AUTOState006114	State of Nebraska	7/3/2020	6,088.79	I initiated a traffic stop on a white mercury grand marquis bearing Nebraska VTV698 license plates near 50th and L street. The vehicle failed to yield and accelerated and I called emergency traffic to NSP Communications and advised them of a pursuit. I activated my emergency sirens and the vehicle fled NB on 50th Street. The vehicle spit the lanes of travel while traffic yielded to my emergency lights and sirens. The vehicle fled EB onto center street as they passed built up traffic on the left. I observed the vehicle to be occupied by one Hispanic adult male with a shaved head, I asked permission for TVI approval, which was granted by Sergeant Henrichs. The vehicle continued on center eb with speeds reaching approximately 80MPH. The vehicle then turned SB onto 32nd street. The vehicle turned EB onto Ed Creighton Ave, where Trooper Geer #231 had spike strips set up. The vehicle slowed for the stop sticks and avoided them, and then merged onto Interstate 480 SB. Due to the lower speeds and an additional Trooper I attempted a TVI. The vehicle veered into my unit and the first attempt was unsuccessful. The vehicle attempted to strike my unit on the drivers side, where I was able to swerve and avoid the collision. I then attempted the TVI one more time, on their drivers side rear, and the suspect suddenly slammed on his brakes and struck the passenger side of my unit.
