4 income or, for corporations and fiduciaries, federal taxable income shall  
5 be made for interest or dividends received:

6 (a)(i) There shall be subtracted interest or dividends received by  
7 the owner of obligations of the United States and its territories and  
8 possessions or of any authority, commission, or instrumentality of the  
9 United States to the extent includable in gross income for federal income

14 authorities which are Build America Bonds to the extent includable in  
15 gross income for federal income tax purposes;

16 (b) There shall be subtracted that portion of the total dividends

19 subsection as reported to the recipient by the regulated investment  
20 company;

21 (c) There shall be added interest or dividends received by the owner  
22 of obligations of the District of Columbia, other states of the United  
23 States, or their political subdivisions, authorities, commissions, or  
24 instrumentalities to the extent excluded in the computation of gross  
25 income for federal income tax purposes except that such interest or  
26 dividends shall not be added if received by a corporation which is a  
27 regulated investment company;

28 (d) There shall be added that portion of the total dividends and  
29 other income received from a regulated investment company which is  
30 attributable to obligations described in subdivision (c) of this  
31 subsection and excluded for federal income tax purposes as reported to

1 the recipient by the regulated investment company; and

2 (e)(i) Any amount subtracted under this subsection shall be reduced  
3 by any interest on indebtedness incurred to carry the obligations or  
4 securities described in this subsection or the investment in the  
5 regulated investment company and by any expenses incurred in the  
6 production of interest or dividend income described in this subsection to  
7 the extent that such expenses, including amortizable bond premiums, are  
8 deductible in determining federal taxable income.

9 (ii) Any amount added under this subsection shall be reduced by any  
10 expenses incurred in the production of such income to the extent  
11 disallowed in the computation of federal taxable income.

12 (2) There shall be allowed a net operating loss derived from or  
13 connected with Nebraska sources computed under rules and regulations  
14 adopted and promulgated by the Tax Commissioner consistent, to the extent  
15 possible under the Nebraska Revenue Act of 1967, with the laws of the  
16 United States. For a resident individual, estate, or trust, the net  
17 operating loss computed on the federal income tax return shall be  
18 adjusted by the modifications contained in this section. For a  
19 nonresident individual, estate, or trust or for a partial-year resident  
20 individual, the net operating loss computed on the federal return shall  
21 be adjusted by the modifications contained in this section and any  
22 carryovers or carrybacks shall be limited to the portion of the loss  
23 derived from or connected with Nebraska sources.

24 (3) There shall be subtracted from federal adjusted gross income for  
25 all taxable years beginning on or after January 1, 1987, the amount of  
26 any state income tax refund to the extent such refund was deducted under  
27 the Internal Revenue Code, was not allowed in the computation of the tax  
28 due under the Nebraska Revenue Act of 1967, and is included in federal  
29 adjusted gross income.

30 (4) Federal adjusted gross income, or, for a fiduciary, federal  
31 taxable income shall be modified to exclude the portion of the income or

2 effect under subchapter S of the Internal Revenue Code or from a limited  
3 liability company organized pursuant to the Nebraska Uniform Limited  
4 Liability Company Act that is not derived from or connected with Nebraska  
5 sources as determined in section 77-2734.01.

14 rate for corporations. The taxpayer may make the computation for each  
15 foreign country or for groups of foreign countries. The portion of the  
16 taxes that may be deducted shall be computed in the following manner:

17 (a) The amount of federal taxable income from operations within a  
18 foreign taxing jurisdiction shall be reduced by the amount of taxes  
19 actually paid to the foreign jurisdiction that are not deductible solely  
20 because the foreign tax credit was elected on the federal income tax  
21 return;

22 (b) The amount of after-tax income shall be divided by one minus the  
23 maximum tax rate for corporations in the Internal Revenue Code; and

24 (c) The result of the calculation in subdivision (b) of this  
25 subsection shall be subtracted from the amount of federal taxable income  
26 used in subdivision (a) of this subsection. The result of such  
27 calculation, if greater than zero, shall be subtracted from federal  
28 taxable income.

15 filing separate return or ten thousand dollars for any other return. With  
16 respect to a qualified rollover within the meaning of section 529 of the  
17 Internal Revenue Code from another state's plan, any interest, earnings,  
18 and state contributions received from the other state's educational  
19 savings plan which is qualified under section 529 of the code shall  
20 qualify for the reduction provided in this subdivision. For contributions  
21 by a custodian of a custodial account including rollovers from another  
22 custodial account, the reduction shall only apply to funds added to the  
23 custodial account after January 1, 2014.

24           (c) For taxable years beginning or deemed to begin on or after

27 the adjusted gross income of an individual, by the amount of any  
28 contribution made by the individual's employer into an account under the  
29 Nebraska educational savings plan trust owned by the individual, not to  
30 exceed five thousand dollars per married filing separate return or ten  
31 thousand dollars for any other return.

1 (d) Federal adjusted gross income or, for corporations and  
2 fiduciaries, federal taxable income shall be increased by:

14 income or, for corporations and fiduciaries, federal taxable income shall  
15 be increased by eighty-five percent of any amount of any federal bonus  
16 depreciation received under the federal Job Creation and Worker  
17 Assistance Act of 2002 or the federal Jobs and Growth Tax Act of 2003,

27 their income tax liabilities.
