3           70-1003 (1)(a) There is hereby established an independent board to  
4 be known as the Nebraska Power Review Board. The board shall consist of  
5 five members, including (i) at least one engineer, (ii) at least one  
6 attorney, and (iii) three additional persons until, after the effective  
7 date of this act, one such person appointed pursuant to this subdivision  
8 (1)(a)(iii) of this section vacates his or her position or his or her  
9 term expires, whichever occurs first, at which time the board shall  
10 consist of the members provided pursuant to subdivision (b) of this  
11 subsection.

12           (b) Upon the first vacation of the position or expiration of the  
13 term of one of the members serving under subdivision (1)(a)(iii) of this  
14 section that occurs after the effective date of this act, the board shall  
15 consist of five members, including (i) at least one engineer, (ii) at  
16 least one attorney, (iii) at least one licensed journeyman electrician  
17 who shall be affiliated with a nonprofit labor organization for  
18 electrical workers holding a certificate of exemption under section

20 of licensed journeyman electricians recommended by such organization, and  
21 (iv) two additional persons.

22           (c) No more than one person who is or who has within four years  
23 preceding such person's appointment been either a director, an officer,  
24 or an employee of any electric utility or an elective state officer shall  
25 serve on the board at the same time. Any board member who previously was  
26 either a director, an officer, or an employee of any electric utility  
27 within four years preceding such board member's appointment shall refrain  
28 from taking any action or making any decision in any proceeding before  
29 the board that involves such electric utility for a period of four years  
30 after the date such board member ceased being a director, an officer, or  
31 an employee of such electric utility.

1           (d) ~~(b)~~ Members of the board shall be appointed by the Governor  
2 subject to the approval of the Legislature. Upon expiration of the terms  
3 of the members first appointed, the successors shall be appointed for  
4 terms of four years. No member of the board shall serve more than three  
5 consecutive terms. Any vacancy on the board arising other than from the  
6 expiration of a term shall be filled by appointment for the unexpired  
7 portion of the term, and any person appointed to fill a vacancy on the

11           (2) Each member of the board shall receive one hundred dollars per  
12 day for each day actually and necessarily engaged in the performance of  
13 his or her duties, but not to exceed seven thousand dollars in any one  
14 year, except for the member designated to represent the board on the  
15 Southwest Power Pool Regional State Committee or its equivalent  
16 successor, who shall receive two hundred fifty dollars for each day

18 not to exceed thirty-five thousand dollars in any one year. If the member  
19 designated to represent the board on the Southwest Power Pool Regional  
20 State Committee should for any reason no longer serve in that capacity  
21 during a year, the pay received while serving in such capacity shall not  
22 be used for purposes of calculating the seven-thousand-dollar limitation  
23 for board members not serving in that capacity. When another board member  
24 acts as the proxy for the designated Southwest Power Pool Regional State  
25 Committee member, he or she shall receive the same pay as the designated  
26 member would have for that activity. Pay received while serving as proxy  
27 for such designated member shall not be used for purposes of determining  
28 whether the seven-thousand-dollar limitation has been met for board  
29 members not serving as such designated member. Total pay to board members  
30 for activities related to the Southwest Power Pool shall not exceed an  
31 aggregate total of forty thousand dollars in any one year. Each member

1 shall be reimbursed for expenses while so engaged as provided in sections

8 other staff necessary to carry out the duties pursuant to Chapter 70,  
9 article 10. The executive director shall serve at the pleasure of the  
10 board and shall be solely responsible to the board. The executive  
11 director shall be responsible for the administrative operations of the  
12 board and shall perform such other duties as may be delegated or assigned  
13 to him or her by the board. The board may obtain the services of experts  
14 and consultants necessary to carry out the board's duties pursuant to  
15 Chapter 70, article 10.

16 (5) The board shall publish and submit a biennial report with annual  
17 data to the Governor, with copies to be filed with the Clerk of the  
18 Legislature and with the Department of Environment and Energy. The report  
19 submitted to the Clerk of the Legislature shall be submitted  
20 electronically. The department shall consider the information in the  
21 Nebraska Power Review Board's report when the department prepares its own

10 paid; and

11 (i) Appropriately detailed historical and projected electric supply  
12 and demand statistics, including information on the total generating  
13 capacity owned by Nebraska suppliers and the total peak load demand of  
14 the previous year, along with an indication of how the industry will  
15 respond to the projected situation.

16 (6) The board may, in its discretion, hold public hearings  
17 concerning the conditions that may indicate that retail competition in  
18 the electric industry would benefit Nebraska's citizens and what steps,  
19 if any, should be taken to prepare for retail competition in Nebraska's  
20 electricity market. In determining whether to hold such hearings, the  
21 board shall consider the sufficiency of public interest.

22 (7) The board may, at any time deemed beneficial by the board,  
23 submit a report to the Governor with copies to be filed with the Clerk of

7 limited to, an update on deregulation activities in other states and an  
8 update on federal deregulation legislation.

9 (8) The board may establish working groups of interested parties to  
10 assist the board in carrying out the powers set forth in subsections (6)  
11 and (7) of this section.

12 **Sec. 2.** Original section 70-1003, Revised Statutes Cumulative  
13 Supplement, 2024, is repealed.
