LB373 amends Nebraska §39-1722, 39-1724, 39-17253, and 39-1410 to allow county boards the authority to vacate or abandon public roads that are section lines, if they feel the road is not in the public’s best interest. After a Highway Superintendent (or similarly directed person) recommends the abandonment, then a public hearing would be held. The advanced notice of the hearing’s time, date, and place would be published for three consecutive weeks in a legal newspaper of the county (or one generally circulated in that county), with a clear description of the road being proposed to vacate. Additionally, the advanced hearing notice is to be sent by mail to owners of the land abutting on or adjacent to the road, whenever possible.

The Nebraska Department of Transportation (NDOT) has indicated no fiscal impact.

The Nebraska Association of County Officials (NACO) is anticipating a minimal fiscal impact to counties.

There is no basis to disagree with these estimations of fiscal impact to NDOT or NACO.
