2 property that becomes delinquent, including any interest on the annual
3 assessment and any penalty, shall constitute a PACE lien against the
4 qualifying property on which the annual assessment is imposed until the
5 annual assessment, including any interest and penalty, is paid in full.
6 Any annual assessment that is not paid within the time period set forth
7 in the assessment contract shall be considered delinquent. The
8 municipality shall, within fourteen days after an annual assessment
9 becomes delinquent or, if there is a third-party lender financing the
10 energy project, within fourteen days after receiving notice from such
11 third-party lender that an annual assessment has become delinquent,
12 record a notice of such lien in the office of the register of deeds of
13 the county in which the qualifying property is located. The municipality
14 shall certify the amount of any such delinquency and lien to the county
15 treasurer, and the lien shall be treated as a special assessment in the
16 same manner as special assessments are treated under section 77-1858 and
17 shall be subject to the same collection processes for real estate taxes
18 and special assessments as set forth in Chapter 77, including, without
19 limitation, sections 77-1801 to 77-1863.

20 (b) For qualifying property that is single-family residential
21 property, all annual assessments imposed on such qualifying property,
22 including any interest on the annual assessments and any penalty, shall,
23 upon the initial annual assessment, constitute a PACE lien against the
24 qualifying property on which the annual assessments are imposed until all
25 annual assessments, including any interest and penalty, are paid in full.
26 Any annual assessment that is not paid within the time period set forth
27 in the assessment contract shall be considered delinquent. The
28 municipality shall, upon imposition of the initial annual assessment,
29 record a notice of such lien in the office of the register of deeds of
30 the county in which the qualifying property is located.

31 (2) A notice of lien filed under this section shall, at a minimum,

1 include:

2 (a) The amount of funds disbursed or to be disbursed pursuant to the
3 assessment contract;

6 (c) The legal description of the qualifying property subject to the
7 annual assessment;

8 (d) The duration of the assessment contract; and

15 be subordinate to a first mortgage or trust deed on the qualifying
16 property recorded after the notice of the PACE lien is recorded, and
17 (iii) have priority over any other lien on the qualifying property
18 recorded after the notice of the PACE lien is recorded; and

19 (b) For qualifying property other than single-family residential
20 property and subject to the requirement in subdivision (2)(a) of section
21 13-3205 to obtain and record an executed consent and subordination
22 agreement, have the same priority and status as real property tax liens.

23 (4)(a) Notwithstanding any other provision of law, in the event of a
24 sale pursuant to a foreclosure or a sale pursuant to the exercise of a
25 power of sale under a trust deed relating to qualifying property that is
26 single-family residential property, the holders of any mortgages, trust
27 deeds, or other liens, including delinquent annual assessments secured by
28 PACE liens, shall receive proceeds in accordance with the priorities
29 established under subdivision (3)(a) of this section. In the event there
30 are insufficient proceeds from such a sale, from the loss reserve fund
31 established pursuant to section 13-3208, or from any other means to

1 satisfy the delinquent annual assessments, such delinquent annual
2 assessments shall be extinguished. Any annual assessment that has not yet
3 become delinquent shall not be accelerated or extinguished in the event
4 of a sale pursuant to a foreclosure or a sale pursuant to the exercise of
5 a power of sale under a trust deed relating to qualifying property that
6 is single-family residential property. Upon the transfer of ownership of
7 qualifying property that is single-family residential property, including
8 a sale pursuant to a foreclosure or a sale pursuant to the exercise of a
9 power of sale under a trust deed, the nondelinquent annual assessments
10 shall continue as a lien on the qualifying property, subject to the
11 priorities established under subdivision (3)(a) of this section.

12 (b) Upon the transfer of ownership of qualifying property other than
13 single-family residential property, including a sale pursuant to a
14 foreclosure or a sale pursuant to the exercise of a power of sale under a
15 trust deed, the obligation to pay annual assessments shall run with the
16 qualifying property.

17 (5)(a) For qualifying property other than single-family residential
18 property, when the delinquent annual assessment, including any interest
19 and penalty, is paid in full, a release of the PACE lien shall be
20 recorded in the office of the register of deeds of the county in which
21 the notice of the PACE lien was recorded.

22 (b) For qualifying property that is single-family residential
23 property, when all annual assessments, including any interest and
24 penalty, are paid in full, a release of the PACE lien shall be recorded
25 in the office of the register of deeds of the county in which the notice
26 of the PACE lien was recorded.

27 (6) If the holder or loan servicer of any existing mortgage or trust
28 deed that encumbers or that is otherwise secured by the qualifying
29 property has established a payment schedule or escrow account to accrue
30 property taxes or insurance, such holder or loan servicer may increase
31 the required monthly payment, if any, by an amount necessary to pay the

1 annual assessment imposed under the Property Assessed Clean Energy Act.

2 **Sec. 8.** Section 18-2101.02, Revised Statutes Supplement, 2025, is
3 amended to read:

13 shall first declare, by resolution adopted after the public hearings
14 required under this section, such area to be an extremely blighted area.

15 (2) Prior to making such declaration, the governing body of the city
16 shall conduct or cause to be conducted a study or an analysis on whether
17 the area is extremely blighted and shall submit the question of whether
18 such area is extremely blighted to the planning commission or board of
19 the city for its review and recommendation. The planning commission or
20 board shall hold a public hearing on the question after giving notice of
21 the hearing as provided in section 18-2115.01. The planning commission or
22 board shall submit its written recommendations to the governing body of
23 the city within thirty days after the public hearing.

24 (3) Upon receipt of the recommendations of the planning commission
25 or board, or if no recommendations are received within thirty days after
26 the public hearing required under subsection (2) of this section, the
27 governing body shall hold a public hearing on the question of whether the
28 area is extremely blighted after giving notice of the hearing as provided
29 in section 18-2115.01. At the public hearing, all interested parties
30 shall be afforded a reasonable opportunity to express their views
31 respecting the proposed declaration. After such hearing, the governing

1 body of the city may make its declaration.

2 (4) Copies of each study or analysis conducted pursuant to
3 subsection (2) of this section shall be posted on the city's public
4 website or made available for public inspection at a location designated
5 by the city.

6 (5) The study or analysis required under subsection (2) of this
7 section may be conducted in conjunction with the study or analysis
8 required under section 18-2109. The hearings required under this section
9 may be held in conjunction with the hearings required under section
10 18-2109.

11 (6) Notwithstanding any other provisions of the Community
12 Development Law, the designation of an area as an extremely blighted area
13 pursuant to this section shall be valid for a period of no less than
14 twenty-five years from the effective date of the resolution declaring
15 such area to be an extremely blighted area, except that such designation
16 may be removed prior to the end of such period pursuant to section
17 18-2156.

18 **Sec. 9.** Section 18-2117.01, Revised Statutes Cumulative Supplement,
19 2024, is amended to read:

20 18-2117.01 (1)(a) On or before December 1 each year, each city which
21 has approved one or more redevelopment plans which are financed in whole
22 or in part through the division of taxes as provided in section 18-2147
23 shall provide a report to the Property Tax Administrator on each such
24 redevelopment plan which includes the following information:

25 (i) A copy of the redevelopment plan and any amendments thereto,
26 including the date upon which the redevelopment plan was approved, the
27 effective date for dividing the ad valorem tax as provided to the county
28 assessor pursuant to subsection (7) ~~(6)~~ of section 18-2147, and the
29 location and boundaries of the property in the redevelopment project; and

30 (ii) A short narrative description of the type of development
31 undertaken by the city or village with the financing and the type of

1 business or commercial activity locating within the redevelopment project
2 area as a result of the redevelopment project.

3 (b) If a city has approved one or more redevelopment plans using an
4 expedited review under section 18-2155, the city may file a single report
5 under this subsection for all such redevelopment plans.

6 (2) The report required under subsection (1) of this section must be
7 filed each year, regardless of whether the information in the report has
8 changed, except that a city is not required to refile a copy of the
9 redevelopment plan or an amendment thereto if such copy or amendment has
10 previously been filed.

11 (3) The Property Tax Administrator shall compile a report for each
12 active redevelopment project, based upon information provided by the
13 cities pursuant to subsection (1) of this section and information
14 reported by the county assessor or county clerk on the certificate of
15 taxes levied pursuant to section 77-1613.01. Each report shall be
16 electronically transmitted to the Clerk of the Legislature not later than
17 March 1 each year. The report may include any recommendations of the
18 Property Tax Administrator as to what other information should be
19 included in the report from the cities so as to facilitate analysis of
20 the uses, purposes, and effectiveness of tax-increment financing and the
21 process for its implementation or to streamline the reporting process
22 provided for in this section to eliminate unnecessary paperwork.

23 **Sec. 10.** Section 18-2124, Reissue Revised Statutes of Nebraska, is
24 amended to read:

25 18-2124 An authority may issue bonds, including conduit revenue
26 bonds subject to a taxpayer agreement entered into pursuant to subsection
27 (3) of section 18-2147, from time to time in its discretion for any of
28 its corporate purposes, including the payment of principal and interest
29 upon any advances for surveys and plans for redevelopment projects. An
30 authority may also issue refunding bonds for the purpose of paying,
31 retiring, or otherwise refinancing or in exchange for any or all of the

1 principal or interest upon bonds previously issued by the authority. An
2 authority may issue such types of bonds as it may determine, including,
3 without limiting the generality of the foregoing, bonds on which the
4 principal and interest are payable: (1) Exclusively from the income,
5 proceeds, and revenue of the redevelopment project financed with proceeds
6 of such bonds; (2) exclusively from the income, proceeds, and revenue of
7 any of its redevelopment projects whether or not they are financed in
8 whole or in part with the proceeds of such bonds; (3) exclusively from
9 its revenue and income, including any special assessment levied pursuant
10 to section 18-1722 and such tax revenue or receipts as may be authorized
11 under the Community Development Law, including those which may be pledged
12 under section 18-2150, and from such grants and loans as may be received;
13 or (4) from all or part of the income, proceeds, and revenue enumerated
14 in subdivisions (1), (2), and (3) of this section. Any such bonds may be
15 additionally secured by a pledge of any loan, grant, or contributions, or
16 parts thereof, from the federal government or other source or a mortgage
17 of any redevelopment project or projects of the authority. The authority
18 shall not pledge the credit or taxing power of the state or any political
19 subdivision thereof, except such tax receipts as may be authorized under
20 this section or pledged under section 18-2150, or place any lien or
21 encumbrance on any property owned by the state, county, or city used by
22 the authority.

23 **Sec. 11.** Section 18-2125, Reissue Revised Statutes of Nebraska, is
24 amended to read:

25 18-2125 Neither the members of an authority nor any person executing
26 the bonds shall be liable personally on the bonds by reason of the
27 issuance thereof. The bonds and other obligations of the authority, and
28 such bonds and obligations shall so state on their face, shall not be a
29 debt of the city and the city shall not be liable on such bonds, except
30 to the extent authorized by sections 18-2147 to 18-2150, nor in any event
31 shall such bonds or obligations be payable out of any funds or properties

1 other than those of said authority acquired for the purposes of the
2 Community Development Law, except to the extent authorized by sections
3 18-2147 to 18-2150. Except to the extent otherwise authorized, the bonds
4 shall not constitute an indebtedness within the meaning of any
5 constitutional or statutory debt limitation or restriction. Bonds of an
6 authority are declared to be issued for an essential public and
7 governmental purpose and to be public instrumentalities and, together
8 with interest thereon and income therefrom, shall be exempt from all
9 Nebraska taxes. All bonds, except conduit revenue bonds issued pursuant
10 to subsection (3) of section 18-2147, shall be general obligations of the
11 authority issuing same and shall be payable out of any revenue, income,
12 receipts, proceeds, or other money of the authority, except as may be
13 otherwise provided in the instruments themselves.

14 An authority shall have power from time to time to issue bond
15 anticipation notes, referred to as notes herein, and from time to time to
16 issue renewal notes, such notes in any case to mature not later than
17 thirty months from the date of incurring the indebtedness represented
18 thereby in an amount not exceeding in the aggregate at any time
19 outstanding the amount of bonds then or theretofore authorized. Payment
20 of such notes shall be made from any money or revenue which the authority
21 may have available for such purpose or from the proceeds of the sale of
22 bonds of the authority, or such notes may be exchanged for a like amount
23 of such bonds. The authority may pledge such money or revenue of the
24 authority, subject to prior pledges thereof, if any, for the payment of
25 such notes, and may in addition secure the notes in the same manner as
26 herein provided for bonds. All notes shall be issued and sold in the same
27 manner as bonds, and any authority shall have power to make contracts for
28 the future sale from time to time of notes on terms and conditions stated
29 in such contracts, and the authority shall have power to pay such
30 consideration as it shall deem proper for any commitments to purchase
31 notes and bonds in the future. Such notes shall also be collaterally

1 secured by pledges and deposits with a bank or trust company, in trust
2 for the payment of such notes, of bonds in an aggregate amount at least
3 equal to the amount of such notes and, in any event, in an amount deemed
4 by the issuing authority sufficient to provide for the payment of the
5 notes in full at the maturity thereof. The authority may provide in the
6 collateral agreement that the notes may be exchanged for bonds held as
7 collateral security for the notes, or that the trustee may sell the bonds
8 if the notes are not otherwise paid at maturity, and apply the proceeds
9 of such sale to the payment of the notes. Such notes shall bear interest
10 at a rate set by the authority, and shall be sold at such price as shall
11 cause an interest cost thereon not to exceed such rate.

12 It is the intention hereof that any pledge of revenue, income,
13 receipts, proceeds, or other money made by an authority for the payment
14 of bonds or notes shall be valid and binding from the time such pledge is
15 made; that the revenue, income, receipts, proceeds, and other money so
16 pledged and thereafter received by the authority shall immediately be
17 subject to the lien of such pledge without the physical delivery thereof
18 or further act, and that the lien of any such pledge shall be valid and
19 binding as against all parties having claims of any kind in tort,
20 contract, or otherwise against the authority irrespective of whether such
21 parties have notice thereof. Neither the resolution nor any other
22 instrument by which a pledge is created need be recorded.

23 **Sec. 12.** Section 18-2136, Reissue Revised Statutes of Nebraska, is
24 amended to read:

25 18-2136 All property including funds of an authority shall be exempt
26 from levy and sale by virtue of an execution, and no execution or other
27 judicial process shall issue against such property nor shall judgment
28 against an authority be a charge or lien upon its property. The
29 provisions of this section shall not apply to or limit the right of
30 obligees to foreclose or otherwise enforce any taxpayer agreement entered
31 into pursuant to subsection (3) of section 18-2147 or any mortgage of an

1 authority or the right of obligees to pursue any remedies for the
2 enforcement of any pledge or lien given by an authority on its rents,
3 fees, grants, or revenue.

4 **Sec. 13.** Section 18-2147, Revised Statutes Supplement, 2025, is
5 amended to read:

6 18-2147 (1) Any redevelopment plan as originally approved or as
7 later modified pursuant to section 18-2117 may contain a provision that
8 any ad valorem tax levied upon real property, or any portion thereof, in
9 a redevelopment project for the benefit of any public body shall be
10 divided, for the applicable period described in subsection (5) ~~(4)~~ of
11 this section, as follows:

12 (a) That portion of the ad valorem tax which is produced by the levy
13 at the rate fixed each year by or for each such public body upon the
14 redevelopment project valuation shall be paid into the funds of each such
15 public body in the same proportion as are all other taxes collected by or
16 for the body. When there is not a redevelopment project valuation on a
17 parcel or parcels, the county assessor shall determine the redevelopment
18 project valuation based upon the fair market valuation of the parcel or
19 parcels as of January 1 of the year prior to the year that the ad valorem
20 taxes are to be divided. The county assessor shall provide written notice
21 of the redevelopment project valuation to the authority as defined in
22 section 18-2103 and the owner. The authority or owner may protest the
23 valuation to the county board of equalization within thirty days after
24 the date of the valuation notice. All provisions of section 77-1502
25 except dates for filing of a protest, the period for hearing protests,
26 and the date for mailing notice of the county board of equalization's
27 decision are applicable to any protest filed pursuant to this section.
28 The county board of equalization shall decide any protest filed pursuant
29 to this section within thirty days after the filing of the protest. The
30 county clerk shall mail a copy of the decision made by the county board
31 of equalization on protests pursuant to this section to the authority or

1 owner within seven days after the board's decision. Any decision of the
2 county board of equalization may be appealed to the Tax Equalization and
3 Review Commission, in accordance with section 77-5013, within thirty days
4 after the date of the decision;

5 (b) That portion of the ad valorem tax on real property, as provided
6 in the redevelopment contract, bond resolution, or redevelopment plan, as
7 applicable, in the redevelopment project in excess of such amount, if
8 any, shall be allocated to and, when collected, paid into a special fund
9 of the authority to be used solely to pay the principal of, the interest
10 on, and any premiums due in connection with the bonds of, loans, notes,
11 or advances of money to, or indebtedness incurred by, whether funded,
12 refunded, assumed, or otherwise, such authority for financing or
13 refinancing, in whole or in part, the redevelopment project. When such
14 bonds, loans, notes, advances of money, or indebtedness, including
15 interest and premiums due, have been paid, the authority shall so notify
16 the county assessor and county treasurer and all ad valorem taxes upon
17 taxable real property in such a redevelopment project shall be paid into
18 the funds of the respective public bodies. An authority may use a single
19 fund for purposes of this subdivision for all redevelopment projects or
20 may use a separate fund for each redevelopment project; and

21 (c) Any interest and penalties due for delinquent taxes shall be
22 paid into the funds of each public body in the same proportion as are all
23 other taxes collected by or for the public body.

24 (2) To the extent that a redevelopment plan authorizes the division
25 of ad valorem taxes levied upon only a portion of the real property
26 included in such redevelopment plan, any improvements funded by such
27 division of taxes shall be related to the redevelopment plan that
28 authorized such division of taxes.

29 (3)(a) An authority may enter into a redevelopment contract or adopt
30 a bond resolution or redevelopment plan pursuant to which it issues
31 conduit revenue bonds and under which the authority may pledge a

1 percentage, up to and including one hundred percent, of the annual excess
2 tax revenues described in subdivision (1)(b) of this section, if any,
3 toward the authority's obligations under the contract, resolution, or
4 plan. The ad valorem taxes to be pledged under this subsection shall be
5 placed into a special fund of the authority to be used solely to pay the
6 principal of, the interest on, and any premiums due in connection with
7 the bonds of the redevelopment project. When an authority has pledged
8 less than one hundred percent of the excess tax revenues under the
9 contract, resolution, or plan, the unpledged portion of ad valorem taxes
10 collected on the real property shall be paid into the funds of the
11 respective public bodies as provided in subdivision (1)(b) of this
12 section.

13 (b) An authority that issues one or more conduit revenue bonds
14 pursuant to subdivision (3)(a) of this section may enter into an
15 agreement with a taxpayer that limits the taxpayer's rights to challenge
16 the assessment of real property taxes on real property within a
17 redevelopment project or that guarantees, enhances, or otherwise further
18 secures bonds issued by the authority, such as by guaranteeing any
19 shortfall in real property taxes pledged to payment of the conduit
20 revenue bonds issued to support a redevelopment project, if (i) the
21 taxpayer's real property is within such redevelopment project and (ii)
22 the real property taxes levied upon such real property are subject to
23 division in accordance with subdivision (3)(a) of this section. The
24 obligation to make payments under a taxpayer agreement that guarantee,
25 enhance, or otherwise further secure conduit revenue bonds issued
26 pursuant to subdivision (3)(a) of this section shall be treated in the
27 same manner as property taxes for purposes of section 77-203 if, and to
28 the extent that, the taxpayer agreement provides for a property tax lien.

29 (c) A lien resulting from a taxpayer agreement described in
30 subdivision (3)(b) of this section takes priority over any existing or
31 subsequent mortgage, other lien, or other encumbrance on the property,

1 shall have parity with a property tax lien described in section 77-203,
2 and may be enforced and collected in all respects as real property taxes.

3 (4)(a) ~~(3)(a)~~ For any redevelopment plan located in a city of the
4 metropolitan class that includes a division of taxes, as provided in this
5 section, that produces, in whole or in part, funds to be used directly or
6 indirectly for (i) new construction, rehabilitation, or acquisition of
7 housing for households with annual incomes below the area median income
8 for households and located within six hundred yards of a public passenger
9 streetcar or (ii) new construction, rehabilitation, or acquisition of
10 single-family housing or condominium housing used as primary residences
11 for individuals with annual incomes below the area median income for
12 individuals, such housing shall be deemed related to the redevelopment
13 plan that authorized such division of taxes regardless of whether such
14 housing is or will be located on real property within such redevelopment
15 plan, as long as such housing supports activities occurring on or
16 identified in such redevelopment plan.

17 (b) During each fiscal year in which the funds described in
18 subdivision (a) of this subsection are available, the authority and city
19 shall make best efforts to allocate not less than thirty percent of such
20 funds to single-family housing deemed related to the redevelopment plan
21 described under such subdivision.

22 (c) In selecting projects to receive funding, the authority and city
23 shall develop a qualified allocation plan and give first priority to
24 financially viable projects that serve the lowest income occupants for
25 the longest period of time.

26 (5)(a) ~~(4)(a)~~ For any redevelopment plan for which more than fifty
27 percent of the property in the redevelopment project area has been
28 declared an extremely blighted area in accordance with section
29 18-2101.02, ad valorem taxes shall be divided for a period not to exceed
30 twenty years after the effective date as identified in the project
31 redevelopment contract or in the resolution of the authority authorizing

1 the issuance of bonds pursuant to section 18-2124.

2 (b) For all other redevelopment plans, ad valorem taxes shall be
3 divided for a period not to exceed fifteen years after the effective date
4 as identified in the project redevelopment contract, in the resolution of
5 the authority authorizing the issuance of bonds pursuant to section
6 18-2124, or in the redevelopment plan, whichever is applicable.

7 (6) ~~(5)~~ The effective date of a provision dividing ad valorem taxes
8 as provided in subsection (5) ~~(4)~~ of this section shall not occur until
9 such time as the real property in the redevelopment project is within the
10 corporate boundaries of the city. This subsection shall not apply to a
11 redevelopment project involving a formerly used defense site as
12 authorized in section 18-2123.01.

13 (7) ~~(6)~~ All notices of the provision for dividing ad valorem taxes
14 shall be sent by the authority to the county assessor on forms prescribed
15 by the Property Tax Administrator. The notice shall be sent to the county
16 assessor on or before July 1 of the year of the effective date of the
17 provision. Failure to satisfy the notice requirement of this section
18 shall result in the taxes, for all taxable years affected by the failure
19 to give notice of the effective date of the provision, remaining
20 undivided and being paid into the funds for each public body receiving
21 property taxes generated by the property in the redevelopment project.
22 However, the redevelopment project valuation for the remaining division
23 of ad valorem taxes in accordance with subdivisions (1)(a) and (b) of
24 this section shall be the last certified valuation for the taxable year
25 prior to the effective date of the provision to divide the taxes for the
26 remaining portion of the twenty-year or fifteen-year period pursuant to
27 subsection (5) ~~(4)~~ of this section.
