Proposed Rule Change 2

Rule 3. Sec. 4. Select Committees.

...

(iii) The Clerk of the Legislature's office shall be responsible for the collection of pertinent information on gubernatorial appointments. That information will be distributed to the appropriate standing committee prior to the time of the confirmation hearing. The Clerk's office shall be the "depository" for background information on the appointed individual, including a statement of financial interests if applicable, and any other biographical information that the committee chair feels is appropriate for the committee to have before it during the confirmation process. In addition to such information, the committee legal counsel shall search any publicly available information on the appointee's background, including, but not limited to, filed conflict of interest statements, media stories, and criminal history records. The committee legal counsel shall prepare an objective report for the committee detailing all such information gathered and make such report available to the members of the committee at least two days prior to the appointee's confirmation hearing.

(iv) The committees to which a gubernatorial appointee has been referred for confirmation shall conduct a confirmation hearing. Each appointee shall be required to appear in person before the committee conducting the confirmation hearing. The appearance of the appointee may be waived for good cause as determined by the chair of the committee.

The committee shall prepare a report which approves, rejects, or makes no recommendation on the appointment. Said report shall be filed with the Clerk of the Legislature. The Legislature shall then have the opportunity to accept or reject the report of the committee.

If the Legislature fails to adopt a report to approve an appointment by a majority vote of the elected members, the appointment is thereby rejected.

If the report coming from the committee is to reject the appointment, and the Legislature fails to adopt the report by a majority vote of the elected members, then the appointment is thereby approved provided the report receives a majority vote in the negative.

In the event that the committee files a report making no recommendation on the appointment, the report shall be considered by the Legislature within five legislative days, and no later than the scheduled adjournment sine die of the current legislative session. The Legislature shall consider a motion to approve the appointment, which shall require a majority of the elected members for approval. If the Legislature fails to approve the motion, the appointment is thereby rejected.

In the event a motion on a report fails to receive either in the affirmative or negative a majority vote of the elected members, then such appointment shall be deemed rejected.

The previous question shall be made only in the normal course of speaking order and shall be in order when demanded by five or more members, and must be sustained by the vote of a majority of the elected members, and

until decided shall, except as provided in this section of this rule, preclude further debate and all amendments and motions, except one motion to adjourn. ~~The presiding officer may rule the previous question out of order if in the presiding officer's opinion a full and fair debate has not been afforded, due to the complexity of the subject matter. The ruling of the presiding officer shall be subject to overrule in accordance with Rule 1, Section 12 of these rules.~~

On a previous question there shall be no debate. All incidental questions of order, arising after a motion is made for a previous question, and pending such motion, shall be decided, whether on appeal or otherwise, without debate.

When the previous question shall have been ordered on a proposition under debate, the mover, proponent, or introducer of such proposition shall be given the right to close the debate thereon.

...

Proposed Rule Change 4

Rule 2. Sec. 8. Transgression of Rules, Call Member to Order.

Sec. 8. Transgression of Rules, Call Member to Order. If any member, in speaking or otherwise, transgresses the Rules of the Legislature, the presiding officer shall, or any member may, at any time before the end of the legislative day during which such transgression occurred, call such member to order, in which case he or she shall immediately sit down, unless permitted on motion of another member to explain, and the Legislature shall, if appealed to, decide the case without debate. If the decision be in favor of the member called to order, he or she shall be at liberty to proceed, but not otherwise, and if the case requires it, he or she shall be liable to censure or such punishment as the Legislature may deem proper.

Rule 2. Sec. 9. Words Excepted To.

...

Proposed Rule Change 5

Rule 7. Sec. 3. Motion in Writing, Withdrawal.

...

(d) No motion, proposition, or subject, different from that under consideration, shall be admitted under color of amendment. Any amendment that is not germane is out of order. Germane amendments relate only to details of the specific subject of the bill and must be in a natural and logical sequence to the subject matter of the original proposal. A nongermane amendment includes one that relates to a substantially different subject.

(e) Any member may call for the division of a question, which shall be divided if it comprehends propositions in substance so distinct that, one being taken away, a substantive proposition shall remain for the decision of the Legislature. Once a call for a division is ~~made ordered by the presiding officer~~, each component shall be treated as a separate and distinct proposition. For purposes of germaneness, even if a question is germane prior to a request for division, each and every other component or proposition of the divided question will be subject to germaneness rulings. Once a vote or change has occurred on any of the divisible questions, the remaining divided sections may not be withdrawn without a majority of those voting or without unanimous consent. A motion to strike out and insert shall be deemed indivisible, but a motion to strike out being lost, shall not preclude an amendment or a motion to strike out or insert.
