

One Hundred Eighth Legislature - First Session - 2023

Introducer's Statement of Intent

LB260

Chairperson: Senator Justin Wayne

Committee: Judiciary

Date of Hearing: February 03, 2023

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

The Supreme Court and Court of Appeals have not published opinions in a paper format since 2016, however, statutes contain several references to hard copy publications. The intent of LB260 is to remove references to paper documents and establish the Nebraska Appellate Courts Online Library as the sole repository for published opinions. In addition, it provides for the sale of remaining books and clarifies the duties of the Supreme Court Reporter of Decisions. LB260 aligns statute with the current practice of electronic publication of appellate court opinions.
