## ADULTS AND JUVENILE INVESTIGATIONS

The purpose of an investigation is to provide the court with timely, relevant, and accurate information about an adult or juvenile prior to the sentencing or disposition of a case.

In 2022, a total of 10,172 adult investigations were completed, compared to 10,495 in 2023 (see Figure 2).

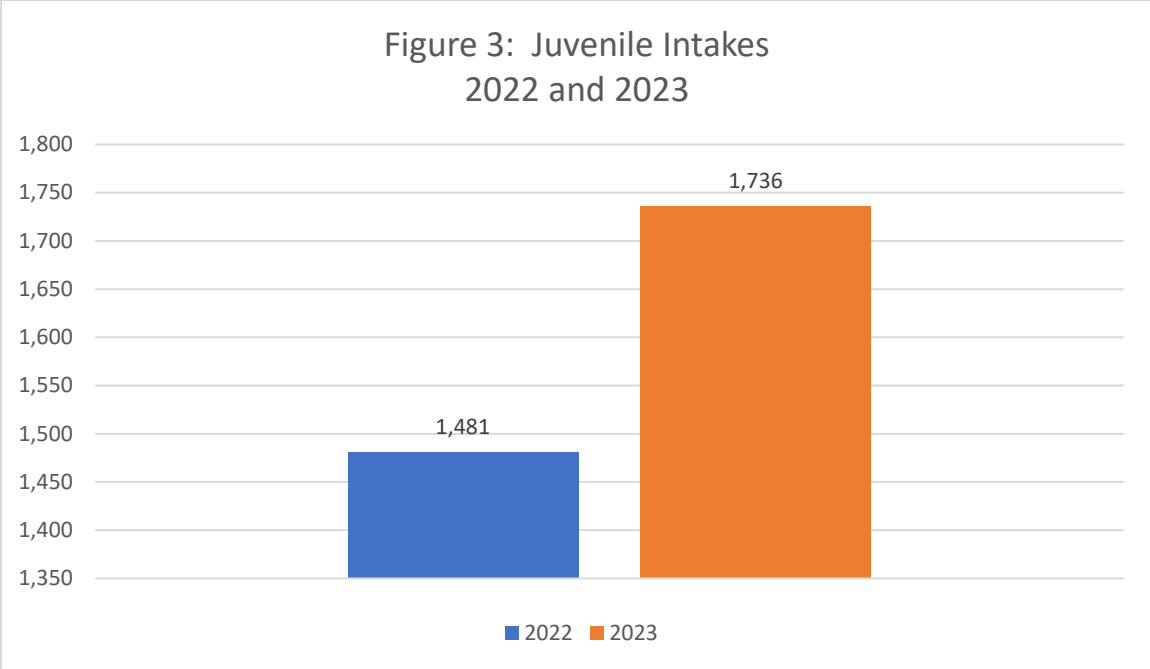

Juvenile investigations for 2022 totaled 3,561 compared to 3,851 investigations completed in 2023 (see Figure 2).

**JUVENILE INTAKE INTERVIEWS**

A peace officer may retain temporary custody of a juvenile taken into temporary custody, pursuant to Nebraska Revised Statutes §43-248 and §43-250. It is the responsibility of law enforcement to deliver youth to probation intake. Probation intake administers a standardized juvenile detention screening instrument to guide the intake decision. Additionally, legal warrants for juveniles pass through Probation’s intake process.

In 2022, there were 1,481 juvenile intake interviews completed, compared to 1,736 completed in 2023 (see Figure 3).

**PROBATION ENROLLMENT AND PROGRAMMING FEES**

Nebraska Revised Statute §29-2262.06 outlines the collection of enrollment and programming fees for adult probationers. Adult probationers placed on either probation or intensive supervision probation and participants in non-probation-based programs or services shall pay a one-time administrative enrollment fee of thirty dollars (\$30.00). The fee shall be paid in a lump sum upon the beginning of probation supervision or participation in a non-probation-based program or service (see Table 1).

Adult probationers placed on probation shall pay a monthly probation programming fee of twenty-five dollars (\$25.00), not later than the tenth day of each month, for the duration of probation. Adult probationers placed on intensive supervision probation and participants in non-probation-based programs or services shall pay a monthly probation programming fee of thirty-five dollars (\$35.00), not later than the tenth day of each month, for the duration of probation supervision or participation in a non-probation-based program or service (see Table 1).
