5 carrying out the provisions of this legislative bill; and to repeal  
6 the original section.

7 Be it enacted by the people of the State of Nebraska,

1           Section 1. Sections 1 to 7 of this act shall be known and may be  
2 cited as the Teach in Nebraska Today Act.

3           Sec. 2. For purposes of the Teach in Nebraska Today Act:

4           (1) Certified educator means a person who has completed all the  
5 requirements for a teaching certificate in the State of Nebraska,  
6 including an initial, standard, or professional certificate;

7           (2) Department means the State Department of Education;

8           (3) Fiscal year means the fiscal year of the State of Nebraska;

9           (4) Program means the Teach in Nebraska Today Program created in  
10 section 3 of this act; and

11           (5) Teaching full-time means teaching at least four hours each day  
12 performing instructional duties as a full-time employee of a public or  
13 private school in this state.

14           Sec. 3. The Teach in Nebraska Today Program is created. The  
15 department shall administer the program. The purpose of the program is to  
16 attract to the teaching profession persons who have expressed an interest  
17 in teaching and to support the employment of those persons as classroom  
18 teachers by providing student loan repayment assistance for service as a  
19 classroom teacher in a public or private school in this state.

20           Sec. 4. (1) Student loan repayment assistance under the program  
21 shall be available only to a person who applies for the assistance and  
22 who:

23           (a) Is a certified educator who is currently teaching full-time or  
24 who has a contract to teach full-time at the preschool, primary, or  
25 secondary level in a public or private school in this state; and

26           (b) Has completed a baccalaureate degree and a teacher education  
27 program at an approved college or university.

28           (2) Applications for the program must be submitted no later than  
29 April 1, 2023, and no later than April 1 of each year thereafter, on a  
30 form developed by the department.

31           (3) The department, in awarding repayment assistance, shall give

1 priority to applicants who demonstrate financial need.

2 (4) If the money available for repayment assistance in a period for  
3 which assistance is awarded is insufficient to provide assistance to all  
4 eligible applicants described in subsection (1) of this section, the  
5 department shall establish priorities for awarding repayment assistance  
6 with renewal applications given first priority.

7 (5) A person shall not receive more than five thousand dollars per

12 under the program for the repayment of any student loan for education at  
13 any public or private institution of higher education which was received  
14 through any lender. If the loan is not a state or federal guaranteed  
15 student loan, the note or other writing governing the terms of the loan  
16 must require the loan proceeds to be used for expenses incurred by a  
17 person to attend a public or private institution of higher education.

18 (2) The department shall not provide repayment assistance for a  
19 student loan that is in default at the time of the person's application.  
20 For purposes of this subsection, a loan is considered in default if it  
21 has been reduced to judgment.

22 Sec. 6. (1) Student loan repayment assistance under the program is  
23 to be paid:

24 (a) Directly to the entity that holds the outstanding balance of the  
25 student loan; or

30 Sec. 7. The department may adopt and promulgate rules and  
31 regulations to carry out the Teach in Nebraska Today Act.

1           Sec. 8. Section 77-2716, Revised Statutes Supplement, 2021, is  
2 amended to read:

3           77-2716 (1) The following adjustments to federal adjusted gross  
4 income or, for corporations and fiduciaries, federal taxable income shall  
5 be made for interest or dividends received:

7 the owner of obligations of the United States and its territories and  
8 possessions or of any authority, commission, or instrumentality of the

22 of obligations of the District of Columbia, other states of the United  
23 States, or their political subdivisions, authorities, commissions, or  
24 instrumentalities to the extent excluded in the computation of gross  
25 income for federal income tax purposes except that such interest or  
26 dividends shall not be added if received by a corporation which is a  
27 regulated investment company;

28           (d) There shall be added that portion of the total dividends and  
29 other income received from a regulated investment company which is  
30 attributable to obligations described in subdivision (c) of this  
31 subsection and excluded for federal income tax purposes as reported to

1 the recipient by the regulated investment company; and

2 (e)(i) Any amount subtracted under this subsection shall be reduced  
3 by any interest on indebtedness incurred to carry the obligations or  
4 securities described in this subsection or the investment in the  
5 regulated investment company and by any expenses incurred in the  
6 production of interest or dividend income described in this subsection to  
7 the extent that such expenses, including amortizable bond premiums, are  
8 deductible in determining federal taxable income.

9 (ii) Any amount added under this subsection shall be reduced by any  
10 expenses incurred in the production of such income to the extent  
11 disallowed in the computation of federal taxable income.

12 (2) There shall be allowed a net operating loss derived from or  
13 connected with Nebraska sources computed under rules and regulations  
14 adopted and promulgated by the Tax Commissioner consistent, to the extent  
15 possible under the Nebraska Revenue Act of 1967, with the laws of the  
16 United States. For a resident individual, estate, or trust, the net  
17 operating loss computed on the federal income tax return shall be  
18 adjusted by the modifications contained in this section. For a  
19 nonresident individual, estate, or trust or for a partial-year resident  
20 individual, the net operating loss computed on the federal return shall  
21 be adjusted by the modifications contained in this section and any  
22 carryovers or carrybacks shall be limited to the portion of the loss  
23 derived from or connected with Nebraska sources.

24 (3) There shall be subtracted from federal adjusted gross income for  
25 all taxable years beginning on or after January 1, 1987, the amount of  
26 any state income tax refund to the extent such refund was deducted under  
27 the Internal Revenue Code, was not allowed in the computation of the tax  
28 due under the Nebraska Revenue Act of 1967, and is included in federal  
29 adjusted gross income.

30 (4) Federal adjusted gross income, or, for a fiduciary, federal  
31 taxable income shall be modified to exclude the portion of the income or

14 rate for corporations. The taxpayer may make the computation for each  
15 foreign country or for groups of foreign countries. The portion of the  
16 taxes that may be deducted shall be computed in the following manner:

17 (a) The amount of federal taxable income from operations within a  
18 foreign taxing jurisdiction shall be reduced by the amount of taxes  
19 actually paid to the foreign jurisdiction that are not deductible solely  
20 because the foreign tax credit was elected on the federal income tax  
21 return;

22 (b) The amount of after-tax income shall be divided by one minus the  
23 maximum tax rate for corporations in the Internal Revenue Code; and

24 (c) The result of the calculation in subdivision (b) of this  
25 subsection shall be subtracted from the amount of federal taxable income  
26 used in subdivision (a) of this subsection. The result of such  
27 calculation, if greater than zero, shall be subtracted from federal  
28 taxable income.

29 (7) Federal adjusted gross income shall be modified to exclude any  
30 amount repaid by the taxpayer for which a reduction in federal tax is  
31 allowed under section 1341(a)(5) of the Internal Revenue Code.

1           (8)(a) Federal adjusted gross income or, for corporations and

12 experience program made for the benefit of a beneficiary as provided in  
13 sections 77-1401 to 77-1409, to the extent not deducted for federal  
14 income tax purposes, but not to exceed five thousand dollars per married  
15 filing separate return or ten thousand dollars for any other return. With  
16 respect to a qualified rollover within the meaning of section 529 of the  
17 Internal Revenue Code from another state's plan, any interest, earnings,  
18 and state contributions received from the other state's educational  
19 savings plan which is qualified under section 529 of the code shall  
20 qualify for the reduction provided in this subdivision. For contributions  
21 by a custodian of a custodial account including rollovers from another  
22 custodial account, the reduction shall only apply to funds added to the  
23 custodial account after January 1, 2014.

24           (c) For taxable years beginning or deemed to begin on or after  
25 January 1, 2021, under the Internal Revenue Code of 1986, as amended,

27 the adjusted gross income of an individual, by the amount of any  
28 contribution made by the individual's employer into an account under the  
29 Nebraska educational savings plan trust owned by the individual, not to  
30 exceed five thousand dollars per married filing separate return or ten  
31 thousand dollars for any other return.

1 (d) Federal adjusted gross income or, for corporations and  
2 fiduciaries, federal taxable income shall be increased by:

3 (i) The amount resulting from the cancellation of a participation  
4 agreement refunded to the taxpayer as a participant in the Nebraska

11 (9)(a) For income tax returns filed after September 10, 2001, for  
12 taxable years beginning or deemed to begin before January 1, 2006, under  
13 the Internal Revenue Code of 1986, as amended, federal adjusted gross

27 their income tax liabilities.

28 (c) For a corporation with a unitary business having activity both  
29 inside and outside the state, the increase shall be apportioned to  
30 Nebraska in the same manner as income is apportioned to the state by
