LB497 amends §79-215 & §79-2,136 to change the provisions relating to the admission of students & to require each school board to allow certain students that are not residents of the school district to participate in extracurricular activities.

A school board will admit a student who is also enrolled in a private, denominational, or parochial school or in a school which elects not to meet accreditation or approval requirements, without charge for part-time enrollment in the district for the purpose of participation in extracurricular activities if the district where that student or that student's parent resides does not offer the extracurricular activity in which the student wants to participate in through part-time enrollment & the district the student is attempting to attend is the closest school district to where that student or that student's parent resides that offers the extracurricular activity.

FISCAL IMPACT:
 The impact will be at the district level & cannot be determined at this time.
