												Pertaining to this situation, the district does not have enough access to special education staff. We are currently experiencing a significant shortage in both special education staff in district, as well as the ability to find qualified applicants in the same field. This is limiting our ability to accept option students with special needs. Additionally, adding out of district students is resulting in a

We meet every 2-3 weeks from March 15th until the end of the first semester trying to place students who are on a waitlist trying to get into a full school/grade level. These students are not officially "denied" until the end of the first semester. It could literally be November and we might call a family with a spot at their desired school.
