LB 131 would revise statute for local governments enacting ordinances of a general or permanent nature. Section 14-137 mandates ordinances of a general or permanent nature shall be read by title on three different days unless three-fourths of the city council vote to suspend this requirement, except that such requirement shall not be suspended for any ordinance for the annexation of territory or the redrawing of boundaries for city council election districts or wards. LB 131 would include, "or as otherwise provided by law". As this does not expand upon statute but merely incorporates existing statute, this would have no fiscal impact.
