LB 380, introduced by the Speaker at the request of the Governor, is a part of the Governor’s biennial budget recommendations. This bill is the mainline appropriations bill for the biennium that begins July 1, 2021, and ends on June 30, 2023. This measure includes the budget recommendations for all State operations and aid programs. The bill includes the appropriate transfers from cash funds to the General Fund, as well as between specified cash funds. Finally, it provides the necessary definitions for the proper administration of appropriations and personal service limitations. This legislative bill contains the emergency clause and becomes operative on July 1, 2021.

Explanation of amendments:
The amendment becomes the bill. The amendment contains the Appropriations Committee’s recommendation for the bulk of appropriations to be made during the budget biennium for state operations and state aid. Statutorily authorized transfers among funds are made in conformance with budget requirements as are transfers from the General Fund.

Please refer to “State of Nebraska FY 2021-22 and FY 2022-23 Biennial Budget, As Proposed by the Appropriations Committee 107th Legislature, First Session” published April, 2021. Significant increases and reductions from the current
year are listed on page 37. A narrative description of highlights of the recommendation begins on page 39 for state aid, followed by operations beginning on page 53. Tabular data follows in additional sections, itemizing the recommendation by agency, aid program, and all fund sources. A narrative description of the recommendation by each state agency begins on page 98.

The committee amendment incorporates provisions of the following bills. For detail on their fiscal impact and the agency affected please refer to page 5 of the Biennial Budget report referenced above:
