LB461 simply adds casinos to the places required to display human trafficking informational posters.

Current statute stipulates that the Department of Labor shall work with the human trafficking task force to develop or select informational posters for placement around the state. The posters shall include a toll-free telephone number a person may call for assistance, preferably the National Human Trafficking Resource Center Hotline (888)373-7888. Posters shall be placed in rest stops, and strip clubs. Under LB461, casinos would be among the places required to display these posters.
