LB 399, as amended, requires any proposed electric generation facility that has a generating capacity greater than 10 megawatts, to have at least one public meeting in the counties the proposed facility will be located. At least 50% of the electric supplier's governing body shall attend either in person or by videoconference. Additionally, real property owners in any of the affected counties shall have the opportunity to comment on the proposed facility.

No fiscal impact.

Please complete ALL (5) blanks in the first three lines.
