27 misdemeanor that is a qualified offense.

28 (3) Upon entry of an order under subsection (1) or (2) of this  
29 section, the court shall send notice of such order as provided in  
30 subsection (2) of section 8 of this act.

31 **Sec. 10.** The State Court Administrator may adopt and promulgate

1 rules and regulations as necessary to carry out the Clean Slate Act.

2 **Sec. 11.** (1)(a) The Legislature finds that individuals serving  
3 long-term or life sentences who are rehabilitated and ready to be safely  
4 released from incarceration should be able to earn a second chance by  
5 receiving a commutation of their sentences from the Board of Pardons.  
6 Such commutation is intended to allow such rehabilitated individuals to  
7 be responsibly reintegrated into their communities while on parole and,  
8 if successful on parole, as fully free individuals.

9 (b) Second chance relief is a program through which the department,  
10 the Division of Parole Supervision, and the Board of Parole identify  
11 eligible committed offenders and work with them to apply for a  
12 commutation from the Board of Pardons.

13 (2) The department, the Division of Parole Supervision, and the  
14 Board of Parole shall establish a program to provide recommendations for  
15 second chance relief as provided in this section.

16 (3) A committed offender serving a sentence of imprisonment,  
17 including life imprisonment, is eligible for second chance relief under  
18 this section as follows:

19 (a) For an offense committed when the offender was younger than  
20 twenty-six years of age, after serving at least twenty-five years of a  
21 sentence of imprisonment; or

22 (b) For an offense committed when the offender was twenty-six years  
23 of age or older, after serving at least thirty years of a sentence of  
24 imprisonment.

25 (4) The department shall regularly identify committed offenders who  
26 are eligible under this section or who will become eligible within five  
27 years. The department shall regularly provide lists of such offenders to  
28 the Board of Parole. The board shall advise such offenders regarding the  
29 second chance relief program and work with interested offenders to  
30 improve their chances of obtaining second chance relief through  
31 rehabilitation and good behavior.

1       (5) In determining whether an eligible committed offender is  
2 rehabilitated and a good candidate for second chance relief, the Board of  
3 Parole shall:

4       (a) Complete a risk assessment for the committed offender; and

5       (b) Involve community leaders and stakeholders in the review process  
6 to ensure that public safety and community concerns are addressed.

7       (6) If the Board of Parole determines that an eligible committed  
8 offender is rehabilitated and a good candidate for second chance relief,  
9 the board shall make a recommendation to the Board of Pardons that such  
10 offender's sentence be commuted.

11       (7)(a) If the Board of Pardons receives a recommendation for second  
12 chance relief from the Board of Parole, the Board of Pardons shall  
13 promptly consider whether to grant a commutation of some or all of the  
14 remainder of a committed offender's sentence to a term of parole. Such  
15 term shall not extend longer than the remainder of the term of  
16 imprisonment.

17       (b) If the Board of Pardons determines not to grant a commutation,  
18 the board shall provide the committed offender with a list of steps or  
19 requirements that the committed offender must satisfy to increase the  
20 chances the committed offender will be granted a commutation at a  
21 subsequent review. The Board of Pardons shall also provide a process for  
22 seeking a subsequent commutation review. Upon completion of such steps or  
23 requirements, the committed offender may petition the Board of Pardons to  
24 grant a commutation. The Board of Pardons shall review a petition for  
25 subsequent review and make a determination within thirty days after  
26 receipt of such petition.

27       (8) If a committed offender is granted a commutation and paroled  
28 under this section, the Board of Parole shall:

29       (a) Develop a detailed reentry plan tailored to the committed  
30 offender's needs, including job placement, housing support, and access to  
31 continuing education and mental health services;

1        (b) Provide the committed offender with access to mentorship  
2 programs and community support networks to facilitate successful  
3 reintegration into the community;

4        (c) Provide for victim and community involvement through restorative  
5 justice programs. The Board of Parole shall offer restorative justice  
6 opportunities, when appropriate, to allow the committed offender to make  
7 amends with victims and the community; and

8        (d) Provide for accountability and monitoring by requiring regular  
9 check-ins with parole officers and continuous monitoring during the  
10 initial phase of reentry to ensure compliance with conditions of parole.

11        (9) The Board of Parole shall implement a system for ongoing  
12 evaluation and adjustment of the second chance relief program based on  
13 outcomes and feedback.
