Subject: State Alzheimer's Plan

Dear Governor Pillen and Mr. Metzler:

As Chair of the Alzheimer's Disease and Other Dementia Advisory Council, I am providing this update on the status of the State Alzheimer's Plan.

Since our first meeting in December 2023, members of the Council have met monthly to create a comprehensive State Alzheimer's Plan by December 31, 2024. Work on the final details of the findings and recommendations is nearing completion; the Plan will be ready for submission to the Legislature and Governor in the first quarter of 2025.

Once the Plan is complete, the Council will begin addressing the findings and recommendations in support of individuals with dementia and their families.

Respectfully,
