(a) Except as otherwise provided in this section, when a transaction bears a reasonable relation to this state and also to another state or nation the parties may agree that the law either of this state or of such other state or nation shall govern their rights and duties.

(b) In the absence of an agreement effective under subsection (a), and except as provided in subsection (c), the Uniform Commercial Code applies to transactions bearing an appropriate relation to this state.

(c) If one of the following provisions of the Uniform Commercial Code specifies the applicable law, that provision governs and a contrary agreement is effective only to the extent permitted by the law so specified:

(1) Section 2-402;
(2) Sections 2A-105 and 2A-106;
(3) Section 4-102;

Sec. 6. Section 2-102, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

2-102 Scope; certain security and other transactions excluded from this article.

(1) Unless the context otherwise requires, and except as provided in subsection (3), this article applies to transactions in goods and, in the case of a hybrid transaction, it applies to the extent provided in subsection (2).

Unless the context otherwise requires, this article applies to transactions in goods; it does not apply to any transaction which although in the form of an unconditional contract to sell or present sale is intended to operate only as a security transaction nor does this article impair or repeal any statute regulating sales to consumers, farmers or other specified classes of buyers.

(2) In a hybrid transaction:

(a) If the sale-of-goods aspects do not predominate, only the provisions of this article which relate primarily to the sale-of-goods aspects of the transaction apply, and the provisions that relate primarily to the transaction as a whole do not apply.

(b) If the sale-of-goods aspects predominate, this article applies to the transaction but does not preclude application in appropriate circumstances of other law to aspects of the transaction which do not relate to the sale of goods.

(3) This article does not:

(a) apply to a transaction that, even though in the form of an unconditional contract to sell or present sale, operates only to create a security interest; or

(b) impair or repeal a statute regulating sales to consumers, farmers, or other specified classes of buyers.

Sec. 7. Section 2-106, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

2-106 Definitions; contract; agreement; contract for sale; sale; present sale; conforming to contract; termination; cancellation; hybrid transaction.

(1) In this article unless the context otherwise requires "contract" and "agreement" are limited to those relating to the present or future sale of goods. "Contract for sale" includes both a present sale of goods and a contract to sell goods at a future time. A "sale" consists in the passing of title from the seller to the buyer for a price (section 2-401). A "present sale" means a sale which is accomplished by the making of the contract.

(2) Goods or conduct including any part of a performance are "conforming" or conform to the contract when they are in accordance with the obligations under the contract.

(3) "Termination" occurs when either party pursuant to a power created by agreement or law puts an end to the contract otherwise than for its breach. On "termination" all obligations which are still executory on both sides are discharged but any right based on prior breach or performance survives.

(4) "Cancellation" occurs when either party puts an end to the contract for breach by the other and its effect is the same as that of "termination" except that the canceling party also retains any remedy for breach of the whole contract or any unperformed balance.

(5) "Hybrid transaction" means a single transaction involving a sale of goods and:

(a) the provision of services;
(b) a lease of other goods; or
(c) a sale, lease, or license of property other than goods.

Sec. 8. Section 2-201, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

2-201 Formal requirements; statute of frauds.

(1) Except as otherwise provided in this section a contract for the sale of goods for the price of five hundred dollars or more is not enforceable by way of action or defense unless there is a record some writing sufficient to indicate that the contract for sale has been made between the parties and signed by the party against whom enforcement is sought or by the party's his or her authorized agent or broker. A record writing is not insufficient because it omits or incorrectly states a term agreed upon but the contract is not enforceable under this subsection paragraph beyond the quantity of goods shown in the record such a writing.

(2)(a) Between merchants if within a reasonable time a record writing in confirmation of the contract and sufficient against the sender is received and the party receiving it has reason to know its contents, it satisfies the requirements of subsection (1) against the such party unless written notice in a record of objection to its contents is given within ten days after it is received.

(b) Between a merchant and a buyer or seller of grain not a merchant, if (i) the contract is an oral contract for the sale of grain, (ii) within a reasonable time a writing in confirmation of the contract and sufficient against the sender is received, (iii) the party receiving it has reason to know its contents, (iv) it contains a statement of the kind of grain, quantity of grain, per unit price, date of contract, and delivery date of the grain, and (v) notice appears on the face of the written confirmation stating that the contract will be enforceable according to the terms contained in the confirmation unless written notice of objection is given within ten days, the writing satisfies the requirements of subsection (1) of this section against the party receiving it unless written notice of objection to its contents is given within ten days after it is received.

(3) A contract which does not satisfy the requirements of subsection (1) but which is valid in other respects is enforceable

if the goods are to be specially manufactured for the buyer and are not suitable for sale to others in the ordinary course of the seller's business and the seller, before notice of repudiation is received and under circumstances which reasonably indicate that the goods are for the buyer, has made either a substantial beginning of their manufacture or commitments for their procurement; or

(b) if the party against whom enforcement is sought admits in his or her pleading, testimony or otherwise in court that a contract for sale was made, but the contract is not enforceable under this provision beyond the quantity of goods admitted; or

(c) with respect to goods for which payment has been made and accepted or which have been received and accepted (section 2-608).

Sec. 9. Section 2-202, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

2-202 Final written expression; parol or extrinsic evidence.

Terms with respect to which the confirmatory memoranda of the parties agree or which are otherwise set forth in a record writing intended by the parties as a final expression of their agreement with respect to such terms as are included therein may not be contradicted by evidence of any prior agreement or of a contemporaneous oral agreement but may be explained or supplemented:

(a) by course of performance, course of dealing, or usage of trade (section 1-303); and

(b) by evidence of consistent additional terms unless the court finds the record writing to have been intended also as a complete and exclusive statement of the terms of the agreement.

Sec. 10. Section 2-203, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

2-203 Seals inoperative.

The affixing of a seal to a record writing evidencing a contract for sale or an offer to buy or sell goods does not constitute the record writing a sealed instrument and the law with respect to sealed instruments does not apply to such a contract or offer.

Sec. 11. Section 2-205, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

2-205 Firm offers.

An offer by a merchant to buy or sell goods in a signed record writing which by its terms gives assurance that it will be held open is not revocable, for lack of consideration, during the time stated or if no time is stated, a reasonable time, but in no event may such period of irrevocability exceed three months; but any such term of assurance on a form supplied by the offeree must be separately signed by the offeror.

Sec. 12. Section 2-209, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

2-209 Modification, rescission, and waiver.

(1) An agreement modifying a contract within this article needs no consideration to be binding.

(2) A signed agreement which excludes modification or rescission except by a signed writing or other signed record cannot be otherwise modified or rescinded, but except as between merchants such a requirement on a form supplied by the merchant must be separately signed by the other party.
(3) The requirements of the statute of frauds section of this article (section 2-201) must be satisfied if the contract as modified is within its provisions.

(4) Although an attempt at modification or rescission does not satisfy the requirements of subsection (2) or (3) it can operate as a waiver.

(5) A party who has made a waiver affecting an executory portion of the contract may retract the waiver by reasonable notification received by the other party that strict performance will be required of any term waived, unless the retraction would be unjust in view of a material change of position in reliance on the waiver.

Sec. 13. Section 2A-102, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

2A-102 Scope.

(1) This article applies to any transaction, regardless of form, that creates a lease and, in the case of a hybrid lease, it applies to the extent provided in subsection (2).

(2) In a hybrid lease:

(i) if the lease-of-goods aspects do not predominate:

(A) only the provisions of this article which relate primarily to the lease-of-goods aspects of the transaction apply, and the provisions that relate primarily to the transaction as a whole do not apply;

(B) if the lease-of-goods aspects predominate, this article applies to the transaction, but does not preclude application in appropriate circumstances of other law to aspects of the lease which do not relate to the lease of goods.

(ii) section 2A-209 applies if the lease is a finance lease; and

(iii) section 2A-407 applies to the promises of the lessee in a finance lease to the extent the promises are consideration for the right to possession and use of the leased goods; and

(b) if the lease-of-goods aspects predominate, this article applies to the transaction, but does not preclude application in appropriate circumstances of other law to aspects of the lease which do not relate to the lease of goods.

(t) "Merchant lessee" means a lessee that is a merchant with respect to goods of the kind subject to the lease.

(u) "Present value" means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate was not manifestly unreasonable at the time the transaction was entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.

(v) "Purchase" includes taking by sale, lease, mortgage, security interest, pledge, gift, or any other voluntary transaction creating an interest in goods.

(w) "Sublease" means a lease of goods the right to possession and use of which was acquired by the lessor as a lessee under an existing lease.

(x) "Supplier" means a person from whom a lessor buys or leases goods to be leased under a finance lease.

Sec. 15. Section 2A-107, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

2A-107 Waiver or renunciation of claim or right after default.

Any claim or right arising out of an alleged default or breach of warranty may be discharged in whole or in part without consideration by a written waiver or renunciation in a signed record and delivered by the aggrieved party.

Sec. 16. Section 2A-201, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

2A-201 Statute of frauds.

(1) A lease contract is not enforceable by way of action or defense unless:

(a) the total payments to be made under the lease contract, excluding payments for options to renew or buy, are less than one thousand dollars; or

(b) there is a record writing, signed by the party against whom enforcement is sought or by that party's authorized agent, sufficient to indicate that a lease contract has been made between the parties and to describe the goods leased and the lease term.

(2) Any description of leased goods or of the lease term is sufficient and satisfies subsection (1)(b), whether or not it is specific, if it reasonably identifies what is described.

(3) A record writing is not insufficient because it omits or incorrectly states a term agreed upon, but the lease contract is not enforceable under subsection (1)(b) beyond the lease term and the quantity of goods shown in the record writing.

(4) A lease contract that does not satisfy the requirements of subsection (1), but which is valid in other respects, is enforceable:

(a) if the goods are to be specially manufactured or obtained for the lessee and are not suitable for lease or sale to others in the ordinary course of the lessor's business, and the lessor, before notice of repudiation is received and under circumstances that reasonably indicate that the goods are for the lessee, has made either a substantial beginning of their manufacture or
commitments for their procurement;
(b) if the party against whom enforcement is sought admits in that party's pleading, testimony, or otherwise in court that a lease contract was made, but the lease contract is not enforceable under this provision beyond the quantity of goods admitted; or
(c) with respect to goods that have been received and accepted by the lessee.
(5) The lease term under a lease contract referred to in subsection (4) is:
(a) if there is a record writing signed by the party against whom enforcement is sought or by that party's authorized agent specifying the lease term, the term so specified;
(b) if the party against whom enforcement is sought admits in that party's pleading, testimony, or otherwise in court a lease term, the term so admitted; or
(c) a reasonable lease term.
Sec. 17. Section 2A-202, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:
2A-202 Final written expression: parol or extrinsic evidence.
Terms with respect to which the confirmatory memoranda of the parties agree or which are otherwise set forth in a record writing intended by the parties as a final expression of their agreement with respect to such terms as are included therein may not be contradicted by evidence of any prior agreement or of a contemporaneous oral agreement but may be explained or supplemented:
(a) by course of dealing or usage of trade or by course of performance; and
(b) by evidence of consistent additional terms unless the court finds the record writing to have been intended also as a complete and exclusive statement of the terms of the agreement.
Sec. 18. Section 2A-203, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:
2A-203 Seals inoperative.
The affixing of a seal to a record writing evidencing a lease contract or an offer into a lease contract does not render the record writing a sealed instrument and the law with respect to sealed instruments does not apply to the lease contract or offer.
Sec. 19. Section 2A-205, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:
2A-205 Firm offers.
An offer by a merchant to lease goods to or from another person in a signed record writing that by its terms gives assurance it will be held open is not revocable, for lack of consideration, during the time stated or, if no time is stated, for a reasonable time, but in no event may the period of irrevocability exceed three months. Any such term of assurance on a form supplied by the offeree must be separately signed by the offeror.
Sec. 20. Section 2A-208, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:
2A-208 Modification, rescission, and waiver.
(1) An agreement modifying a lease contract needs no consideration to be binding.
(2) A signed lease agreement that excludes modification or rescission except by a signed record writing may not be otherwise modified or rescinded, but, except as between merchants, such a requirement on a form supplied by a merchant must be separately signed by the other party.
(3) Although an attempt at modification or rescission does not satisfy the requirements of subsection (2), it may operate as a waiver.
(4) A party who has made a waiver affecting an executory portion of a lease contract may retract the waiver by reasonable notification received by the other party that strict performance will be required of any term waived, unless the retraction would be unjust in view of a material change of position in reliance on the waiver.
Sec. 21. Section 3-104, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:
3-104 Negotiable instrument.
(a) Except as provided in subsections (c) and (d), "negotiable instrument" means an unconditional promise or order to pay a fixed amount of money, with or without interest or other charges described in the promise or order, if it:
(1) is payable to bearer or to order at the time it is issued or first comes into possession of a holder;
(2) is payable on demand or at a definite time; and
(3) does not state any other undertaking or instruction by the person promising or ordering payment to do any act in addition to the payment of money, but the promise or order may contain (i) an undertaking or power to give, maintain, or protect collateral to secure payment, (ii) an authorization or power to the holder to confess judgment or realize on or dispose of collateral, (iii) a waiver of the benefit of any law intended for the advantage or protection of an obligor, (iv) a term that specifies the law that governs the promise or order, or (v) an undertaking to resolve in a specified forum a dispute concerning the promise or order.
(b) "Instrument" means a negotiable instrument.
(c) An order that meets all of the requirements of subsection (a), except subdivision paragraph (1), and otherwise falls within the definition of "check" in subsection (f) is a negotiable instrument and a check.
(d) A promise or order other than a check is not an instrument if, at the time it is issued or first comes into possession of a holder, it contains a condition of payment, however expressed, to the effect that the promise or order is not negotiable or is not an instrument governed by this article.

(e) An instrument is a "note" if it is a promise and is a "draft" if it is an order. If an instrument falls within the definition of both "note" and "draft", a person entitled to enforce the instrument may treat it as either.

(f) "Check" means (i) a draft, other than a documentary draft, payable on demand and drawn on a bank, (ii) a cashier's check or teller's check, or (iii) a demand draft. An instrument may be a check even though it is described on its face by another term, such as "money order".

(g) "Cashier's check" means a draft with respect to which the drawer and drawee are the same bank or branches of the same bank.

(h) "Teller's check" means a draft drawn by a bank (i) on another bank, or (ii) payable at or through a bank.

(i) "Traveler's check" means an instrument that (i) is payable on demand, (ii) is drawn on or payable at or through a bank, (iii) is designated by the term "traveler's check" or by a substantially similar term, and (iv) requires, as a condition to payment, a countersignature by a person whose specimen signature appears on the instrument.

(j) "Certificate of deposit" means an instrument containing an acknowledgment by a bank that a sum of money has been received by the bank and a promise by the bank to repay the sum of money. A certificate of deposit is a note of the bank.

(k) "Demand draft" means a writing not signed by a customer, as defined in section 4-104, that is created by a third party under the purported authority of the customer for the purpose of charging the customer's account with a bank. A demand draft shall contain the customer's account number and may contain any or all of the following:

(i) The customer's printed or typewritten name;

(ii) A notation that the customer authorized the draft; or

(iii) The statement "no signature required", "authorization on file", "signature on file", or words to that effect.

A demand draft does not include a check purportedly drawn by and bearing the signature of a fiduciary, as defined in section 3-307.

Sec. 22. Section 3-105, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

3-105 Issue of instrument.

(a) "Issue" means:

(1) the first delivery of an instrument by the maker or drawer, whether to a holder or nonholder, for the purpose of giving rights on the instrument to any person; or

(2) if agreed by the payee, the first transmission by the drawer to the payee of an image of an item and information derived from the item that enables the depositary bank to collect the item by transferring or presenting under federal law an electronic check.

(b) An unissued instrument, or an unissued incomplete instrument that is completed, is binding on the maker or drawer, but nonissuance is a defense. An instrument that is conditionally issued or is issued for a special purpose is binding on the maker or drawer, but failure of the condition or special purpose to be fulfilled is a defense.

(c) "Issuer" applies to issued and unissued instruments and means a maker or drawer of an instrument.

Sec. 23. Section 3-401, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

3-401 Signature necessary for liability on instrument.

(a) A person is not liable on an instrument unless (i) the person signed the instrument, or (ii) the person is represented by an agent or representative who signed the instrument and the signature is binding on the represented person under section 3-402.

(b) A signature may be made (i) manually or by means of a device or machine, and (ii) by the use of any name, including a trade or assumed name, or by a word, mark, or symbol executed or adopted by a person with present intention to authenticate a writing.

Sec. 24. Section 3-604, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

3-604 Discharge by cancellation or renunciation.

(a) A person entitled to enforce an instrument, with or without consideration, may discharge the obligation of a party to pay the instrument (i) by an intentional voluntary act, such as surrender of the instrument to the party, destruction, mutilation, or cancellation of the instrument, cancellation or striking out of the party's signature, or the addition of words to the instrument indicating discharge, or (ii) by agreeing not to sue or otherwise renouncing rights against the party by a signed record. The obligation of a party to pay a check is not discharged solely by destruction of the check in connection with a process in which information is extracted from the check and an image of the check is made and, subsequently, the information and image are transmitted for payment writing.

(b) Cancellation or striking out of an indorsement pursuant to subsection (a) does not affect the status and rights of a party derived from the indorsement.
4A-103 Payment order — definitions.

(a) In this article:

"Payment order" means an instruction of a sender to a receiving bank, transmitted orally or in a record, electronically, or in writing, to pay, or to cause another bank to pay, a fixed or determinable amount of money to a beneficiary if:

(i) the instruction does not state a condition to payment to the beneficiary other than time of payment;

(ii) the receiving bank is to be reimbursed by debiting an account of, or otherwise receiving payment from, the sender, and

(iii) the instruction is transmitted by the sender directly to the receiving bank or to an agent, funds-transfer system, or communication system for transmission by the bank to the receiving bank.

(b) "Beneficiary" means the person to be paid by the beneficiary's bank.

(c) "Beneficiary's bank" means the bank identified in a payment order in which an account of the beneficiary is to be credited pursuant to the order or which otherwise is to make payment to the beneficiary if the order does not provide for payment to an account.

(d) "Receiving bank" means the bank to which the sender's instruction is addressed.

(5) "Sender" means the person giving the instruction to the receiving bank.

(b) If an instruction complying with subsection (a)(1) is to make more than one payment to a beneficiary, the instruction is a separate payment order with respect to each payment.

(b) A payment order is issued when it is sent to the receiving bank.

Sec. 26. Section 4A-281, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

4A-281 Security procedure.

"Security procedure" means a procedure established by agreement of a customer and a receiving bank for the purpose of (i) verifying that a payment order or communication amending or canceling a payment order is that of the customer, or (ii) detecting error in the transmission or the content of the payment order or communication. A security procedure may impose an obligation of the person identified as sender if that person authorized the order or is otherwise bound by it under the law of agency.

(b) If an instruction complying with subsection (a)(1) is to make more than one payment to a beneficiary, the instruction is a separate payment order with respect to each payment.

(c) A payment order is issued when it is sent to the receiving bank.

Sec. 27. Section 4A-282, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

4A-282 Authorized and verified payment orders.

(a) A payment order received by the receiving bank is the authorized order of the person identified as sender if that person authorized the order or is otherwise bound by it under the law of agency.

(b) If a bank and its customer have agreed that the authenticity of payment orders issued to the bank in the name of the customer as sender will be verified by a security procedure, a payment order proceeding before the receiving bank is effective as the order of the customer, whether or not authorized, if (i) the security procedure is a commercially reasonable method of providing security against unauthorized payment orders, and (ii) the bank proves that it accepted the payment order in good faith and in compliance with the procedures under the security procedure and any written agreement or instruction of the customer, evidenced by a record, restricting acceptance of payment orders issued in the name of the customer. The bank is not required to follow an instruction that violates an agreement with the customer, evidenced by a record, or notice of which is not received at a time and in a manner affording the bank a reasonable opportunity to act on it before the payment order is accepted.

(c) Commercial reasonableness of a security procedure is a question of law to be determined by considering the wishes of the customer expressed to the bank, the circumstances of the customer known to the bank, including the size, type, and frequency of payment orders normally issued by the customer, alternative security procedures offered to the customer, and security procedures in general use by customers and receiving banks similarly situated. A security procedure is deemed to be commercially reasonable if (i) the security procedure was chosen by the customer after the bank offered, and the customer refused, a security procedure that was commercially reasonable for that customer, and (ii) the customer expressly agreed in a record written to be bound by any payment order, whether or not authorized, issued in its name and accepted by the bank in compliance with the bank's obligations under the security procedure chosen by the customer.

(d) The term "sender" in this article includes the customer in whose name a payment order is issued if the order is the authorized order of the customer under subsection (a), or it is effective as the order of the customer under subsection (b).

(e) This section applies to amendments and cancellations of payment orders to the same extent it applies to payment orders.

(f) Except as provided in this section and in section 4A-283(a)(1), rights and obligations arising under this section or section 4A-283 may not be varied by agreement.
Sec. 28. Section 4A-283, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:
4A-283 Unenforceability of certain verified payment orders.
(a) If an accepted payment order is not, under section 4A-282(a), an authorized order of a customer identified as sender, but is effective as an order of the customer pursuant to section 4A-262(b), the following rules apply:
(1) By express written agreement evidenced by a record, the receiving bank may limit the extent to which it is entitled to enforce or retain payment of the payment order.
(2) The receiving bank is not entitled to enforce or retain payment of the payment order if the customer proves that the order was not caused, directly or indirectly, by a person (i) entrusted at any time with duties to act for the customer with respect to payment orders or the security procedure or (ii) who obtained access to transmitting facilities of the customer or who obtained, from a source controlled by the customer and without authority of the receiving bank, information facilitating breach of the security procedure, regardless of how the information was obtained or whether the customer was at fault.
Information includes any access device, computer software, or the like.
(b) This section applies to amendments of payment orders to the same extent it applies to payment orders.
Sec. 29. Section 4A-287, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:
4A-287 Misdescription of beneficiary.
(a) Subject to subsection (b), if, in a payment order received by the beneficiary's bank, the name, bank account number, or other identification of the beneficiary refers to a nonexistent or unidentifiable person or account, no person has rights as a beneficiary of the order and acceptance of the order cannot occur.
(b) If a payment order received by the beneficiary's bank identifies the beneficiary both by name and by an identifying or bank account number and the name and number identify different persons, the following rules apply:
(1) Except as otherwise provided in subsection (c), if the beneficiary's bank does not know that the name and number refer to different persons, it may rely on the number as the proper identification of the beneficiary of the order. The beneficiary's bank need not determine whether the name and number refer to the same person.
(2) If the beneficiary's bank pays the person identified by name or knows that the name and number identify different persons, no person has rights as beneficiary except the person paid by the beneficiary's bank if that person was entitled to payment from the originator of the funds transfer. If no person has rights as beneficiary, acceptance of the order cannot occur.
(c) If (i) a payment order described in subsection (b) is accepted, (ii) the originator's payment order described the beneficiary inconsistently by name and number, and (iii) the beneficiary's bank pays the person identified by number as permitted by subsection (b)(i), the following rules apply:
(1) If the originator is a bank, the originator is obliged to pay its order.
(2) If the originator is not a bank and proves that the person identified by number was not entitled to receive payment from the originator, the originator is obliged to pay its order unless the originator's bank, before acceptance of the originator's order, had notice that payment of a payment order issued by the originator might be made by the beneficiary's bank on the basis of an identifying or bank account number even if it identifies a person different from the named beneficiary. Proof of notice may be evidenced by any admissible evidence. The originator's bank satisfies the burden of proof if it proves that the originator, before the payment order was accepted, signed a record writing stating the information to which the notice relates.
(d) In a case governed by subsection (b)(i), if the beneficiary's bank rightfully pays the person identified by number and that person was not entitled to receive payment from the originator, the amount paid may be recovered from that person to the extent allowed by the law governing mistake and restitution as follows:
(1) If the originator is obliged to pay its payment order as stated in subsection (c)(i), the originator has the right to recover.
(2) If the originator is not a bank and is not obliged to pay its payment order, the originator's bank has the right to recover.
Sec. 30. Section 4A-288, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:
4A-288 Misdescription of intermediary bank or beneficiary's bank.
(a) This subsection applies to a payment order identifying an intermediary bank or the beneficiary's bank only by an identifying number.
(1) The receiving bank may rely on the number as the proper identification of the intermediary or beneficiary's bank and need not determine whether the number identifies a bank or an intermediary.
(2) The sender is obliged to compensate the receiving bank for any loss and expenses incurred by the receiving bank as a result of its reliance on the number in executing or attempting to execute the order.
(b) This subsection applies to a payment order identifying an intermediary bank or the beneficiary's bank both by name and an identifying number if the name and number identify different persons.
(1) If the sender is a bank, the receiving bank may rely on the number as the proper identification of the intermediary or beneficiary's bank if the
receiving bank, when it executes the sender's order, does not know that the name and number identify different persons. The receiving bank need not determine whether the name refer to the same person or whether the number refers to a bank. The sender is obliged to compensate the receiving bank for any loss and expenses incurred by the receiving bank as a result of its reliance on the number in executing or attempting to execute the order.

(2) If the sender is not a bank and the receiving bank proves that the sender, before the payment order was accepted, had notice that the receiving bank might rely on the number as the proper identification of the intermediary or beneficiary's bank even if it identifies a person different from the bank identified by name, the rights and obligations of the sender and the receiving bank are governed by subsection (b)(1), as though the sender were a bank. Proof of notice may be made by any admissible evidence. The receiving bank satisfies the burden of proof if it proves that the sender, before the payment order was accepted, signed a record writing stating the information to which the notice relates.

(3) Regardless of whether the sender is a bank, the receiving bank may rely on the name or the number as the proper identification of the intermediary or beneficiary's bank if the receiving bank, at the time it accepts the sender's order, does not know that the name and number identify different persons. The receiving bank need not determine whether the name and number refer to the same person.

(4) If the receiving bank knows that the name and number identify different persons, reliance on either the name or the number in executing the sender's payment order is a breach of the obligation stated in section 4A-302(a)(1).

Sec. 31. Section 4A-210, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

4A-210 Rejection of payment order.
(a) A payment order is rejected by the receiving bank by a notice of rejection transmitted to the sender orally, electronically, or in a record writing. A notice of rejection need not use any particular words and is sufficient if it indicates that the receiving bank is rejecting the order or will not pay the order. Rejection is effective when the notice is given if transmission is by a means that is reasonable in the circumstances. If notice of rejection is given by a means that is not reasonable, rejection is effective when the notice is received. If an agreement of the sender and receiving bank establishes the means to be used to reject a payment order, (i) any means complying with the agreement is reasonable and (ii) any means not complying is not reasonable. Rejection transmitted to the sender orally or in a record writing is not effective unless the notice resulted from the use of the noncomplying means.

(b) This subsection applies if a receiving bank other than the beneficiary's bank fails to execute a payment order despite the existence on the execution date of a withdrawable credit balance in an authorized account of the sender sufficient to cover the order. If the sender does not receive notice of rejection of the order on the execution date and the authorized account of the sender does not bear interest, the bank is obliged to pay interest to the sender on the amount of the order for the number of days elapsing after the execution date to the earlier of the day the order is canceled pursuant to subsection (c) or the day the sender receives notice or learns that the order was not executed, counting the final day of the period as an elapsed day.

(c) If a receiving bank suspends payments, all unaccepted payment orders issued in the last three days of the period in which the bank suspends payments.

(d) Acceptance of a payment order precludes a later rejection of the order. Rejection of a payment order precludes a later acceptance of the order.

Sec. 32. Section 4A-211, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

4A-211 Cancellation and amendment of payment order.
(a) A communication of the sender of a payment order canceling or amending the order may be transmitted to the receiving bank orally, electronically, or in a record writing. If a security procedure is in effect between the sender and the receiving bank, the communication is not effective to cancel or amend the payment order unless the communication is verified pursuant to the security procedure or the bank agrees to the cancellation or amendment.

(b) Subject to subsection (a), a communication by the sender canceling or amending a payment order is effective to cancel or amend the order if notice of the communication is received at a time and in a manner affording the receiving bank a reasonable opportunity to act on the communication before the bank accepts the payment order.

(c) After a payment order has been accepted, cancellation or amendment of the order is not effective unless the receiving bank agrees or a funds-transfer system rule allows cancellation or amendment without agreement of the bank.

(1) With respect to a payment order accepted by a receiving bank other than the beneficiary's bank, cancellation or amendment is not effective unless a conforming cancellation or amendment of the payment order issued by the receiving bank is also made.

(2) With respect to a payment order accepted by the beneficiary's bank, cancellation or amendment is not effective unless the order was issued in execution of an unauthorized payment order, or because of a mistake by a sender in the funds transfer which resulted in the issuance of a payment order (i) that is a duplicate of a payment order previously issued by the sender, (ii)
that orders payment to a beneficiary not entitled to receive payment from the originator, or (ii) orders payment in an amount greater than the amount the originator or the beneficiary of the funds transfer for the period of delay caused by the improper execution. Except as provided in subsection (c), additional damages are not recoverable.

(c) In addition to the amounts payable under subsections (a) and (b), damages, including consequential damages, are recoverable to the extent provided in an express written agreement of the receiving bank, evidenced by a record.

(d) If a receiving bank fails to execute a payment order it was obliged by express agreement to execute, the receiving bank is liable to the sender for its expenses in the transaction and for incidental expenses and interest losses resulting from the failure to execute. Additional damages, including consequential damages, are recoverable to the extent provided in an express written agreement of the receiving bank, evidenced by a record, but are not otherwise recoverable.

(e) Reasonable attorney's fees are recoverable if demand for compensation under subsection (a) or (b) is made and refused before an action is brought on the claim. If a claim is made for breach of an agreement under subsection (d) and the agreement does not provide for damages, reasonable attorney's fees are recoverable if demand for compensation under subsection (d) is made and refused before an action is brought on the claim.

(f) Except as stated in this section, the liability of a receiving bank under subsections (a), (b), and (d) may not be varied by agreement.

Sec. 34. Section 5-104, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

5-104 Formal requirements.

A letter of credit, confirmation, advice, transfer, amendment, or cancellation may be issued in any form that is a signed record and is authentic (i) in accordance with the agreement of the parties or the standard practice referred to in section 5-108(a).

Sec. 35. Section 5-116, Uniform Commercial Code, Reissue Revised Statutes of Nebraska, is amended to read:

5-116 Choice of law and forum.

Sec. 20. The liability of a bank, nominated person, or adviser for action or omission is governed by the law of the jurisdiction chosen by an agreement in the form of a record signed or otherwise authenticated by the affected parties in the manner provided in section 5-104 or by a provision in the person's letter of credit, confirmation, or other undertaking. The jurisdiction whose law is chosen need not bear any relation to the transaction.

(b) Unless subsection (a) applies, the liability of an issuer, nominated person, or adviser for action or omission is governed by the law of the
jurisdiction in which the person is located. The person is considered to be located at the address indicated in the person's undertaking. If more than one address is indicated, the person is considered to be located at the address from which the person's undertaking was issued.

(c) For the purpose of jurisdiction, choice of law, and recognition of interbranch letters of credit, but not enforcement of a judgment, all branches of a bank are considered separate juridical entities and a bank is considered to be located at the place where its relevant branch is considered to be located under this subsection (d).

(d) A branch of a bank is considered to be located at the address indicated in the branch's undertaking. If more than one address is indicated, the branch is considered to be located at the address from which the undertaking was issued.

(e) Except as otherwise provided in this subsection, the liability of an issuer, nominated person, or adviser is governed by any rules of custom or practice, such as the Uniform Customs and Practice for Documentary Credits, to which the letter of credit, confirmation, or other undertaking is expressly made subject. If (i) this article would govern the liability of an issuer, nominated person, or adviser under subsection (a) or (b), (ii) the relevant undertaking incorporates rules of custom or practice, and (iii) there is conflict between this article and those rules as applied to that undertaking, those rules govern except to the extent of any conflict with the nonvariable provisions specified in section 5-103(c).

(f) If there is conflict between this article and article 3, 4, 4A, or 9, this article governs.

(b) This article does not prevent creation of an encumbrance upon fixtures under real property law.

(c) In cases not governed by subsections (d) through (h), a security interest in fixtures is subordinate to a conflicting interest of an encumbrancer or owner of the related real property other than the debtor.

(e) Subsection (d) does not apply to the sale of a payment intangible or promissory note, other than a sale pursuant to a disposition under section 9-610 or an acceptance of collateral under section 9-628.

of, or creation of a security interest in, an account or chattel paper is ineffective to the extent that the rule of law, statute, or regulation:

(1) requires the consent of the government, governmental body or official, or account debtor to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in the account or chattel paper; or

(2) provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account or chattel paper.

(g) Subject to subsections (h) and (j), an account debtor may not waive or vary its option under subdivision (b)(3).

(3) does not require the person obligated on the promissory note or the account debtor to recognize the security interest, pay or render performance to the secured party, or accept payment or performance from the secured party;

(4) does not entitle the secured party to use or assign the debtor's rights under the promissory note, health-care-insurance receivable, or general intangible, including any related information or materials furnished to the
debtor in the transaction giving rise to the promissory note, health-care-insurance receivable, or general intangible;
(5) does not entitle the secured party to use, assign, possess, or have access to any trade secrets or confidential information of the person obligated on the promissory note or the account debtor; and

Sec. 93. Section 12-102, Uniform Commercial Code, Revised Statutes Cumulative Supplement, 2022, is amended to read:

12-102 Definitions.

(a) In this article:

(1) "Controllable electronic record" means a record stored in an electronic medium that can be subjected to control under section 12-105. The term does not include a controllable account, a controllable payment intangible, a deposit account, an electronic copy of a record evidencing chattel paper, an electronic document of title, electronic money, investment property, or a transferable record.

(2) "Qualifying purchaser" means a purchaser of a controllable electronic record or an interest in a controllable electronic record that obtains control of the controllable electronic record for value, in good faith, and without notice of a claim of a property right in the controllable electronic record.

(3) "Transferable record" has the meaning provided for that term in:

(A) Section 201(a)(1) of the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. section 7001(a)(1); or

(B) Section 16(a) of the Uniform Electronic Transactions Act.

(4) "Value" has the meaning provided in section 3-303(a), as if references in that subsection to an "instrument" were references to a controllable account, controllable electronic record, or controllable payment intangible.

(b) The definitions in article 9 of "account debtor", "controllable
Account", "controllable payment intangible", "chattel paper", "deposit
account", "electronic money", and "investment property" apply to this article.

This article defines and interprets terms that are defined in the Uniform Commercial Code, Revised Statutes, including "account", "account debtor", "authenticate," "electronic chattel paper,", "investment property," and "payment intangible" in article 9 apply to this article.

Sec. 94. Section 12-103, Uniform Commercial Code, Revised Statutes Cumulative Supplement, 2022, is amended to read:

12-103 Relation to article 9 and consumer laws Scope.
(a) If there is conflict between this article and article 9, article 9 governs.
(b) A transaction subject to this article is subject to any applicable rule of law that establishes a different rule for consumers.
(c) This article applies to controllable electronic records.

Sec. 95. Section 12-104, Uniform Commercial Code, Revised Statutes Cumulative Supplement, 2022, is amended to read:

12-104 Rights in controllable account, controllable electronic record, and
controllable payment intangible electronic records and certain accounts and
payment intangibles.
(a) This section applies to the acquisition and purchase of rights in a
controllable account or controllable payment intangible, including the rights
and benefits under subsections (c), (d), (e), (g), and (h) of a purchaser and
qualifying purchaser, in the same manner this section applies to a controllable
electronic record.
(b) To determine whether a purchaser of a controllable account or a
controllable payment intangible is a qualifying purchaser, the purchaser
obtains control of the account or payment intangible if it obtains control of
the controllable electronic record that evidences the account or payment intangible.
(c) Except as provided in this section, law other than this article
determines whether a person acquires a right in a controllable electronic
record and the right the person acquires.
(d) A purchaser of a controllable electronic record acquires all rights in
the controllable electronic record that the transferor had or had power to
transfer, except that a purchaser of a limited interest in a controllable
electronic record acquires rights only to the extent of the interest purchased.
(e) A qualifying purchaser acquires its rights in the controllable
electronic record free of a claim of a property right in the controllable
electronic record.
(f) Except as provided in subsections (a) and (e) for a controllable
account and a controllable payment intangible or law other than this article, a
qualifying purchaser takes a right to payment, right to performance, or other
interest in property evidenced by the controllable electronic record subject to
a claim of a property right in the right to payment, right to performance, or other
interest in property.
(g) An action may not be asserted against a qualifying purchaser based on
both a purchase by the qualifying purchaser of a controllable electronic record
and a claim of a property right in another controllable electronic record,
whether the action is framed in conversion, replevin, constructive trust,
equitable lien, or another theory.
(h) Filing of a financing statement under article 9 is not notice of a
claim of a property right in a controllable electronic record.
(a) In this section:
(1) "Adverse claim" means a claim that a claimant has a property interest
in a controllable electronic record and that it is a violation of the rights
of the claimant for another person to hold, transfer, or deal with the
controllable electronic record.
(2) "Qualified purchaser" means a purchaser of a controllable electronic
record or an interest therein that obtains control of a controllable electronic
record and that has power to transfer rights in the controllable electronic
record without notice of any adverse claim. The term includes a person
that acquires rights in a controllable electronic record by a transfer of
control under subsection (d).
(b) Subject to subsections (c) through (i), law other than this article 12
determines whether a person acquires rights in a controllable electronic record
and the rights that the person acquires.
(c) A purchaser of a controllable electronic record acquires all rights in
the controllable electronic record that the transferor had or had power to
transfer.
(d) A person having control of, but no rights in, a controllable
electronic record has power to transfer rights in the controllable electronic
record to a person that obtains control for value and without notice of any adverse claim.
(e) A purchaser of a limited interest acquires rights only to the extent
of the interest purchased.
(f) In addition to acquiring the rights of a purchaser, a qualified
purchaser acquires its rights in the controllable electronic record and any
account or payment intangible that is included in the benefit that can be
derived from the controllable electronic record free of any adverse claim.
An action based on an adverse claim to a controllable electronic record or an account or payment intangible that is included in the benefit that can be derived from a controllable electronic record, whether framed in conversion, replevin, constructive trust, equitable lien, or other theory, may not be asserted against a qualified purchaser that acquires its interest in, and obtains control of, a controllable electronic record for value and without notice of the adverse claim.

A person has notice of an adverse claim if:

(a) the person knows of the adverse claim; or

(b) the person is aware of facts sufficient to indicate that there is a significant probability that the adverse claim exists and deliberately avoids information that would establish the existence of the adverse claim.

Filing of a financing statement under article 9 is not notice of an adverse claim to a controllable electronic record.

Sec. 96. Section 12-105, Uniform Commercial Code, Revised Statutes Cumulative Supplement, 2022, is amended to read:

12-105 Control of controllable electronic record.

(a) A person has control of a controllable electronic record if the electronic record, a record attached to or logically associated with the electronic record, or a system in which the electronic record is recorded:

(1) gives the person:

(A) power to avail itself of substantially all the benefit from the electronic record; and

(B) exclusive power, subject to subsection (b), to:

(i) prevent others from availing themselves of substantially all the benefit from the electronic record; and

(ii) transfer control of the electronic record to another person or cause another person to obtain control of another controllable electronic record as a result of the transfer of the electronic record; and

(2) enables the person readily to identify itself in any way, including by name, identifying number, cryptographic key, office, or account number, as having the powers specified in subdivision (1).

(b) Subject to subsection (c), a power is exclusive under subsection (a) (1)(B)(i) and (ii) even if:

(1) the controllable electronic record, a record attached to or logically associated with the electronic record, or a system in which the electronic record is recorded limits the use of the electronic record or has a protocol programmed to cause a change, including a transfer or loss of control or a modification of benefits afforded by the electronic record; or

(2) the power is shared with another person.

(c) A power of a person is not shared with another person under subsection (b)(2) and the person's power is not exclusive if:

(1) the person can exercise the power only if the power also is exercised by the other person; and

(2) the other person:

(A) can exercise the power without exercise of the power by the person; or

(B) is the transferor to the person of an interest in the controllable electronic record or a controllable account or controllable payment intangible evidenced by the controllable electronic record.

(d) If a person has the powers specified in subsection (a)(1)(B)(i) and (ii), the powers are presumed to be exclusive.

(e) A person has control of a controllable electronic record if another person, other than the transferor to the person of an interest in the controllable electronic record or a controllable account or controllable payment intangible evidenced by the controllable electronic record:

(1) has control of the electronic record and acknowledges that it has control on behalf of the person; or

(2) obtains control of the electronic record after having acknowledged that it will obtain control of the electronic record on behalf of the person.

(f) A person that has control under this section is not required to acknowledge that it has control on behalf of another person.

(g) If a person acknowledges that it has or will obtain control on behalf of another person, unless the person otherwise agrees or law other than this article or article 9 otherwise provides, the person does not owe any duty to the other person and is not required to confirm the acknowledgment to any other person.

A person has "control" of a controllable electronic record if:

(a) the following conditions are met:

(1) the controllable electronic record or the system in which it is recorded, if any, gives the person:

(i) the power to derive substantially all the benefit from the controllable electronic record;

(ii) subject to subsection (b), the exclusive power to prevent others from deriving substantially all the benefit from the controllable electronic record; and

(iii) subject to subsection (b), the exclusive power to transfer control of the controllable electronic record to another person or cause another person to obtain control of a controllable electronic record that derives from the controllable electronic record; and

(B) the controllable electronic record, a record attached to or logically associated with the controllable electronic record, or the system in which the controllable electronic record is recorded, if any, enables the person to readily identify itself as having the powers specified in subparagraph (A); or
(2) another person obtains control of the controllable electronic record on behalf of the person, or having previously obtained control of the controllable electronic record, acknowledges that it has control on behalf of the person.

(b) A power specified in subparagraph (a)(1)(A)(ii) or (a)(1)(A)(iii) can be "exclusive," even if:

(1) the controllable electronic record or the system in which it is recorded, or any limits the use to which the controllable electronic record may be put or has protocols that are programmed to result in a transfer of control; and

(2) the person has agreed to share the power with another person.

(c) For the purposes of subparagraph (a)(1)(B), a person may be identified in any way, including by name, identifying number, cryptographic key, office, or account number.

Sec. 97. Section 12-106, Uniform Commercial Code, Revised Statutes Cumulative Supplement, 2022, is amended to read:

12-106 Discharge of account debtor on controllable account or controllable payment intangible included in controllable electronic record.

(a) An account debtor on a controllable account or controllable payment intangible may discharge its obligation by paying:

(1) the person having control of the controllable electronic record that evidences the controllable account or controllable payment intangible; or

(2) except as provided in subsection (b), a person that formerly had control of the controllable electronic record.

(b) Subject to subsection (d), the account debtor may not discharge its obligation by paying a person that formerly had control of the controllable electronic record if the account debtor receives a notification that:

(1) is signed by a person that formerly had control or the person to which control was transferred;

(2) reasonably identifies the controllable account or controllable payment intangible;

(3) notifies the account debtor that control of the controllable electronic record that evidences the controllable account or controllable payment intangible was transferred;

(4) identifies the transferee, in any reasonable way, including by name, identifying number, cryptographic key, office, or account number; and

(5) provides a commercially reasonable method by which the account debtor is to pay the transferee.

After receipt of a notification that complies with subsection (b), the account debtor may discharge its obligation by paying in accordance with the notification and may not discharge the obligation by paying a person that formerly had control.

(d) Subject to subsection (h), notification is ineffective under subsection (b):

(1) unless, before the notification is sent, the account debtor and the person that, at that time, had control of the controllable electronic record that evidences the controllable account or controllable payment intangible agree in a signed record to a commercially reasonable method by which a person may furnish proof that control has been transferred;

(2) to the extent an agreement between the account debtor and seller of a payment intangible limits the account debtor's duty to pay a person other than the seller and the limitation is effective under law other than this article; or

(3) at the option of the account debtor, if the notification notifies the account debtor to:

(A) divide a payment;

(B) make less than the full amount of an installment or other periodic payment; or

(C) pay any part of a payment by more than one method or to more than one person.

(e) Subject to subsection (h), if requested by the account debtor, the person giving the notification under subsection (b) reasonably shall furnish proof, using the method in the agreement referred to in subsection (d)(1), that control of the controllable electronic record that evidences the controllable account or controllable payment intangible has been transferred. After the person complies with the request, the account debtor may discharge its obligation by paying a person that formerly had control, even if the account debtor has received a notification under subsection (b).

(f) A person furnishes reasonable proof under subsection (e) that control has been transferred if the person demonstrates, using the method in the agreement referred to in subsection (d)(1), that the transferee has the power to:

(1) avail itself of substantially all the benefit from the controllable electronic record;

(2) prevent others from availing themselves of substantially all the benefit from the controllable electronic record; and

(3) transfer the powers specified in subdivisions (1) and (2) to another person.

(g) Subject to subsection (h), an account debtor may not waive or vary its rights under subsections (d)(1) and (e) or its option under subsection (d)(3).

(h) Subject to subsections (b) through (f), if an account or payment intangible is included in the benefit that can be derived from a controllable electronic record, the account debtor may discharge its obligation on the account or payment intangible.
(1) by paying the person having control of the controllable electronic record; or
(2) by paying a person that formerly had control of the controllable electronic record.
(b) Subject to subsection (f), an account debtor may not discharge its obligation by paying a person that formerly had control if, before the payment, the account debtor receives a notification, authenticated by the person having control, that notifies the account debtor that the person having control of the controllable electronic record reasonably identifies the controllable electronic record, and provides a reasonable method by which the account debtor is to make payments. After receipt of the notification, the account debtor may discharge its obligation by paying in accordance with the notification and may not discharge the obligation by paying a person that formerly had control.
(c) Subject to subsection (f), notification is ineffective under subsection (b): (1) to the extent that an agreement between an account debtor and a seller of a payment intangible limits the account debtor’s duty to pay a person other than the seller and the limitation is effective under law other than this article; or
(2) at the option of the account debtor, if the notification notifies the account debtor to divide a payment and send portions by more than one method.
(d) Subject to subsection (f), if requested by the account debtor, the person giving the notification shall reasonably furnish reasonable proof that the person has control of the controllable electronic record. Unless the person complies, the account debtor may discharge its obligation by paying a person that formerly had control, even if the account debtor has received a notification under subsection (b).
(e) Subject to subsection (f), an account debtor may not waive or vary its obligation under subsection (c).
(h) (4) This section is subject to law other than this article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.
Sec. 98. Section 12-107, Uniform Commercial Code, Revised Statutes Cumulative Supplement, 2022, is amended to read:
12-107 Governing law.
(a) Except as provided in subsection (b), the local law of a controllable electronic record’s jurisdiction governs a matter covered by this article.
(b) For a controllable electronic record that evidences a controllable account or controllable payment intangible, the local law of the controllable electronic record’s jurisdiction governs a matter covered by section 12-107, unless an effective agreement determines that the local law of another jurisdiction governs.
(c) The following rules determine a controllable electronic record’s jurisdiction under this section:
(1) If the controllable electronic record, or a record attached to or logically associated with the controllable electronic record and readily available for review, expressly provides that a particular jurisdiction is the controllable electronic record’s jurisdiction for purposes of this article or the Uniform Commercial Code, that jurisdiction is the controllable electronic record’s jurisdiction.
(2) If subdivision (1) does not apply and the rules of the system in which the controllable electronic record is recorded are readily available for review and expressly provide that a particular jurisdiction is the controllable electronic record’s jurisdiction for purposes of this article or the Uniform Commercial Code, that jurisdiction is the controllable electronic record’s jurisdiction.
(3) If subdivisions (1) and (2) do not apply and the controllable electronic record, or a record attached to or logically associated with the controllable electronic record and readily available for review, expressly provides that the controllable electronic record is governed by the law of a particular jurisdiction, that jurisdiction is the controllable electronic record’s jurisdiction.
(4) If subdivisions (1), (2), and (3) do not apply and the rules of the system in which the controllable electronic record is recorded are readily available for review and expressly provide that the controllable electronic record is governed by the law of a particular jurisdiction, that jurisdiction is the controllable electronic record’s jurisdiction.
(5) If subdivisions (1) through (4) do not apply, the controllable electronic record’s jurisdiction is the District of Columbia.
(j) If the rights acquired under section 12-104 by a purchaser or qualifying purchaser are governed by the law applicable under this section at the time of purchase.
Unless otherwise agreed to by the parties, the laws of the State of Nebraska shall govern any actions taken pursuant to this article.

(2) remains enforceable thereafter only if the security interest satisfies the requirements for enforceability under section 9-203, as amended by this legislative bill, before the adjustment date; and
(3) remains perfected thereafter only if the requirements for perfection under this legislative bill are satisfied before the time specified in
subdivision (1).

Sec. 105. The Uniform Commercial Code is amended by adding new section:

(2) remains enforceable thereafter if the security interest becomes
enforceable under section 9-283, as amended by this legislative bill, on the
effective date of this act or before the adjustment date; and

(3) becomes perfected:

are satisfied after that time.

Sec. 106. The Uniform Commercial Code is amended by adding new section:

12A-304 Effectiveness of actions taken before effective date of this act.

(a) If action, other than the filing of a financing statement, is taken
before the effective date of this act and the action would have resulted in
perfection of the security interest had the security interest become
enforceable before the effective date of this act, the action is effective to

the adjustment date. An attached security interest becomes unperfected on the
adjustment date unless the security interest becomes a perfected security

the priority of conflicting claims to collateral.

(b) Subject to subsection (c), if the priorities of claims to collateral
were established before the effective date of this act, article 9 as in effect
before the effective date of this act determines priority.

(c) On the adjustment date, to the extent the priorities determined by
article 9 as amended by this legislative bill modify the priorities established
before the effective date of this act, the priorities of claims to article 12
property and electronic money established before the effective date of this act
cannot apply.

Sec. 108. The Uniform Commercial Code is amended by adding new section:

12A-306 Priority of claims when priority rules of article 9 do not apply.

legislative bill determines the priority of conflicting claims to article 12
property when the priority rules of article 9 as amended by this legislative
bill do not apply.

(b) Subject to subsection (c), when the priority rules of article 9 as
amended by this legislative bill do not apply and the priorities of claims to
article 12 property were established before the effective date of this act, law
other than article 12 as amended by this legislative bill determines priority.

(c) When the priority rules of article 9 as amended by this legislative
bill do not apply, to the extent the priorities determined by this legislative
bill modify the priorities established before the effective date of this act,
the priorities of claims to article 12 property established before the
