LB 302 amends portions of the Nebraska Political Accountability and Disclosure Act requiring any public employee who would be required to take any action or make any decision in the discharge of his or her official duties that may cause financial benefit or detriment to him or her, a member of his or her immediate family, or a business with which he or she is associated, to file such information as prescribed by the Nebraska Accountability and Disclosure Commission.

The Accountability and Disclosure Commission previously estimated the cost to modify and reprint reporting forms and to notify and educate those subject to the amended provisions to be \$1,200. The Agency’s revised response indicates no fiscal impact. There is no basis to disagree with this estimate.
