**Report on the Status of 2021-2023 Negotiations Between the  
Board of Trustees of the Nebraska State Colleges and  
the Nebraska State College Professional Association Employees**

April 22, 2021

The Nebraska State College Professional Association Employees (NSCPA) did not commence bargaining for the 2021-2023 biennium in a timely manner as required by law.

The Chancellor offered a two percent (2%) annual salary increase on July 1, 2021 and July 1, 2022 and NSCPA accepted the offer on December 21, 2020.

On July 1, 2021, employees will receive a 2% annual increase. On July 1, 2022, employees will receive a 2% annual increase. Over the biennium, the combined unit payroll increases cost is \$476,949.
