(3)(a) For purposes of this section, full cash value means the county assessor's valuation of real property for 2027 or, thereafter, the appraised value of real property when purchased, when newly constructed, or when a change in ownership has occurred after the 2027 assessment.

(b) Full cash value shall be adjusted from year to year by the inflationary rate, not to exceed two percent for any given year, or the deflationary rate, if applicable, as shown in the consumer price index or comparable data for the area subject to taxation, and may also be reduced to reflect substantial damage, destruction, or other factors causing a decline in value.

(4) Subject to applicable procedures and definitions as provided by statute, an individual who is over fifty-five years of age, severely disabled, or a victim of a natural disaster may transfer the full cash value of the individual's primary residence to a replacement primary residence located in this state so long as the replacement primary residence:

(a) Is similar in size, utility, and function to the original primary residence;

(b) Has a fair market value that is comparable to the fair market value of the original primary residence; and

(c) Is purchased or newly constructed by such individual within two years after the sale of the original primary residence.

(5) For purposes of subsection (3) of this section, the term "newly constructed" does not include the construction, installation, removal, or modification of any portion or structural component of an existing building or structure if the construction, installation, removal, or modification is for the purpose of making the building more accessible to, or more usable by, a disabled person.

(6) For purposes of subsection (3) of this section, the term "change in ownership" does not include the acquisition of real property as a replacement for comparable property if the person acquiring the real property has been displaced from the property replaced by eminent domain proceedings, by acquisition by a public entity, or by governmental action that has resulted in a judgment of inverse condemnation. The real property acquired shall be deemed comparable to the property replaced if it is similar in size, utility, and function.

(7) For purposes of subsection (3) of this section, the terms "purchased" and "change in ownership" do not include the purchase or transfer of real property between spouses since January 1, 2027, including, but not limited to, all of the following:

(a) Transfers to a trustee for the beneficial use of a spouse, or the surviving spouse of a deceased transferor, or by a trustee of such a trust to the spouse of the trustor;

(b) Transfers to a spouse that take effect upon the death of a spouse;

(c) Transfers to a spouse or former spouse in connection with a property settlement agreement or decree of dissolution of a marriage or legal separation;

(d) The creation, transfer, or termination, solely between spouses, of any co-owner's interest; or

(e) The distribution of a legal entity's property to a spouse or former spouse in exchange for the interest of the spouse in the legal entity in connection with a property settlement agreement or a decree of dissolution of a marriage or legal separation.

(8)(a) The full cash value of qualified contaminated property may be transferred to a replacement property that is acquired or newly constructed as a replacement for the qualified contaminated property, if the replacement real property has a fair market value that is comparable to the fair market value of the qualified contaminated property if that property were not contaminated. This subdivision applies only to replacement property that is acquired or newly constructed within five years after ownership in the qualified contaminated property is sold or otherwise transferred.

(b) If the remediation of the environmental problems on qualified contaminated property requires the destruction of, or results in substantial damage to, a structure located on that property, the term "new construction" does not include the repair of a substantially damaged structure, or the construction of a structure replacing a destroyed structure on the qualified contaminated property, that is performed after the remediation of the environmental problems on that property, provided that the repaired or

replacement structure is similar in size, utility, and function to the original structure.

(c) For purposes of this subsection, the term "qualified contaminated property" means residential or nonresidential real property that:

(i) In the case of residential real property, is rendered uninhabitable, and in the case of nonresidential real property, is rendered unusable, as the result of either environmental problems, in the nature of and including, but not limited to, the presence of toxic or hazardous materials, or the remediation of those environmental problems, except where the existence of the environmental problems was known to the owner, or to a related individual or entity as described in subdivision (8)(d) of this section, at the time the real property was acquired or constructed. For purposes of this subdivision, residential real property is uninhabitable if that property, as a result of health hazards caused by or associated with the environmental problems, is unfit for human habitation, and nonresidential real property is unusable if that property, as a result of health hazards caused by or associated with the environmental problems, is unhealthy and unsuitable for occupancy;

(ii) Is located on a site that has been designated as a toxic or environmental hazard or as an environmental cleanup site by an agency of the State of Nebraska or the federal government; and

(iii) Has not been rendered uninhabitable or unusable, as described in subdivision (8)(c)(i) of this section, by any act or omission in which an owner of that real property participated or acquiesced.

(d) It shall be rebuttably presumed that an owner of the real property participated or acquiesced in an act or omission that rendered the real property uninhabitable or unusable, as applicable, if that owner is related to any individual or entity that committed that act or omission in any of the following ways:

(i) Is a spouse, parent, child, grandparent, grandchild, or sibling of that individual;

(ii) Is a corporate parent, subsidiary, or affiliate of that entity;

(iii) Is an owner of, or has control of, that entity; or

(iv) Is owned or controlled by that entity.

(e) If the presumption in subdivision (8)(d) of this section is not overcome, the owner shall not receive the relief provided for in subdivision (8)(a) or (b) of this section. The presumption may be overcome by presentation of satisfactory evidence to the county assessor.

WHEREAS, the Founders of the Constitution of the United States empowered state legislators to be guardians of liberty against future abuses of power by the federal government; and

WHEREAS, the federal government has created a crushing national debt through improper and imprudent spending; and

WHEREAS, the federal government has invaded the legitimate roles of the states through the manipulative process of federal mandates, most of which are unfunded to a great extent; and

WHEREAS, the federal government has ceased to live under a proper interpretation of the Constitution of the United States; and

WHEREAS, it is the solemn duty of the states to protect the liberty of our people, particularly for the generations to come, to propose amendments to the Constitution of the United States through a convention of states under Article V to place clear restraints on these and related abuses of power; and

WHEREAS, in 2022 the One Hundred Seventh Legislature, Second Session, adopted Legislative Resolution 14 which contained an application for an Article V Convention to propose constitutional amendments identical to those proposed in this resolution, but provided that the application would be rescinded on February 1, 2027, five years after the passage of Legislative Resolution 14.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED NINTH LEGISLATURE OF NEBRASKA, FIRST SESSION:

1. That the Legislature hereby applies to Congress, under the provisions of Article V of the Constitution of the United States, for the calling of a convention of states limited to proposing amendments to the Constitution that impose fiscal restraints on the federal government, limit the power and

jurisdiction of the federal government, and limit the terms of office for its officials and members of Congress.

2. That the Legislature adopts this application with the following understandings, reservations, and declarations:

(a) An application to Congress for an Article V convention confers no power on Congress other than to perform a ministerial function to call for a convention;

(b) Such ministerial duty shall be performed by Congress only when Article V applications for substantially the same purpose are received from two-thirds of the legislatures of the several states;

(c) The power of Congress to call a convention solely consists of the authority to name a reasonable time and place for the initial meeting of the convention;

(d) Congress possesses no power whatsoever to name delegates to the convention, as this power remains exclusively within the authority of the legislatures of the several states;

(e) Congress possesses no power to set the number of delegates to be sent by any of the states;

(f) Congress possesses no power whatsoever to determine any rules for such convention;

(g) By definition, a convention of states means that states vote on the basis of one state, one vote;

(h) A convention of states convened pursuant to this application is limited to consideration of topics specified in this resolution and no other;

(i) The Legislature may recall its delegates at any time for breach of their duties or violations of their instructions pursuant to the procedures adopted in this resolution;

(j) Pursuant to the text of Article V, Congress may determine whether proposed amendments shall be ratified by the legislatures of the several states or by special state ratification conventions. The Legislature recommends that Congress specify its choice on ratification methodology contemporaneously with the call for the convention;

(k) Congress possesses no power whatsoever with regard to the Article V convention beyond the two powers acknowledged in this resolution; and

(l) Nebraska places express reliance on prior legal and judicial determinations that Congress possesses no power under Article I of the Constitution relative to the Article V process, and that Congress must act only as expressly specified in Article V.

3. That this application hereby repeals, rescinds, cancels, renders null and void, and supersedes the application to the Congress for a convention under Article V of the Constitution of the United States by this state in Legislative Resolution 14 as adopted by the One Hundred Seventh Legislature of Nebraska, Second Session, in 2022.

4. That the Clerk of the Legislature shall transmit copies of this resolution to the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, each member of the Nebraska Congressional delegation, and the presiding officers of each of the legislative houses in the several states requesting their cooperation.

5. This application constitutes a continuing application in accordance with Article V of the Constitution of the United States until the legislatures of at least two-thirds of the several states have made applications to Congress for an Article V convention on the same subject.

POINT OF PERSONAL PRIVILEGE

Senator Hansen was recognized for a point of personal privilege regarding the Investigative Report Concerning June 2, 2025 Workplace Complaint. This Report can be obtained by contacting the Chair of the Executive Board.

RESOLUTION(S)

LEGISLATIVE RESOLUTION 282. Introduced by Executive Board Committee: Hansen, 16, Chairperson; Arch, 14; Ballard, 21; Bostar, 29; Dorn, 30; Fredrickson, 20; Ibach, 44; Jacobson, 42; McKinney, 11.

WHEREAS, on September 3rd, 2025, a Special Personnel Panel was formed to address a formal complaint of workplace harassment against the

Senator from District 41, Senator Dan McKeon, including the hiring of outside counsel to conduct an investigation into the complaint, in accordance with the Nebraska Legislature's Workplace Harassment Policy; and

WHEREAS, the investigation found that the Senator from District 41, Senator Dan McKeon, made an inappropriate sexual remark to a female staff member at a work-related party, in violation of the Nebraska Legislature's Workplace Harassment Policy, which defines sexual harassment to include sexually oriented jokes, stories, or discussions; and

WHEREAS, the investigation found that the Senator from District 41, Senator Dan McKeon, inappropriately touched a female staff member at a work-related party, violating the Nebraska Legislature's Workplace Harassment Policy, which defines sexual harassment to include intentionally brushing up against a person; and

WHEREAS, following a staff member's complaint of sexual harassment, the Senator from District 41, Senator Dan McKeon, violated the directive of the Executive Board of the Legislative Council to have no further contact with the complainant by attending staff events on the evening the directive was issued; and

WHEREAS, on or about August 7th, 2025, the Senator from District 41, Senator Dan McKeon, engaged in retaliatory conduct in violation of the Nebraska Legislature's Workplace Harassment Policy on retaliation by texting a colleague and insinuating that the complainant was "difficult to work with"; and

WHEREAS, the Senator from District 41, Senator Dan McKeon, has created the perception of a hostile workplace not suitable for fulfilling the constitutional duties of the Legislature, as evidenced by staff from other senators expressing fear of being in the same hallway or having offices near his, thereby disrupting the collaborative environment essential to legislative operations; and

WHEREAS, the Senator from District 41, Senator Dan McKeon, has made public statements at various county-level political party events minimizing his actions, claiming "nothing happened," that it is "not a big deal," and attributing scrutiny to others being "out to get him," which further demonstrates a lack of accountability and remorse; and

WHEREAS, the Senator from District 41, Senator Dan McKeon, has indicated an intention to continue engaging in behavior that violates the Legislature's established policies, including an official statement that he "might still occasionally have a bad joke slip out"; and that those who would take offense to such flippant behavior are "eggshells" who "should avoid me, not engage in the conversation"; and

WHEREAS, the Senator from District 41, Senator Dan McKeon, is alleged to have engaged in inappropriate conduct during his first week in office, including making jokes involving the sexual function of a male in the presence of two female staffers, which although not formalized as a complaint, demonstrated an early pattern of behavior violating the Nebraska Legislature's workplace policies on harassment and decorum; and

WHEREAS, there are additional confidential complaints pending before the Executive Board alleging that the Senator from District 41, Senator Dan

McKeon, has used unprofessional and inappropriate language to describe colleagues, as well as individuals of other races, in a manner unbecoming of a member of the Nebraska Legislature; and

WHEREAS, the formal investigation and the aforementioned additional examples indicate that the Senator from District 41, Senator Dan McKeon, has engaged in a pattern of improper behavior and lack of accountability that is unbecoming of a member of the Nebraska Legislature; and

WHEREAS, the conduct of the Senator from District 41, Senator Dan McKeon, has brought the Legislature into disrespect and disrepute and has shaken the confidence of fellow members of the Legislature that the Senator from District 41 would be able to refrain from continued activity that is contrary to senatorial traditions of decorum and from actions that are in violation of the Nebraska Legislature's established policies; and

WHEREAS, the Executive Board met on Saturday, December 13th, 2025, and unanimously recommended that the Senator from District 41, Senator Dan McKeon, be expelled from the Nebraska Legislature for a pattern of improper behavior and lack of accountability that is unbecoming of a member of the Nebraska Legislature.

THE MEMBERS OF THE ONE HUNDRED NINTH LEGISLATURE OF NEBRASKA, SECOND SESSION, RESOLVE THAT:

Section 1. At the general election in November 2026, the following proposed amendment to the Constitution of Nebraska shall be submitted to the electors of the State of Nebraska for approval or rejection:

To amend Article VIII, section 1, and add new sections 14 and 15 to Article VIII:

VIII-1 The necessary revenue of the state and its governmental subdivisions shall be raised by taxation in such manner as the Legislature may direct. Notwithstanding Article I, section 16, Article III, section 18, or

Article VIII, section 4, of this Constitution or any other provision of this Constitution to the contrary: (1) Except as otherwise provided in or permitted by this Constitution, real property shall all be taxed in accordance with Article VIII, section 14, of this Constitution and there shall be two valuations for each parcel of real property: Fair market value and taxable market value. Fair market value shall be dynamic and determined by the assessor of the property. Taxable market value shall be used to establish the baseline valuation for tax liability for the individual property owner. Fair market value shall be assessed uniformly and proportionately upon all real property and franchises as defined by the Legislature. Taxes shall be levied by valuation uniformly and proportionately upon all real property and franchises as defined by the Legislature except as otherwise provided in or permitted by this Constitution; (2) tangible personal property, as defined by the Legislature, not exempted by this Constitution or by legislation, shall all be taxed at depreciated cost using the same depreciation method with reasonable class lives, as determined by the Legislature, or shall all be taxed by valuation uniformly and proportionately; (3) the Legislature may provide for a different method of taxing motor vehicles and may also establish a separate class of motor vehicles consisting of those owned and held for resale by motor vehicle dealers which shall be taxed in the manner and to the extent provided by the Legislature and may also establish a separate class for trucks, trailers, semitrailers, truck-tractors, or combinations thereof, consisting of those owned by residents and nonresidents of this state, and operating in interstate commerce, and may provide reciprocal and proportionate taxation of such vehicles. The tax proceeds from motor vehicles taxed in each county shall be allocated to the county and the cities, villages, and school districts of such county; (4) the Legislature may provide that agricultural land and horticultural land, as defined by the Legislature, shall constitute a separate and distinct class of property for purposes of taxation and may provide for a different method of taxing agricultural land and horticultural land which results in values that are not uniform and proportionate with all other real property and franchises but which results in values that are uniform and proportionate upon all property within the class of agricultural land and horticultural land; (5) the Legislature may enact laws to provide that the value of land actively devoted to agricultural or horticultural use shall for property tax purposes be that value which such land has for agricultural or horticultural use without regard to any value which such land might have for other purposes or uses; (6) the Legislature may prescribe standards and methods for the determination of the value of real property at uniform and proportionate values; (7) in furtherance of the purposes for which such a law of the United States has been adopted, whenever there exists a law of the United States which is intended to protect a specifically designated type, use, user, or owner of property or franchise from discriminatory state or local taxation, such property or franchise shall constitute a separate class of property or franchise under the laws of the State of Nebraska, and such property or franchise may not be taken into consideration in determining whether taxes are levied by valuation uniformly or proportionately upon any property or franchise, and the Legislature may enact laws which statutorily recognize such class and

which tax or exempt from taxation such class of property or franchise in such manner as it determines; and (8) the Legislature may provide that livestock shall constitute a separate and distinct class of property for purposes of taxation and may further provide for reciprocal and proportionate taxation of livestock located in this state for only part of a year. Each actual property tax rate levied for a governmental subdivision shall be the same for all classes of taxed property and franchises. Taxes uniform as to class of property or the ownership or use thereof may be levied by valuation or otherwise upon classes of intangible property as the Legislature may determine, and such intangible property held in trust or otherwise for the purpose of funding pension, profit-sharing, or other employee benefit plans as defined by the Legislature may be declared exempt from taxation. Taxes other than property taxes may be authorized by law. Existing revenue laws shall continue in effect until changed by the Legislature.

VIII-14 (1) Beginning January 1, 2027:

(a) Real property shall be valued, for property tax purposes, at its taxable market value unless such property is exempt from tax pursuant to this Constitution; and

(b) The property taxes levied on any parcel of real property shall not increase, from one year to the next, by more than the allowable growth percentage, except in those cases when the taxable market value is adjusted pursuant to subdivision (2)(e) of this section.

(2) For purposes of this section:

(a) Agricultural land means real property that is primarily used for agricultural or horticultural purposes;

(b) Agricultural or horticultural purposes means used for the commercial production of any plant or animal product in a raw or unprocessed state that is derived from the science and art of agriculture, aquaculture, or horticulture;

(c) Allowable growth percentage means the percentage change in the Consumer Price Index for All Urban Consumers, or its successor index, as published by the United States Department of Labor, Bureau of Labor Statistics, for the twelve-month period ending on June 30 of the year in which the relevant property taxes are determined;

(d) Nonagricultural land means any real property other than agricultural land; and

(e) Taxable market value means the assessed value of the real property for 2026, except that a property's taxable market value shall be adjusted when purchased, when newly constructed, when combining parcels, or when a change of ownership has occurred after the 2026 assessment. In such case, the taxable market value shall be adjusted as follows:

(i) For nonagricultural land, the taxable market value shall be adjusted to one hundred percent of the property's fair market value; or

(ii) For agricultural land, the taxable market value shall be adjusted to seventy-five percent of the property's fair market value, except that for property taxes levied by a school district to pay the principal and interest on bonds that are approved by a vote of the people on or after January 1, 2022,

the taxable market value shall be adjusted to fifty percent of the property's fair market value.

(3) For purposes of subdivision (2)(e) of this section, the term "newly constructed" does not include the construction, installation, removal, or modification of any portion or structural component of an existing building or structure or the rebuilding of a house destroyed by a tornado, flood, or other natural disaster.

(4) For purposes of subdivision (2)(e) of this section, the terms "purchased" and "change of ownership" do not include the purchase or transfer of real property between spouses since January 1, 2027, including, but not limited to, all of the following:

(a) Transfers to a trustee for the beneficial use of a spouse, or the surviving spouse of a deceased transferor, or by a trustee of such a trust to the spouse of the trustor;

(b) Transfers to a spouse that take effect upon the death of a spouse;

(c) Transfers to a spouse or former spouse in connection with a property settlement agreement or decree of dissolution of a marriage or legal separation;

(d) The creation, transfer, or termination, solely between spouses, of any co-owner's interest; or

(e) The distribution of a legal entity's property to a spouse or former spouse in exchange for the interest of the spouse in the legal entity in connection with a property settlement agreement or a decree of dissolution of a marriage or legal separation.

(5) For purposes of subdivision (2)(e) of this section, the term "combining parcels" means combining two or more parcels of real property with any established buildings for the purpose of fully or partially rebuilding any such established buildings.

VIII-15 An emergency shall only be declared by an appropriate government official, as determined by the Legislature. During an officially declared emergency if there is a financial need for any local taxing entity which cannot be funded by previously appropriated funds, an election may be conducted to authorize a special bond levy, as determined by the Legislature. Such authorization shall at a minimum require at least half of the registered voters of such local taxing entity to vote in the election and at least two-thirds of votes cast in the election in favor of the authorization.

Sec. 2. The proposed amendment shall be submitted to the electors in the manner prescribed by the Constitution of Nebraska, Article XVI, section 1, with the following ballot language:

RESOLUTION ADOPTING ARTICLES OF IMPEACHMENT

The Legislature finds:

1. Elizabeth O'Connor currently serves on the Board of Regents of the University of Nebraska, serving since 2019 and recently re-elected in 2024.
2. Elizabeth O'Connor was in a two-vehicle crash on May 21, 2025, in Omaha, Nebraska.
3. Elizabeth O'Connor was charged with driving under the influence (DUI) causing serious bodily injury, a Class IIIA felony, after law enforcement determined that she was operating a motor vehicle under the influence of alcohol and that she caused the crash.
4. Elizabeth O'Connor is a civil officer of this State and, as such, is liable to impeachment for any misdemeanor in office. Neb. Const. Art. IV, § 5.
5. The Legislature has "the sole power of impeachment." Neb. Const. Art. III, § 17. Impeachment occurs by the adoption, by a majority of the members of the Legislature, of a resolution setting forth articles of impeachment. The articles are then tried before the Nebraska Supreme Court.
6. Clear and convincing evidence exists to establish that Elizabeth O'Connor committed the offense identified in the articles of impeachment in this resolution. Furthermore, this is an impeachable offense. "[A]n impeachable high crime or misdemeanor is one in its nature or consequences subversive of some fundamental or essential principle of government or highly prejudicial to the public interest, and this may consist of a violation of the constitution, of law, of an official oath, or of duty by an act committed or omitted, or, without violating a positive law, by the abuse of discretionary powers from improper motives or for an improper purpose." State v. Douglas, 217 Neb 199, 202, 349 N.W.2d 870, 875 (1984) (quoting State v. Hastings, 37 Neb. 96, 114-15, 55 N.W. 774, 780 (1893)).

ACTS CONSTITUTING IMPEACHABLE OFFENSES:

Article 1: Driving Under the Influence Causing Serious Bodily Injury
(Neb. Rev. Stat. § 60-6,198)

1. On or about May 21, 2025, Elizabeth O'Connor was driving her motor vehicle near the area of North 63rd Street and Blondo Street in Omaha, Douglas County, Nebraska.
2. Elizabeth O'Connor was traveling eastbound on Blondo Street when her motor vehicle crossed over into the westbound lane and into oncoming traffic, where her motor vehicle collided with another motor vehicle.
3. Officers with the Omaha Police Department arrived and found Elizabeth O'Connor to be displaying obvious signs of intoxication. She displayed bloodshot and watery eyes, slurred speech, and the moderate odor of an alcoholic beverage emitting from her breath.
4. A half empty bottle of Fireball Cinnamon Whisky was found in Elizabeth O'Connor's vehicle.
5. Officers conducted Standardized Field Sobriety Testing on Elizabeth O'Connor and she displayed clear signs of intoxication.
6. As Elizabeth O'Connor appeared to have minor injuries, she was transported to the University of Nebraska Medical Center (UNMC).

7. Officer Keith Lambert filed an affidavit and application for a search warrant to obtain a sample of Elizabeth O'Connor's whole blood for chemical testing. That application was granted, a search warrant was issued, and officers obtained a sample of whole blood from Elizabeth O'Connor.

8. Tests were conducted on Elizabeth O'Connor's whole blood. It was determined that her blood alcohol concentration (BAC) at the time of the accident was 0.321 of one gram by weight of alcohol per one hundred milliliters of her blood. Elizabeth O'Connor's BAC was more than four times the legal BAC maximum of 0.08.

9. Officers determined that there were five individuals in the motor vehicle struck by Elizabeth O'Connor's motor vehicle, including three children. The driver and the three children were also transported to UNMC.

10. The fifth individual in the victims' motor vehicle, Latonda Johnson, was in the front passenger seat. She was transported to UNMC in serious condition.

11. At UNMC, Latonda Johnson was found to have a broken back and broken pelvis. She has undergone several months of recovery and faces several more.

12. Elizabeth O'Connor's operation of a motor vehicle while under the influence of alcohol in violation of Neb. Rev. Stat. § 60-6,196 or § 60-6,197 did proximately cause serious bodily injury to Latonda Johnson in violation of Neb. Rev. Stat. § 60-6,198, a Class IIIA felony.

13. Elizabeth O'Connor's misconduct is related, but inimical, to her duties in office. Her misconduct was subversive of fundamental and essential principles of government and highly prejudicial to the public interest.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED NINTH LEGISLATURE OF NEBRASKA, SECOND SESSION:

1. That Elizabeth O'Connor, member of the Board of Regents of the University of Nebraska, is hereby impeached, saving unto the Legislature of the State of Nebraska at any time hereafter any further articles or other accusations or impeachment against Elizabeth O'Connor, and also of replying to her answers which she shall make to the articles herein preferred against her, and of offering proof to the same and every part thereof, and all and every other article, accusation, or impeachment which shall be exhibited as the case shall require.

2. That the Legislature demands that Elizabeth O'Connor be put to answer for the misdemeanor in office herein charged against her, and that such proceedings, examination, trials, and judgments may be thereupon had and given as may be agreeable to law and justice.

Laid over.
