Summary of purpose and/or changes:

LB 29 rewords the definition within Neb. Rev. Stats. §§ 77-1301, 77-1307, 77-1308, and 77-1309, and 77-1725.01 to define "damaged" property, and eliminates "destroyed" property as a definition, and eliminates a requirement under the above statutes for a "calamity" being required, and simplifies the language for the county assessor's requirements under the statute.

Explanation of amendments:

AM 130 to LB 29 adds the line "and shall include all reports filed under this section by property owners" to this section to clarify that all property owners' reports are to be included in reporting under the section.
