

AMENDMENTS TO LB1003

Introduced by Meyer, G., 17.

1 1. Strike original sections 15 and 16 and insert the following new
2 section:

3 **Sec. 15.** (1) A person shall not install a renewable energy system
4 or a battery energy storage system in this state unless such person:

5 (a) Is licensed as an electrical contractor under the State
6 Electrical Act; and

7 (b) Provides the State Electrical Board with a certificate of
8 insurance before a permit is obtained for the installation of such
9 renewable energy system or battery energy storage system.

10 (2) A renewable energy system or battery energy storage system shall
11 not be installed without first acquiring a relevant permit from the
12 municipality where the system is to be installed or from the State of
13 Nebraska.

14 2. Renumber the remaining sections and correct internal references
15 accordingly.
