Any Fiscal Notes received from state agencies and political subdivisions are attached following the Legislative Fiscal Analyst Estimate.

LB 11 would change the tax on each package of cigarettes containing not more than 20 cigarettes to \$2.14 from the current \$0.64 per package. \$1.00 of the tax increase would be placed in the Property Tax Credit Cash Fund and the other \$0.50 of the tax increase would be placed into the Medicaid Waiver Cash Fund by the State Treasurer beginning October 1, 2024 and every fiscal year thereafter.

The bill also creates the mentioned Medicaid Waiver Cash Fund. The Department of Health and Human Services (DHHS) would administer the fund and would use the fund to pay the state portion of the costs of services provided through Medicaid waivers. The Department of Revenue (DOR) estimated the following fiscal impact

There is estimated to be a revenue gain to the State Highway Capital Improvement Fund and to the Highway Allocation Fund, which is distributed to cities and counties. Revenue to the General Fund is due to the increase in sales tax collected on cigarettes.

LB 11 would not go into effect until after October 1, 2024. Due to a one month lag the estimated revenue impact of FY25 reflects 8 months of a fiscal year:

Fiscal Year	General Fund Revenues	Property Tax Credit Cash Fund	Medicaid Waiver Cash Fund	State Highway Capital Improvement Fund	Highway Allocation Fund (Cities and Counties)
FY2024-25	\$ 2,913,000	\$ 36,306,000	\$ 18,153,000	\$ 103,000	\$ 18,000
FY2025-26	\$ 4,221,000	\$ 52,611,000	\$ 26,306,000	\$ 171,000	\$ 30,000
FY2025-27	\$ 4,083,000	\$ 50,888,000	\$ 25,444,000	\$ 165,000	\$ 29,000

DOR estimates minimal costs to implement the bill whereas DHHS indicated potentially need of additional staffing depending on the intended use and requirements of administering the created fund. There is no basis to disagree with these estimates.

LB 11 increases the cigarette tax for packs of 20 to \$2.14. Beginning October 1, 2024, \$1 of the tax is allocated to the Property Tax Credit Cash Fund. Beginning October 1, 2024, .50 cents of the tax are allocated to the Medicaid Waiver Cash Fund.

LB 11 creates the Medicaid Waiver Cash Fund. The Department of Health and Human Services will administer the fund and shall use the fund to pay the state portion of the costs of services provided through Medicaid waivers.

It is estimated that LB 11 will have the following impact:

Fiscal Year	General Fund	Property Tax Credit Cash Fund	Medicaid Waiver Cash Fund	Highway Trust Fund	Highway Allocation Fund	
FY2024-25	\$2,913,000	\$36,306,000	\$18,153,000	\$103,000	\$18,000

FY2026-27	\$4,083,000	\$50,888,000	\$25,444,000	\$165,000	\$29,000	

It is estimated that there will be minimal costs to the Department of Revenue to implement this bill.
