This bill modifies care management units under the Nebraska Community Aging Services Act. Currently, families accessing services under the Act are required to pay a fee from zero to ninety percent of the cost associated with care and the Area Agencies on Aging bill the Department of Health and Human Services (DHHS) for the remaining balance which is covered by General Funds. This bill would remove the required fee and make it optional. DHHS has indicated ability to absorb any fiscal impact of the provisions of the bill. Minimal fiscal impact.
