**Summary of purpose and/or changes:**

LR 282 proposes the expulsion of Senator Dan McKeon, representing District 41, based on a pattern of conduct deemed unbecoming of a member of the Nebraska Legislature. The resolution references findings from a formal investigation into violations of the Nebraska Legislature's Workplace Harassment Policy, as well as additional documented and alleged behaviors, public statements, and ongoing patterns that have affected the legislative workplace environment and public confidence in the institution. The proposed action is not based solely on the findings of the investigation, but on the overall pattern of conduct and its impact. The resolution provides for a vote by the Legislature pursuant to Article III, section 10, of the Constitution of Nebraska and Rule 2, section 6, of the Rules of the Nebraska Unicameral Legislature.
