Opening Presenter  
Nebraska Emergency Management Agency  
Uber Technologies, Inc.

**Opponents:**

**Representing:**

**Neutral:**

**Representing:**

\* ADA Accommodation Written Testimony

---

**Summary of purpose and/or changes:**

LB771 alters Nebraska statutes related to transportation network companies. It amends section 75-327 to give the Governor discretion to permit dynamic pricing in political subdivisions where the Governor has declared an emergency. Any prohibition of such pricing must be specifically declared by the Governor in the relevant emergency proclamation or executive order. Dynamic pricing is permitted in any political subdivision not in a state of emergency.
