3 and 72-258.03, Reissue Revised Statutes of Nebraska; to change
4 provisions relating to the sale of educational land; to provide
duties; to redefine a term; to harmonize provisions; and to repeal
5 the original sections.
6 Be it enacted by the people of the State of Nebraska,
Section 1. Section 72-257, Reissue Revised Statutes of Nebraska, is amended to read:

72-257 All lands, now owned or hereafter acquired by the state for educational purposes, may be sold at the expiration of the present leases if the purchaser intends to use the land for economic development. The Board of Educational Lands and Funds shall retain all mineral rights in the land sold. Prior to such sale, the appraised value of the land shall be determined based on the current use of the land. The land may be appraised for purposes of sale in the same manner as privately owned land by a certified general real property appraiser appointed by the board and thereafter shall be sold at public auction for sale at not less than the appraised value. When two or more contiguous tracts are under separate leases with different expiration dates, the board may, if it is deemed to be in the best interest of the state, defer the sale of any tract having an earlier lease expiration date and may offer the tract for lease for less than twelve years to coincide with the expiring lease of the contiguous tract, in order that the contiguous lands may eventually be offered for sale on the same date.

Sec. 2. Section 72-257.01, Reissue Revised Statutes of Nebraska, is amended to read:

72-257.01 The Board of Educational Lands and Funds shall review and set priorities for the sale of lands covered by leases expiring each year, giving the highest priority to those lands which it determines, considering all relevant factors, can be sold to the best advantage for purposes of economic development. Any leaseholder or other interested party may request that the land covered by any expiring lease be offered for sale. Such request may include instructions for dividing the land available to be sold, but such a division shall not result in any tract of less than forty acres being sold or remaining unsold, and the board shall give consideration to such request in deciding whether to offer such land for sale.
Sec. 3. Section 72-258, Reissue Revised Statutes of Nebraska, is amended to read:

72-258 (1) Educational land that is to be sold shall be offered for sale at public auction by a representative of the Board of Educational Lands and Funds and sold for at not less than the appraised value to the highest bidder that intends to use the land for economic development. Notice of such sale and the time and place where the same will be held shall be given by publication three consecutive weeks in some legal newspaper published in the county where the tracts of land or the lots are located or, in case no legal newspaper is published in the county, then in some legal newspaper of general circulation therein. The proof of such publication shall be made by the affidavit of the publisher or principal clerk of such newspaper or by some other person knowing about the same and shall be filed in the office of the board.

(2) When the land consists of an undivided interest in realty, an action to partition may be maintained in the same manner as provided by law for the partition of real property among several joint owners.

(3) All notices of sale shall be posted in the office of the board. The board may arrange for such commercial advertising of land sales as it deems in the best interest of the state.

(4) A lessee requesting that a tract of land be sold at public auction shall file an agreement with the board to pay the appraised value or a higher amount as a minimum opening bid for the land. Within sixty days after receipt by the board of the request, the board shall offer the tract of land for sale at public auction with a minimum opening bid equal to that amount stated in the accepted agreement for the minimum opening bid and shall notify the lessee requesting the auction of the board's determination prior to advertising the tract of land for sale. The auction shall be held within one hundred twenty days after the board accepts the agreement for a minimum opening bid.

(5) Any person or entity, other than such lessee, requesting that a
tract of land be sold at public auction shall file an agreement with the
board to pay the appraised value or a higher amount value as a minimum
opening bid for the land. Within sixty days after receipt by the board of
the request, the board shall determine whether or not to offer the tract
of land for sale at public auction with a minimum opening bid equal to
that amount stated in the accepted agreement for the minimum opening bid
and shall notify the person or entity requesting the auction of the
board's determination prior to advertising the tract of land for sale. If
the board determines to offer the tract of land for sale at public
auction, the auction shall be held within one hundred twenty days after
the board accepts the agreement for a minimum opening bid. If the board
determines not to offer the tract of land for sale, the offering price
and legal description of the tract of land shall be included in the
annual report to the Legislature.

(6) The sale shall be subject to confirmation by the board that the
requirements of this section have been met. Settlement shall be made by
paying cash of not less than twenty percent of the purchase price at the
time of sale, and the balance shall be payable in cash within ninety days
after the date of sale. If the person submitting the high bid for the
land fails to pay the balance of the purchase price and complete the sale
within ninety days, the person's his or her rights under the sale,
including the twenty percent downpayment, shall be forfeited by the board
and a new sale shall be authorized.

following conditions:

land within one year after the date of purchase; and
