

2025 NSCS Veteran Promise Act Report

The Nebraska State College System values the contributions that veterans have made to the United States and Nebraska. Therefore, Chadron, Peru, and Wayne State Colleges support veterans by providing services needed to be successful in meeting their higher education goals. NOTE: The Nebraska State Colleges do not charge an application fee.

College	Number of Applicants Who Have A Military Status	Number of Eligible Military Students Enrolled	Number of Eligible Veteran Students Enrolled	Amount of Any Application Fees Waived for Applications	Any Additional Support, Service or Assistance Provided to Eligible Military Students and Eligible Veteran Students
Chadron State College	153	9	56	NA	CSC offers connections to Veterans Benefits through our Financial Aid office, but START and other student success staff are trained and available to help veterans and dependents wishing to enroll for their benefits. Current and former service members may receive college credit for prior education or military experience acquired while in service to our country. Members of the military, who are eligible, may receive aid through the Military Tuition Assistance (TA) Program. If students qualify, their service branch pays tuition directly to Chadron State College and can be used for undergraduate and graduate programs, either online or on campus. The College has developed procedures to provide each student with maximum flexibility, with 100% refunds, in the event the student is called to active duty.
Peru State College	67	14	8	NA	The VA School Certifying Official (located in the Student Records Office) is available to help veterans and dependents wishing to enroll for their benefits. Current and former service members may receive college credit for prior education or military experience acquired while in service to our country. Members of the military who are eligible may receive aid through the Military Tuition Assistance (TA) Program. If students qualify, their service branch pays tuition directly to Peru State College and can be used for undergraduate and graduate programs, either online or on campus. The College has developed procedures to provide each student with maximum flexibility in the event the student is called to active duty. https://www.peru.edu/veterans/
Wayne State College	956	36	13	NA	The Veterans Benefits office is available to help veterans and dependents wishing to enroll for their benefits. Eligible military students receive priority registration. Current and former service members may receive college credit for prior education or military experience acquired while in service to our country. Members of the military who are eligible may receive aid through the Military Tuition Assistance (TA) Program. If students qualify, their service branch pays tuition directly to Wayne State College and can be used for undergraduate and graduate programs, either online or on campus. The College has developed procedures to provide each student with maximum flexibility in the event the student is called to active duty.
