

ONE HUNDRED EIGHTH LEGISLATURE

SECOND SESSION

LEGISLATIVE RESOLUTION 303

Introduced by Murman, 38.

PURPOSE: The purpose of this resolution is to propose an interim study to study the viability of adopting the Classical Learning Test as an option for meeting admissions requirements at the University of Nebraska and the Nebraska state colleges. The adoption of the Classical Learning Test as an admissions test option would not replace the ACT or any other standard college admission test used by the University of Nebraska or the Nebraska state colleges for admissions, but would allow applicants the option to submit the results of the Classical Learning Test instead of or in addition to other accepted tests. In order to carry out the purpose of this resolution, the input of interested individuals, public officials, and such entities as deemed necessary shall be considered and a copy of any findings and recommendations from the study shall be sent to the State Board of Education, the University of Nebraska, and the Nebraska state colleges.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED EIGHTH LEGISLATURE OF NEBRASKA, SECOND SESSION:

1. That the Education Committee of the Legislature shall be designated to conduct an interim study to carry out the purposes of this resolution.

2. That the committee shall upon the conclusion of its study make a report of its findings, together with its recommendations, to the Legislative Council or Legislature.
