8 Be it enacted by the people of the State of Nebraska,
Section 1. Sections 1 to 6 of this act shall be known and may be cited as the Nebraska Heartbeat Act.

Sec. 2. The Nebraska Heartbeat Act shall only apply to intrauterine pregnancies.

Sec. 3. For purposes of the Nebraska Heartbeat Act:

(3)(a) Medical emergency means any condition which, in reasonable medical judgment, so complicates the medical condition of the pregnant woman as to necessitate the termination of her pregnancy to avert her death or for which a delay in terminating her pregnancy will create a serious risk of substantial and irreversible physical impairment of a major bodily function.

(b) No condition shall be deemed a medical emergency if based on a claim or diagnosis that the woman will engage in conduct which would
result in her death or in substantial and irreversible physical
impairment of a major bodily function;

(4) Pregnant means the condition of having a living unborn child
inside one's body;

(5) Reasonable medical judgment means a medical judgment that could
be made by a reasonably prudent physician, knowledgeable about the case
and the treatment possibilities with respect to the medical conditions
involved; and

(6) Unborn child means an individual living member of the species
homo sapiens, throughout the embryonic and fetal stages of development to
full gestation and childbirth.

Sec. 4. (1) Any physician, before performing or inducing an
abortion, shall first:

child;

(ii) The method used to test for a fetal heartbeat; and

(iii) The date, time, and results of such estimate and test.

(2) Notwithstanding any provision of law in conflict with the
Nebraska Heartbeat Act, it shall be unlawful for any physician to perform
or induce an abortion:

(a) Before fulfilling the requirements of subsection (1) of this
section; or

The physician shall keep the written certification in the woman's medical record.

(2) If the physician performs or induces an abortion in the case of sexual assault or incest pursuant to subdivision (3)(b) or (c) of section 4 of this act, the physician shall certify in writing that the abortion was performed because of sexual assault or incest and that the physician complied with all the duties of a health care provider required by section 28-902 that are applicable to that case.
