16 renewal. The notice shall be sent ~~mailed~~ to the licensee or organization
17 at the last-known address on file with the board at least one month in
18 advance of the date of the expiration. Renewal may be effected at any
19 time prior to or during the period established by the board upon
20 application pursuant to this section and payment of a renewal fee. The
21 fee shall not exceed two hundred dollars per year. Renewal of an expired
22 certificate may be effected under rules and regulations of the board
23 regarding requirements for reexamination and for penalty fees. The board
24 may adopt a program of continuing education as a requirement for renewal
25 for individual licensees.

26 (2) An applicant for renewal of a certificate of licensure or
27 certificate of authorization shall apply in a method ~~on a form~~ prescribed
28 ~~and furnished~~ by the board. The application shall contain statements made
29 under oath showing the applicant's fitness to maintain licensure,
30 including felony convictions in any jurisdiction, convictions involving
31 moral turpitude in any jurisdiction, and suspension or revocation of a

1 professional license in any other jurisdiction. The board shall review
2 the application for renewal. If the board takes no action, the license
3 shall be renewed. The board may deny renewal if it determines the
4 applicant does not meet the requirements for licensure or renewal.

5 **Sec. 27.** Section 81-3534, Reissue Revised Statutes of Nebraska, is
6 amended to read:

7 81-3534 Except as provided in sections 81-3539 and ~~to~~ 81-3541 and
8 sections 32 to 40 of this act, an individual shall not directly or
9 indirectly engage in the practice of geology in the state or use the
10 title Professional Geologist or display or use any words, letters,
11 figures, titles, sign, card, advertisement, or other symbol or device
12 indicating or tending to indicate that such individual ~~he or she~~ is a
13 professional geologist, a licensee, or is practicing geology unless such
14 individual ~~he or she~~ is licensed under the Geologists Regulation Act. A
15 professional licensed geologist or licensee shall not aid or abet any
16 person not licensed under the act in the practice of geology.

17 **Sec. 28.** Section 81-3535, Reissue Revised Statutes of Nebraska, is
18 amended to read:

19 81-3535 Any person who performs any of the following actions is
20 guilty of a Class II misdemeanor for the first offense and a Class I
21 misdemeanor for the second or any subsequent offense:

22 (1) Practices or offers to practice geology in this state without
23 being licensed in accordance with the Geologists Regulation Act and is
24 not exempted by section ~~sections~~ 81-3539 or ~~to~~ 81-3541 or sections 32 to
25 40 of this act;

26 (2) Knowingly and willfully employs or retains a person to practice
27 geology in this state who is not licensed in accordance with the act and
28 who is not exempted by section ~~sections~~ 81-3539 or ~~to~~ 81-3541 or sections
29 32 to 40 of this act;

30 (3) Uses the word geologist ~~Geologist~~, or any modification or
31 derivative of such word, in its name or form of business activity except

1 as authorized in the act;

2 (4) Presents or attempts to use the certificate of licensure or the
3 seal of another person;

4 (5) Gives any false or forged evidence of any kind to the board or
5 to any member of the board in obtaining or attempting to obtain a
6 certificate of authorization;

7 (6) Falsely impersonates any professional geologist ~~other licensee~~
8 of like or different name;

9 (7) Attempts to use an expired, suspended, revoked, or nonexistent
10 certificate of licensure or practices or offers to practice when not
11 qualified;

12 (8) Falsely claims that such person ~~he or she~~ is licensed or
13 authorized under the act; or

14 (9) Advertises any title or description tending to convey the
15 impression that such person is a professional geologist unless the person
16 is duly licensed under the Geologists Regulation Act; or

17 (10) ~~(9)~~ Violates any of the provisions of the act.

18 **Sec. 29.** Section 81-3536, Reissue Revised Statutes of Nebraska, is
19 amended to read:

20 81-3536 (1) Charges against any individual or organization ~~person~~
21 involving any matter coming within the jurisdiction of the board shall be
22 in writing and shall be filed with the board.

23 (2) The charges, ~~at the discretion of the board,~~ shall hold a
24 hearing on any such charges ~~be heard~~ within a reasonable time and in
25 accordance with the rules and regulations that have been adopted and
26 promulgated by the board. Such hearing ~~which~~ may include the use of a
27 hearing officer. The accused shall have the right to appear personally
28 with or without counsel, to cross-examine adverse witnesses, and to
29 produce evidence and witnesses in ~~his or her~~ defense of the accused.

30 (3) The board shall set the time and place for the hearing and shall
31 cause a copy of the charges, ~~together~~ with a notice of the time and

1 place fixed for the hearing at least thirty days before the hearing. Such
2 copy of the charges and notice shall ~~, to~~ be sent by registered mail to
3 the accused ~~, at the his or her~~ last-known business or residence address
4 of the accused known to the board ~~, at least thirty days before the~~
5 ~~hearing.~~

6 (4) If, after the hearing, the board finds the accused has violated
7 the Geologists Regulation Act or any rules or regulations, the board it
8 may issue any order described in section 81-3537. ~~If the board finds no~~
9 ~~violation, it shall enter an order dismissing the charges.~~ If the order
10 revokes, suspends, or places ~~cancels~~ a license on probation, the board
11 shall provide written notice of such revocation, suspension, or probation
12 to notify, in writing, the Secretary of State ~~and the clerk of the city~~
13 ~~or village in the state where the person has a place of business, if any.~~

14 (5) The board may reissue a license to any person whose license has
15 been revoked. Application for the reissuance of a license shall be made
16 in accordance with section 81-3539 and in such a manner as the board
17 directs and shall be accompanied by a fee established by the board.

18 **Sec. 30.** Section 81-3537, Reissue Revised Statutes of Nebraska, is
19 amended to read:

20 81-3537 (1) The board may after hearing, by majority vote, take any
21 or all of the following actions, upon proof satisfactory to the board
22 that any person or organization has violated the Geologists Regulation
23 Act or any rules or regulations adopted and promulgated pursuant to the
24 act:

- 25 (a) Issuance of censure or reprimand;
- 26 (b) Suspension of judgment;
- 27 (c) Placement of the offender on probation with the board;
- 28 (d) Placement of a limitation or limitations on the holder of a
29 license and upon the right of the holder of a license to practice the
30 profession to such extent, scope, or type of practice for such time and
31 under such conditions as are found necessary and proper;

1 (e) Imposition of a civil penalty not to exceed ten thousand
2 dollars. The amount of the penalty shall be based on the severity of the
3 violation;

4 (f) Entrance of an order of revocation or ~~,~~ suspension ~~,~~ ~~or~~
5 ~~cancellation~~ of the certificate of licensure;

6 (g) Issuance of a cease and desist order;

7 (h) Imposition of costs as in an ordinary civil action in the
8 district court, which may include attorney's fees and hearing officer
9 fees incurred by the board and the expenses of any investigation
10 undertaken by the board; or

11 (i) Dismissal of the action.

12 (2) In hearings under this section, the board may take into account
13 suitable evidence of reform.

14 (3) ~~(2)~~ Civil penalties collected under subdivision (1)(e) of this
15 section shall be remitted to the State Treasurer for distribution in
16 accordance with Article VII, section 5, of the Constitution of Nebraska.
17 All costs collected under subdivision (1)(h) of this section shall be
18 remitted to the State Treasurer for credit to the Geologists Regulation
19 Fund.

20 **Sec. 31.** Section 81-3539, Reissue Revised Statutes of Nebraska, is
21 amended to read:

22 81-3539 ~~(1) Applications for licensure as a professional geologist,~~
23 ~~for temporary or reciprocal licensure, or for enrollment as a geologist-~~
24 ~~intern shall be on forms prescribed and furnished by the board and shall~~
25 ~~be accompanied by the fee established by the board.~~

26 ~~(2) The following shall be considered as minimum evidence~~
27 ~~satisfactory to the board that the applicant is qualified for licensure~~
28 ~~as a professional geologist or enrollment as a geologist-intern:~~

29 (1) The board shall consider the following as evidence that an
30 applicant is eligible for admission to the examination on the
31 fundamentals of geology that is adopted by the board:

1 (a) ~~The applicant is a senior in or has graduated from a geology or~~
2 ~~geologic specialty program recognized by the board; of good character and~~
3 ~~reputation and submits four references with his or her application for~~
4 ~~licensure as a professional geologist. Two of the references shall be~~
5 ~~professional geologists having personal knowledge of his or her~~
6 ~~geological experience or, in the case of the application for enrollment~~
7 ~~as a geologist-intern, acting only as character references;~~

8 (b) ~~The applicant has successfully completed a minimum of thirty~~
9 ~~semester hours or forty-five quarter hours of course work in geology that~~
10 ~~includes course work in the content domains and hours as prescribed by~~
11 ~~the board and has received a baccalaureate or advanced degree in geology~~
12 ~~or a geologic specialty from a program recognized by the board;~~

13 (c) ~~The applicant has submitted an application accompanied by the~~
14 ~~fee established by the board; and~~

15 (d) ~~The applicant has submitted one or more acceptable written~~
16 ~~references.~~

17 (2)(a) ~~Any individual may apply for admission to the examination on~~
18 ~~the fundamentals of geology after completing the requirements specified~~
19 ~~in subsection (1) of this section.~~

20 (b) ~~The board may authorize the admission to the examination on the~~
21 ~~fundamentals of geology for any individual described in subdivision (a)~~
22 ~~of this subsection once the individual has completed the requirements~~
23 ~~specified in subsection (1) of this section.~~

24 (c) ~~The board may adopt and promulgate rules and regulations that~~
25 ~~specify when an individual may apply for admission to the examination on~~
26 ~~the fundamentals of geology.~~

27 (c) ~~The applicant has a documented record of a minimum of five years~~
28 ~~of progressive experience, obtained subsequent to completion of the~~
29 ~~education requirements, in geologic work of a grade and character which~~
30 ~~indicates to the board that the applicant is qualified to assume~~
31 ~~responsible charge of such work upon licensure as a geologist, including~~

1 ~~geologic teaching of advanced subjects and the design of geologic~~
2 ~~research and projects in a college or university offering a geologic~~
3 ~~curriculum, except that no work experience is required for enrollment as~~
4 ~~a geologist-intern; and~~

5 ~~(d) The applicant has completed an examination covering the~~
6 ~~fundamentals and practice of geology prescribed by the board. Upon~~
7 ~~passing the fundamentals of geology examination, the applicant may be~~
8 ~~enrolled as a geologist-intern. Upon passing the practice of geology~~
9 ~~examination, the applicant may be granted a certificate of licensure to~~
10 ~~practice geology in this state if otherwise qualified.~~

11 ~~(3) A person who holds a valid certificate of licensure to engage in~~
12 ~~the practice of geology, issued pursuant to the authority of any state or~~
13 ~~possession of the United States or the District of Columbia based on~~
14 ~~requirements that do not conflict with the act and were of a standard not~~
15 ~~lower than that specified in the applicable licensing law in effect in~~
16 ~~this state at the time the certificate was issued, may, upon application,~~
17 ~~be considered by the board to have fulfilled the requirements of~~
18 ~~subdivisions (2)(b) and (c) of this section and be licensed without~~
19 ~~further examination as required under subdivision (2)(d) of this section.~~

20 ~~(4) The requirements of subdivisions (2)(b) through (d) of this~~
21 ~~section may be waived by the board if the applicant is licensed to~~
22 ~~practice geology at the time of application and has maintained a current~~
23 ~~certificate of licensure to practice geology for at least fifteen years~~
24 ~~issued pursuant to the authority of a state or possession of the United~~
25 ~~States or the District of Columbia based on requirements that do not~~
26 ~~conflict with the Geologists Regulation Act and if the applicant has~~
27 ~~lawfully practiced geology for at least fifteen years in such~~
28 ~~jurisdiction. Lawful practice includes any practice that is in compliance~~
29 ~~with the licensure law in effect in the jurisdiction where the practice~~
30 ~~occurs.~~

31 **Sec. 32.** (1)(a) The board shall consider the following as evidence

1 that an applicant is eligible for enrollment as a geologist-intern:

2 (i) The applicant has graduated from a geology or geologic specialty
3 program that includes course work in geology that includes course work in
4 the content domains and hours as prescribed by the board;

5 (ii) The applicant has passed the examination on the fundamentals of
6 geology; and

7 (iii) The applicant has submitted an application accompanied by the
8 fee established by the board.

9 (2)(a) Any individual may apply for enrollment as a geologist-intern
10 prior to completing the requirements specified in subsection (1) of this
11 section.

12 (b) The board may enroll any individual described in subdivision (a)
13 of this subsection as a geologist-intern once the individual has
14 completed the requirements specified in subsection (1) of this section.

15 (c) The board may adopt and promulgate rules and regulations that
16 specify when an individual may apply for enrollment as a geologist-
17 intern.

18 **Sec. 33.** (1) The board shall consider the following as evidence
19 that an applicant is eligible for admission to the examination on the
20 practice of geology adopted by the board:

21 (a) The applicant has completed the education requirement of
22 graduating from a geology or geologic specialty program with a minimum of
23 thirty semester hours or forty-five quarter hours of course work in
24 geology that includes course work in the content domains and hours as
25 prescribed by the board;

26 (b) The applicant has passed the examination on the fundamentals of
27 geology;

28 (c) The applicant has a documented record of a minimum of four years
29 of progressive experience that was obtained subsequent to completion of
30 the education requirements, in geologic work of a grade or character that
31 indicates to the board that the applicant may be competent to practice

1 geology;

2 (d) The applicant has submitted an application accompanied by the
3 fee established by the board; and

4 (e) The applicant has submitted one or more acceptable written
5 references.

6 (2)(a) Any individual may apply for admission to the examination on
7 the practice of geology after completing the requirements specified in
8 subsection (1) of this section.

9 (b) The board may authorize the admission to the examination on the
10 practice of geology for any individual described in subdivision (a) of
11 this subsection once the individual has completed the requirements
12 specified in subsection (1) of this section.

13 (c) The board may adopt and promulgate rules and regulations that
14 specify when an individual may apply for admission to the examination on
15 the practice of geology.

16 **Sec. 34.** (1) The following are required for an applicant to be
17 eligible for licensure by the board as a professional geologist under
18 this section:

19 (a) The applicant has completed the education requirement of
20 graduating from a geology or geologic specialty program with a minimum of
21 thirty semester hours or forty-five quarter hours of course work in
22 geology that includes course work in the content domains and hours as
23 prescribed by the board;

24 (b) The applicant has passed the examination on the fundamentals of
25 geology or a similar examination that is approved by the board;

26 (c) The applicant has passed the examination on the practice of
27 geology or a similar examination that is approved by the board;

28 (d) The applicant has passed an examination on the statutes, rules,
29 regulations, and other requirements unique to Nebraska;

30 (e) The applicant has a documented record of four or more years of
31 progressive experience, obtained subsequent to completion of the

1 education requirement, in geologic work of a grade and character which
2 indicates to the board that the applicant may be competent to practice
3 geology;

4 (f) The applicant has submitted an application accompanied by the
5 fee established by the board; and

6 (g) The applicant has submitted one or more acceptable written
7 references.

8 (2)(a) Any individual may apply for licensure as a professional
9 geologist after completing the requirements specified in subsection (1)
10 of this section.

11 (b) The board may authorize the licensure as a professional
12 geologist for any individual described in subdivision (a) of this
13 subsection once the individual has completed the requirements specified
14 in subsection (1) of this section.

15 (c) The board may adopt and promulgate rules and regulations that
16 specify when an individual may apply for licensure as a professional
17 geologist.

18 **Sec. 35.** (1) An individual who holds a valid license issued outside
19 of the State of Nebraska to engage in the practice of geology may apply
20 to the board to be licensed as a professional geologist.

21 (2) The following are required for an applicant to be eligible for
22 licensure by the board as a professional geologist under this section:

23 (a) The applicant has a documented record of four or more years of
24 progressive experience in geologic work of a grade and character which
25 indicates to the board that the applicant may be competent to practice
26 geology. Such progressive experience shall have been completed after
27 graduating from a geology or geologic specialty program with a minimum of
28 thirty semester hours or forty-five quarter hours of course work in
29 geology that includes course work in the content domains and hours as
30 prescribed by the board;

31 (b) The applicant has passed the examination on the fundamentals of

1 geology or a similar examination that is approved by the board;

2 (c) The applicant has passed the examination on the practice of
3 geology or a similar examination that is approved by the board;

4 (d) The applicant has passed an examination on the statutes, rules,
5 regulations, and other requirements unique to Nebraska;

6 (e) The applicant has submitted an application accompanied by the
7 fee established by the board;

8 (f) The applicant has submitted one or more acceptable written
9 references;

10 (g) The applicant has provided verification of licensure in good
11 standing in another jurisdiction; and

12 (h) The jurisdiction where the applicant is licensed has laws that
13 are consistent with the Geologists Regulation Act.

14 **Sec. 36.** (1) An individual may apply to the board to be licensed as
15 a professional geologist if such individual:

16 (a) Has been licensed to practice geology for at least fifteen years
17 in one or more jurisdictions; and

18 (b) Practiced geology in any such jurisdiction in compliance with
19 the licensing laws of such jurisdiction.

20 (2) The following are required for an applicant to be eligible for
21 licensure by the board as a professional geologist under this section:

22 (a) The applicant has passed an examination on the statutes, rules,
23 regulations, and other requirements unique to Nebraska;

24 (b) The applicant submitted an application accompanied by the fee
25 established by the board;

26 (c) The applicant submitted documentation of fifteen or more years
27 of licensed geologic practice in another jurisdiction; and

28 (d) The applicant submitted one or more acceptable written
29 references.

30 **Sec. 37.** (1) An individual may apply to the board to be licensed as
31 a professional geologist if such individual has practiced any combination

1 of exempt activities described in section 81-3541 for at least fifteen
2 years.

3 (2) The board shall consider the following as evidence that an
4 applicant is eligible for licensure under this section:

5 (a) The applicant has completed the education requirement of
6 completing a minimum of thirty semester hours or forty-five quarter hours
7 of course work in geology that includes course work in the content
8 domains and hours as prescribed by the board;

9 (b) The applicant has passed an examination on the statutes, rules,
10 regulations, and other requirements unique to Nebraska;

11 (c) The applicant submitted an application accompanied by the fee
12 established by the board;

13 (d) The applicant submitted documentation of at least fifteen years
14 of such individual's practice of any combination of exempt activities
15 described in section 81-3541; and

16 (e) The applicant submitted one or more acceptable written
17 references.

18 **Sec. 38.** (1) An individual who holds a valid license to practice
19 geology in another jurisdiction may apply to the board for a temporary
20 permit.

21 (2) The board shall consider the following as evidence that an
22 applicant is eligible for licensure under this section:

23 (a) The applicant shall specify the project on which the applicant
24 intends to practice geology;

25 (b) The applicant shall specify the length of time during which the
26 applicant intends to practice geology for such project;

27 (c) The applicant submitted an application accompanied by the fee
28 established by the board;

29 (d) The applicant has passed an examination on the statutes, rules,
30 regulations, and other requirements unique to Nebraska; and

31 (e) The applicant submitted documentation of licensure as a licensed

1 geologist in another jurisdiction.

2 (3) A temporary permit issued under this section is only valid for
3 the project and for the length of time specified on the temporary permit.

4 (4) An individual who is issued a temporary permit under this
5 section is subject to the Geologists Regulation Act.

6 (5) No right to practice geology beyond the project or the length of
7 time specified on the temporary permit accrues to any holder of such
8 permit.

9 (6) An individual shall not be issued more than one temporary permit
10 under this section during such individual's lifetime.

11 **Sec. 39.** (1) The board shall prepare an examination on the
12 statutes, rules, regulations, and other requirements unique to Nebraska.

13 (2) The board may update or make changes to such examination as it
14 deems necessary.

15 **Sec. 40.** Any certificate, license, or permit that is issued by the
16 board is effective upon the issuance of such certificate, license, or
17 permit.

18 **Sec. 41.** Section 81-3540, Reissue Revised Statutes of Nebraska, is
19 amended to read:

20 81-3540 (1) The board or an its agent of the board shall direct the
21 time, and place, and delivery method of geology examinations under the
22 Geologists Regulation Act. The board may adopt the examinations
23 procedures of, grading procedures of, and acceptable grade on
24 examinations prescribed by the Association of State Boards of Geology
25 shall determine the acceptable grade on examinations.

26 (2) The board may:

27 (a) Establish guidelines for how the board will determine if a
28 written reference is acceptable;

29 (b) Prepare and adopt specifications for any examination requirement
30 under the Geologists Regulation Act;

31 (c) Adopt any examination, grading procedure, or guideline of the

1 National Association of State Boards of Geology;

2 (d) Specify the requirements for what qualifies as acceptable
3 progressive experience;

4 (e) Publish any specification or guideline adopted under this
5 section; and

6 (f) Make any specification or guideline adopted under this section
7 available to any individual upon request.

8 ~~(2) The examination shall be given in two sections as follows:~~

9 ~~(a) A fundamentals of geology examination designed to test the~~
10 ~~academic preparation of the applicant in geology. At the board's~~
11 ~~discretion, the examination may be taken at any time following~~
12 ~~substantial completion of the applicant's educational requirements.~~
13 ~~Passing this examination qualifies the examinee for a geologist-intern~~
14 ~~enrollment card, if all other requirements for enrollment as a geologist-~~
15 ~~intern are met; and~~

16 ~~(b) A principles and practice of geology examination designed to~~
17 ~~test the applicant's ability to apply geologic knowledge and to assume~~
18 ~~responsible charge of geologic work. The geologic practice examination~~
19 ~~may be taken only after the applicant has acquired the education and~~
20 ~~experience required for licensure as a geologist.~~

21 (3)(a) Any individual who fails the examination on the fundamentals
22 of geology or the examination on the practice of geology ~~(3) A candidate~~
23 ~~failing one examination may apply for reexamination, which may be granted~~
24 by the board. The board may waive the fee for any first reexamination.
25 ~~upon payment of a fee established by the board.~~

26 (b) In the event of a second or subsequent failure of the same
27 examination described in subdivision (a) of this subsection, the board
28 may require such individual ~~, the examinee may, at the discretion of the~~
29 ~~board, be required to appear before the board with evidence that such~~
30 individual has ~~of having~~ acquired the necessary additional knowledge to
31 qualify before admission for reexamination. The board may waive the fee

1 ~~charged for any second or subsequent reexamination.~~

2 ~~(c) The board may charge a fee of not more than one hundred dollars~~
3 ~~for any reexamination described in this subsection to the examination.~~

4 ~~(4) Any examination material described in the Geologists Regulation~~
5 ~~Act is not a public record subject to public inspection pursuant to~~
6 ~~sections 84-712 to 84-712.09. The board may prepare and adopt~~
7 ~~specifications for the examinations. The specifications shall be~~
8 ~~published and be available to any person interested in being licensed.~~

9 **Sec. 42.** Section 81-3541, Reissue Revised Statutes of Nebraska, is
10 amended to read:

11 81-3541 (1) The following activities do not require licensure as a
12 professional geologist under the Geologists Regulation Act:

13 (a) Geologic ~~Geological~~ work performed by an employee or a
14 subordinate of a professional geologist if the work does not include
15 responsible charge of geologic ~~geological~~ work and is performed under the
16 responsible charge ~~direct supervision~~ of a professional geologist who is
17 and remains responsible for such work;

18 (b) Geologic ~~Geological~~ work performed exclusively in the
19 exploration for and development of energy resources and base, precious,
20 and nonprecious minerals, including sand, gravel, and aggregate, and not
21 having a substantial impact upon the public health, safety, and welfare,
22 as determined by the board;

23 (c) Geologic research conducted through academic institutions,
24 agencies of the federal or state governments, or nonprofit research
25 institutions;

26 (d) Teaching in geology or related physical or natural sciences;

27 (e) Work performed by a professional engineer appropriately licensed
28 in this state that is within the generally accepted scope of engineering
29 practice;

30 (f) The practice of any other legally recognized profession;

31 ~~(g) The practice of or offer to practice geology by a person not a~~

1 ~~resident of and having no established place of business in this state who~~
2 ~~desires to practice geology for a specific project. The person shall make~~
3 ~~application to the board in writing, and after payment of a fee~~
4 ~~established by the board by rule and regulation, such person may be~~
5 ~~issued a temporary permit for a definite period of time not to exceed one~~
6 ~~year if the person is legally qualified by licensure to practice geology~~
7 ~~in his or her own state or country. No right to practice geology shall~~
8 ~~accrue to such applicant with respect to any other work not set forth in~~
9 ~~the permit;~~

10 (g) ~~(h)~~ Work, which includes subsurface excavation, soil and water
11 analysis, and routine environmental monitoring, such as sample collection
12 and water level gauging, performed by an organization for itself and in
13 accordance with other requirements of law;

14 (h) ~~(i)~~ The work of employees of a political subdivision or state
15 agency charged with natural resources conservation performing, in
16 accordance with other requirements of law, their customary duties in
17 operations, maintenance, and environmental monitoring;

18 (i) ~~(j)~~ The work of employees and agents of a political subdivision
19 or rural electric cooperative performing, in accordance with other
20 requirements of law, their customary duties in routine utility line
21 construction, operations, and maintenance;

22 (j) ~~(k)~~ Work customarily performed by chemists, hydrologists,
23 archaeologists, geographers, pedologists, agronomists, and soil
24 scientists; and

25 (k) ~~(l)~~ Work performed in the construction of water wells as defined
26 in section 46-1212, the installation of pumps and pumping equipment into
27 water wells, and the decommissioning of water wells.

28 (2) If the board determines with respect to a particular function
29 that the public is adequately protected without the necessity of a
30 professional geologist performing certain services, the board may waive
