

One Hundred Eighth Legislature - First Session - 2023

Introducer's Statement of Intent

LB568

Chairperson: Senator Bruce Bostelman

Committee: Natural Resources

Date of Hearing: February 16, 2023

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB568 creates the Nuclear and Hydrogen Development Act. The act establishes a 12 member working group appointed by the Governor who will study and determine the workforce training needs of the nuclear and hydrogen industries. The group will provide recommendations for collaboration of such industries with the Nebraska Community College System and State College System in order to develop education training courses.
