The bill establishes the Family Resource and Juvenile Assessment Center Pilot Program. As amended, the bill requires the Department of Health and Human Services (DHHS) to designate two centers in cities of the metropolitan class, Omaha, to receive up to \$500,000 each annually from the Medicaid Managed Care Excess Profit Fund. The bill includes a termination date of five years after the operative date of the act. DHHS would require one staff person to oversee the program. The bill limits administrative expenses to \$100,000 annually of the total \$1 million funding which is sufficient to cover the additional staff person. The services provided could offset expenditures in child welfare and juvenile justice programs of DHHS and the Supreme Court however the amount is indeterminable.
