LB136 changes provisions relating to the Motor Vehicle Certificate of Title Act, the Motor Vehicle Registration Act, and the Motor Vehicle Operator's License Act. LB136 allows ATV/UTV owners to file for certificates of title in any Nebraska county, not just the county of residence. This bill allows owners to obtain title to a vehicle with a U.S. Government Certificate to Obtain Title, without an identification inspection. LB136 allows individuals to check the National Motor Vehicle Title Information System or the Nebraska Crime Information Service when conducting an identification inspection of a vehicle, in addition to the required check of the National Crime Information Center database. This bill alters salvaged branded titles required disclosure from the term "damaged" to "branded" to allow all brands placed on an out-of-state title is carried forward to a Nebraska Certificate of Title. LB136 adds violations of the International Registration Plan Act to the list of reasons the Director of the DMV may suspend, revoke, cancel, or refuse to issue or renew a registration certificate. Finally, LB136 changes the length of validity time of the seasonal period for restricted commercial driver's licenses from 180 days to 210 days, and adjusts expired language.

There is no fiscal impact.
