**Summary of purpose and/or changes:**

Amends section 28-431; property seized without warrant, subject to forfeitures, disposition. This section prescribes the procedure for the administration and disposition of property related to the manufacture, possession, or transportation of controlled substances, including conveyances such as aircraft, vehicles, or vessels. Subsection (7) of the section provides following the adjudication of a seizure, when such property is disposed of, the county clerk shall issue title to a purchaser, if a title is required for the transfer of property. The bill changes the issuing officer of a title from the county clerk to the county treasurer.
