LB934 would make the requirement to have plainly visible license plates and valid registration decals displayed secondary violations. Additionally, the violation of either requirement is changed from a Class III misdemeanor to a Class IV misdemeanor.

28-106 prescribes penalties for misdemeanors.

- A Class III misdemeanor has a maximum penalty of three months' imprisonment, or a \$500 fine, or both. There is no minimum.
- A class IV misdemeanor has a maximum penalty of a \$500 fine. There is no minimum.

Article VII, section 5 of the constitution requires the fines from this type of violation be remitted to counties to be appropriated to the Common Schools. An impact related to the change in misdemeanor classification is not determinable due to the inability to project: a) how many secondary violations related to visible license plates and valid registration decals would occur each year, and; b) the subsequent fine amount imposed.

The Supreme Court indicates a fiscal impact is absent.

The Lancaster Department of Corrections indicates a foreseeable fiscal impact is absent.

Douglas County Corrections, Kimball County, and Lincoln County were unable to provide fiscal notes in the allotted timeframe. However, a fiscal impact for these entities does not seem likely.
