law other than this article which
15 establishes a different rule for an account debtor who is an individual
16 and who incurred the obligation primarily for personal, family, or
17 household purposes.
