This bill would adopt the Residential Tenant Clean Slate Act, and it becomes operative on January 1, 2022. The bill allows for the sealing of records relating to eviction proceedings. The State Court Administrator may adopt rules to carry out the provisions of the bill.

The Supreme Court estimates a one-time cost of \$25,000 to modify their case management system (JUSTICE). They show it as General Funds, but this fiscal note shows it as cash funds.

Historically, JUSTICE expenditures have come from the Court Automation Cash Fund. The Court stated that the balance has been decreasing so any expenditures that would historically come from the cash fund will now be shown as General Funds on the Court's fiscal note responses. The FY20 balance in the Court Automation Cash Fund was just under \$817,000, down from \$1.3 million in FY19.

The Court also notes an undetermined caseload impact.
