LB 607, as amended, removes language setting a cap of nine hundred fifty-five thousand dollars (\$955,000) for grants awarded by the Public Service Commission (PSC) to a 211 Information and Referral Network. Grants are funded from earnings on the Universal Service Fund. The current appropriation to the PSC for such grants is \$1,275,000. The provisions of LB 607 harmonize the Legislature's appropriation with statutory language.

No fiscal impact.
