LB 842 amends the Civic and Community Center Financing Act.

Section 1 provides definitions for “Applicant” and “Tribal government” under the Act.

Section 2 allows tribal governments to make grant requests from the Civic and Community Center Financing Fund in amounts between \$15,000 and \$2,250,000 (the same range as provided for cities of the primary class). For grants of assistance for engineering and technical studies, if the fund balance reaches \$3,750,000 and until it falls below \$1,500,000, such requests may be made in an amount up to \$3,375,000. This is the same limitation as provided for cities of the primary class.

The State Treasurer administers the fund and estimates no fiscal impact. That estimate appears to be reasonable. The total amount of funds available for grants does not change under LB 842.

No fiscal impact.

LB 842 amends the Civic Community Center Financing Act to allow tribal governments to apply for grants with the Department of Economic Development. Tribal government means an officially recognized government of any Indian tribe, nation, or other organized group or community located in Nebraska that exercises self-government powers and recognized as eligible for services provided by the federal government to Indians because of their status as Indians or any Indian tribe located in Nebraska and recognized as an Indian tribe by Nebraska. It includes any economic development corporation owned by or chartered by a tribal government. The Department of Economic Development may conditionally approve grants to tribal governments subject to the same limits as cities of the primary class under Neb. Rev. Stat. § 13-2705. The requirement that municipalities use the grants within the extraterritorial zoning jurisdiction of the municipality does not apply to tribal governments.

It is estimated that this bill will have no impact on the General Fund revenues.

It is estimated that there will be no costs to DOR to implement this bill.

The operative date for this bill is three months after adjournment.
