

One Hundred Eighth Legislature - First Session - 2023

Introducer's Statement of Intent

LB103

Chairperson: Senator Mike McDonnell

Committee: Nebraska Retirement Systems

Date of Hearing: February 14, 2023

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 103 would correct two items following the passage of LB 700 (2022) last year. The first item is to expand the definition of school plan employee for those teachers employed by state agencies to include teachers not covered by the State Code Agency Teachers Association (SCATA). This would impact a few (less than 15) teachers that are employed by the Department of Education but not represented by SCATA.

The second item in LB 103 is to correct a date after the passage last year. LB 700 (2022) had an effective date of July 1 but also contained an emergency clause. As the bill was signed by the Governor on March 4, 2022, the July 1 effective date currently in statute is amended to reflect the actual effective date of March 4, 2022.
