1 1. Strike the original sections and insert the following new  
2 sections:  
3 Section 1. (1) The Legislature finds that it is common for public  
4 safety personnel to experience stress and emotional difficulties as a  
5 result of traumatic events and common job stressors experienced on a  
6 regular basis. Peer support can be beneficial to public safety personnel  
7 and can reduce the likelihood that such individuals will experience long-  
8 term effects that may have a negative impact on their well-being.  
9 (2) The Legislature further finds that confidentiality is a  
10 necessary foundation of effective peer support. The privileged and  
11 confidential nature of a peer support session ensures confidentiality and  
12 encourages an individual to speak openly to a peer without fear that a  
13 communication could be used against the individual in a disciplinary or  
14 other hearing.  
15 Sec. 2. For purposes of sections 1 to 4 of this act:  
16 (1) Communication means any verbal, written, or electronic  
17 communication;  
18 (2) Critical incident means an actual or perceived event or

24 protection or firefighting agency of the state, a municipality, a rural  
25 or suburban fire protection district, or any other political subdivision,  
26 regardless of whether such person is a volunteer or paid;  
27 (b) An officer, employee, or member of a fire service providing fire  
1 protection to federal or state military installations; or  
2 (c) The State Fire Marshal or a deputy state fire marshal;  
3 (5) Hospital personnel means employees or contractors of a hospital  
4 who provide direct patient care or emergency services, and includes  
5 physicians, nurses, emergency department staff, and trauma center  
6 personnel;

9 (b) A tribal police department;

12 (b) A member of a tribal police department or federal law  
13 enforcement officer duly authorized to assert law enforcement powers by a  
14 tribe in the State of Nebraska;  
15 (8) Law enforcement support personnel means an employee of a  
16 governmental entity who, by virtue of the person's job duties, provides

17 support to law enforcement officers, and includes dispatchers, public  
 18 safety telecommunicators, crime scene and crime laboratory technicians,  
 19 criminal analysts, professional staff, and intelligence analysts;  
 20 (9)(a) Peer support services means any services provided by a peer  
 21 support team member that offer emotional or moral support to any public  
 22 safety personnel regarding a critical incident; professional, personal,  
 23 or social problem; or difficult life event.

 28 setting;  
 29 (iii) Where the services are requested or conducted; or

 2 serving one or more public safety agencies;

 8 (b) A peer support team member need not be an employee of a public  
 9 safety agency or affiliated with a public safety agency and may include a

 27 that employs, represents, or serves public safety personnel; and  
 28 (17) Public safety personnel means a law enforcement officer, a  
 29 correctional officer, a jail officer, a juvenile detention officer, a  
 30 firefighter, an emergency care provider, law enforcement support  
 31 personnel, hospital personnel, or ambulance service provider personnel.  
 1 Sec. 3. A public safety agency may establish a peer support team.  
 2 If a public safety agency does so, the agency shall develop written  
 3 guidelines for the peer support team and its members.  
 4 Sec. 4. (1) Except as otherwise provided in this section, the

2 (d) When the peer support team member is a defendant or respondent  
3 in a proceeding arising from a complaint, accusation, or allegation filed
