

**One Hundred Seventh Legislature - First Session - 2021**

**Introducer's Statement of Intent**

**LB75**

---

**Chairperson: Senator Tom Briese**

**Committee: General Affairs**

**Date of Hearing: January 25, 2021**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

When county voters approve discontinuing a township form of government and the township has a library, LB75 would require the county board to hold a hearing within one year to determine whether the township library will be disposed of, merge with another library, or continue operation. The county board would be allowed to levy within the boundaries of the township to continue funding the library. No later than 60 days following the hearing, the county board is to adopt a resolution stating the disposition of the library.
