**Explanation of Estimate:**

LB851 would amend portions of Section 81-1210.02 to increase the number of full-time equivalent employees a business employs to be eligible for a grant to assist in providing a student an internship from 50 and 150. In addition, the bill strikes the provision that a business may allow students to telecommute, but only if the business is located more than 30 miles from the intern’s institution. This removes statutory restrictions on telecommuting distances.

The provisions of LB851 will not alter the resources necessary to administer the internship program.
