Re: *Nebraska Energy Statistics*

The Nebraska Department of Environment and Energy is pleased to provide the website address for the statistical handbook entitled *Nebraska Energy Statistics*. The statistical handbook represents the collection, compilation, and analysis of energy statistics and information as required under Neb. Rev. Stat. §81-1606. The statistical handbook is available at <https://neo.ne.gov/programs/stats/stats.html>.

If you have any questions, please contact Doris Jansky, Statistical Analyst, at 402-471-3538 or doris.jansky@nebraska.gov.
