(2) The Department of Motor Vehicles, with the assistance of the

renewal motor vehicle operator's license, an original or renewal state
identification card, or a replacement thereof. The voter registration
application shall contain the information required pursuant to section

of information in the application for the motor vehicle operator's
license or state identification card, except that it may require a second
signature of the applicant. The department and the Secretary of State
shall make the voter registration application available to any person
applying for an operator's license or state identification card. The
application shall be completed at the office of the department by the
close of business on the third Friday preceding any election to be

which the applicant resides not later than ten days after receipt, except

five days prior to the third Friday preceding any election, it shall be
transmitted not later than five days after its original submission. Any
information on whether an applicant registers or declines to register and
the location of the office at which he or she registers shall be
confidential and shall only be used for voter registration purposes.

(5) For each voter registration application for which information is

of the applicant, the party affiliation of the applicant or an indication

(2) The election commissioner or county clerk may choose not to mail a ballot to all registered voters who have been sent a notice pursuant to section 32-329 and failed to respond to the notice. If the election commissioner or county clerk chooses not to mail a ballot to such voters, he or she shall mail a notice to all such registered voters explaining how to obtain a ballot and stating the applicable deadlines.

(3) This section does not apply to any voter who casts a ballot pursuant to section 32-939.02 or 32-939.03.

Sec. 17. Section 32-957, Reissue Revised Statutes of Nebraska, is amended to read:

32-957 (1) An official ballot under section 32-953 shall be counted only if it is returned in the identification envelope, the envelope is signed by the voter to whom it was issued, and the signature is verified by the election commissioner or county clerk, and the voter provided the voter's driver's license number or state identification card number on the envelope or provided a photocopy of valid photographic identification or a reasonable impediment certification inside the envelope.
The election commissioner or county clerk shall verify the signature on each identification envelope received in his or her office with the signature appearing on the voter registration records. If the election commissioner or county clerk is unable to verify a signature, the election commissioner or county clerk shall contact the voter within two days after determining that he or she is unable to verify the signature to ascertain whether the voter cast a ballot. The election commissioner or county clerk may request that the registered voter sign and submit a current signature card pursuant to section 32-318. The election commissioner or county clerk may begin verifying the signatures as the envelopes are received in his or her office.

If a voter fails to provide the voter's driver's license number or state identification card number, valid photographic identification, or a reasonable impediment certification as required under subsection (1) of this section, the election commissioner or county clerk shall contact the voter no later than the day after the election and the voter shall present valid photographic identification or a reasonable impediment certification to the election commissioner or county clerk on or before the Tuesday after the election or the ballot shall not be counted.

If the election commissioner or county clerk determines that a voter has voted more than once, no ballot cast by that voter in that election shall be counted. The election commissioner or county clerk shall make public any record or list of registered voters who have returned their ballots.

Subsections (1) and (3) of this section do not apply to any voter who casts a ballot pursuant to section 32-939.02 or 32-939.03.

Sec. 18. (1) As the ballots are removed from the ballot box pursuant to sections 32-1012 to 32-1018, the receiving board shall separate the provisional voter identification verification envelopes from the rest of the ballots and deliver them to the election commissioner or county clerk.
(2) Upon receipt of a provisional voter identification verification envelope, the election commissioner or county clerk shall verify that the certificate on the front of the envelope or the form attached to the envelope is in proper form and that the certification has been signed by the voter.

(3) The election commissioner or county clerk shall also verify that such person has not voted anywhere else in the county or been issued a ballot for early voting.

(4) A ballot cast by a voter pursuant to section 10 of this act shall be counted if the voter completed and signed the certification on the provisional voter identification verification envelope and the voter:

   (a) Presented valid photographic identification to the election commissioner or county clerk on or before the Tuesday after the election; or

   (b) Has a reasonable impediment preventing the voter from presenting valid photographic identification, the voter completes a reasonable impediment certification, and the election commissioner or county clerk verifies the signature on the reasonable impediment certification with the signature appearing on the voter registration record.

(5) A ballot cast by a voter pursuant to section 10 of this act shall not be counted if:

   (a) The voter failed to complete and sign the certification on the provisional voter identification verification envelope pursuant to subsection (2) of section 10 of this act;

   (b) The voter failed to present valid photographic identification to the election commissioner or county clerk on or before the Tuesday after the election; or

   (c) The voter has a reasonable impediment preventing the voter from presenting valid photographic identification and:

       (i) The voter did not complete a reasonable impediment certification; or
(ii) The election commissioner or county clerk was not able to verify the signature on the reasonable impediment certification with the signature appearing on the voter registration record.

(6) Upon determining that the voter's ballot is eligible to be counted, the election commissioner or county clerk shall remove the ballot from the provisional voter identification verification envelope without exposing the marks on the ballot and shall place the ballot with the ballots to be counted by the county canvassing board.

(7) The election commissioner or county clerk shall notify the system administrator of the free access system created pursuant to section 32-202 as to whether the ballot was counted and, if not, the reason the ballot was not counted.

(8) The verification shall be completed within seven business days after the election.

Sec. 19. Section 32-1027, Revised Statutes Cumulative Supplement, 2022, is amended to read:

32-1027 (1) The election commissioner or county clerk shall appoint two or more registered voters to the counting board for early voting. One registered voter shall be appointed from the political party casting the highest number of votes for Governor or for President of the United States in the county in the immediately preceding general election, and one registered voter shall be appointed from the political party casting the next highest vote for such office. The election commissioner or county clerk may appoint additional registered voters to serve on the counting board and may appoint registered voters to serve in case of a vacancy among any of the members of the counting board. Such appointees shall be balanced between the political parties and may include registered voters unaffiliated with any political party. The counting board may begin carrying out its duties not earlier than the second Friday before the election and shall meet as directed by the election commissioner or county clerk.
(2) The counting board shall place all identification envelopes in order and shall review each returned identification envelope pursuant to verification procedures prescribed in subsections (3) and (4) of this section.

(3) In its review, the counting board shall determine if:

(a) The voter has provided his or her name, residence address, and signature on the voter identification envelope;

(b) The ballot has been received from the voter who requested it and the residence address is the same address provided on the voter's request for a ballot for early voting, by comparing the information provided on the identification envelope with information recorded in the record of early voters or the voter's request;

(c) A completed and signed registration application has been received from the voter by the deadline in section 32-302, 32-321, or 32-325 or by the close of the polls pursuant to section 32-945;

(d) An identification document has been received from the voter not later than the close of the polls on election day if required pursuant to section 32-318.01; and

(e) A completed and signed registration application and oath has been received from the voter by the close of the polls on election day if required pursuant to section 32-946.

(4) On the basis of its review, the counting board shall determine whether the ballot shall be counted or rejected as follows:

(a) A ballot received from a voter who was properly registered on or prior to the deadline for registration pursuant to section 32-302 or 32-321 shall be accepted for counting without further review if:

(i) The name on the identification envelope appears to be that of a registered voter to whom a ballot for early voting has been issued or sent;

(ii) The residence address provided on the identification envelope is the same residence address at which the voter is registered or is in
the same precinct and subdivision of a precinct, if any; and

(iii) The identification envelope has been signed by the voter;

(b) In the case of a ballot received from a voter who was not properly registered prior to the deadline for registration pursuant to section 32-302 or 32-321, the ballot shall be accepted for counting if:

(i) A valid registration application completed and signed by the voter has been received by the election commissioner or county clerk prior to the close of the polls on election day;

(ii) The name on the identification envelope appears to be that of the person who requested the ballot;

(iii) The residence address provided on the identification envelope and on the registration application is the same as the residence address as provided on the voter's request for a ballot for early voting; and

(iv) The identification envelope has been signed by the voter;

(c) In the case of a ballot received from a voter without a residence address who requested a ballot pursuant to section 32-946, the ballot shall be accepted for counting if:

(i) The name on the identification envelope appears to be that of a registered voter to whom a ballot has been sent;

(ii) A valid registration application completed and signed by the voter, for whom the residence address is deemed to be the address of the office of the election commissioner or county clerk pursuant to section 32-946, has been received by the election commissioner or county clerk prior to the close of the polls on election day;

(iii) The oath required pursuant to section 32-946 has been completed and signed by the voter and received by the election commissioner or county clerk by the close of the polls on election day; and

(iv) The identification envelope has been signed by the voter; and

(d) In the case of a ballot received from a registered voter required to present identification before voting pursuant to section
32-318.01, the ballot shall be accepted for counting if:

(i) The name on the identification envelope appears to be that of a registered voter to whom a ballot has been issued or sent;

(ii) The residence address provided on the identification envelope is the same address at which the voter is registered or is in the same precinct and subdivision of a precinct, if any;

(iii) A copy of an identification document authorized in section 32-318.01 has been received by the election commissioner or county clerk prior to the close of the polls on election day; and

(iv) The identification envelope has been signed by the voter; and

(iii) The residence address provided on the identification envelope is the same address at which the voter is registered or is in the same precinct and subdivision of a precinct, if any; and

(iv) The identification envelope has been signed by the voter.

(5) In opening the identification envelope or the return envelope to determine if registration applications, oaths, or identification documents have been enclosed by the voters from whom they are required, the counting board shall make a good faith effort to ensure that the ballot remains folded and that the secrecy of the vote is preserved.

(6) The counting board may, on the second Friday before the election, open all identification envelopes which are approved, and if the signature of the election commissioner or county clerk or his or her employee is on the ballot, the ballot shall be unfolded, flattened for purposes of using the optical scanner, and placed in a sealed container.
for counting as directed by the election commissioner or county clerk. At
the discretion of the election commissioner or county clerk, the counting
board may begin counting early ballots no earlier than twenty-four hours
prior to the opening of the polls on the day of the election.

(7) If an identification envelope is rejected, the counting board
shall not open the identification envelope. The counting board shall
write Rejected on the identification envelope and the reason for the
rejection. If the ballot is rejected after opening the identification
envelope because of the absence of the official signature on the ballot,
the ballot shall be reinserted in the identification envelope which shall
be resealed and marked Rejected, no official signature. The counting
board shall place the rejected identification envelopes and ballots in a
container labeled Rejected Ballots and seal it.

(8) As soon as all ballots have been placed in the sealed container
and rejected identification envelopes or ballots have been sealed in the
Rejected Ballots container, the counting board shall count the ballots
the same as all other ballots and an unofficial count shall be reported
to the election commissioner or county clerk. No results shall be
released prior to the closing of the polls on election day.

regulations of the department, a certified copy of the record of any
birth, death, marriage, annulment, or dissolution of marriage or an
abstract of marriage. The department shall supply a copy of a public
vital record for viewing purposes at its office upon an application
signed by the applicant and upon proof of the identity of the applicant.
The application may include the name, address, and telephone number of
the applicant, purpose for viewing each record, and other information as
may be prescribed by the department by rules and regulations to protect
the integrity of vital records and prevent their fraudulent use. Except
as provided in subsections (2), (3), (5), (6), and (7), and (9) of this
section, the department shall be entitled to charge and collect in
advance a fee of sixteen dollars to be paid by the applicant for each
certified copy or abstract of marriage supplied to the applicant or for
any search made at the applicant's request for access to or a certified
copy of any record or abstract of marriage, whether or not the record or
abstract is found on file with the department.

(2) The department shall, free of charge, search for and furnish a
certified copy of any record or abstract of marriage on file with the
department upon the request of (a) the United States Department of
Veterans Affairs or any lawful service organization empowered to
represent veterans if the copy of the record or abstract of marriage is
to be issued, for the welfare of any member or veteran of the armed
forces of the United States or in the interests of any member of his or
her family, in connection with a claim growing out of service in the
armed forces of the nation or (b) the Military Department.

(3) The department may, free of charge, search for and furnish a
certified copy of any record or abstract of marriage on file with the

for the claimant of old age, survivors, or disability benefits under the
federal Social Security Act to pay the fee provided in this section.
(4) A strict account shall be kept of all funds received by the
department. Funds received pursuant to subsections (1), (5), (6), and (8)
of this section shall be remitted to the State Treasurer for credit to
the Health and Human Services Cash Fund. Money credited to the fund
pursuant to this section shall be used for the purpose of administering
the laws relating to vital statistics and may be used to create a petty

found, the department shall provide a noncertified copy. The department
shall charge a fee for each search or copy sufficient to cover its actual
direct costs, except that the fee shall not exceed three dollars per
individual search or copy requested.

(6) The department may permit use of data from vital records for
statistical or research purposes under section 71-602 or disclose data
from certificates or records to federal, state, county, or municipal
agencies of government for use in administration of their official duties
and charge and collect a fee that will recover the department's cost of
production of the data. The department may provide access to public vital
records for viewing purposes by electronic means, if available, under
security provisions which shall assure the integrity and security of the
records and database and shall charge and collect a fee that shall
recover the department's costs.

(7) In addition to the fees charged under subsection (1) of this
section, the department shall charge and collect an additional fee of one
dollar for any certified copy of the record of any birth or for any search made at the applicant's request for access to or a certified copy of any such record, whether or not the record is found on file with the department. Any county containing a city of the metropolitan class which has an established city-county or county health department pursuant to sections 71-1626 to 71-1636 which has an established system of registering births and deaths shall charge and collect in advance a fee of one dollar for any certified copy of the record of any birth or for any search made at the applicant's request for such record, whether or not the record is found on file with the county. All fees collected under this subsection shall be remitted to the State Treasurer for credit to the Nebraska Child Abuse Prevention Fund.

(8) The department shall not charge other state agencies the fees authorized under subsections (1) and (7) of this section for automated review of any certificates or abstracts of marriage.
