LB24 increases the amounts of various court fees reserved for the Nebraska Retirement Fund for Judges as follows:

- Six dollars through June 30, 2021
- Eight dollars beginning July 1, 2021, through June 30, 2022
- Nine dollars beginning July 1, 2022, through June 30, 2023
- Ten dollars beginning July 1, 2023, through June 30, 2024
- Eleven dollars beginning July 1, 2024, through June 30, 2025
- Twelve dollars beginning July 1, 2025

The above fees will be remitted to the State Treasurer within ten days after the close of each calendar month for credit to the Nebraska Retirement Fund for Judges. Information regarding the collection of court fees will be submitted to the director in charge of the judges' retirement system by the State Court Administrator within ten days after the close of each calendar month.

Revenue from FY 2021-22 is recognized in FY 2022-23. The Nebraska Public Employees Retirements Systems (NPERS) feels that the increased court fees will have an impact on the Actuarial Required Contribution (ARC) for the Judges Retirement Plan.

COMMENTS: The Public Employees Retirement System assessment of no operational fiscal impact and indeterminate actuarial required contribution (ARC) General Fund fiscal impact from LB 24 appears reasonable. Actuarial analysis will be needed to determine the full fiscal impact.
