LB 986 AM2353 amends the the types of security services and systems to include other reasonable security measures and improvements.

LB 986 would allow expending campaign funds for security services and systems under the Nebraska Political Accountability and Disclosure Act.

Nebraska Accountability and Disclosure Commission (NADC) estimates the bill would require reprinting and updating brochures and forms at a cost of \$500. Additionally, NADC would have to notify and educate the affected candidates and ballot question committees of the changes at a cost of \$1,500. The one-time total cost of \$2,000 would be covered using current resources and would not require an additional appropriation.

No fiscal impact.
